Mesich,2010-06 A down to earth landscape artist from Detroit Patrick Slavich returns to the family home in the northern Michigan town of Ironwood where his greatgrandfather settled many years ago After divorcing his wife Patrick looks forward to his return to his family s home because it s where he will be able to relax and enjoy the unspoiled natural beauty of Michigan s Upper Peninsula The millions of stars that glisten up against the black velvet that coat the oh so silent night The crispness in the air that is so rich one could almost drink it like a cool refreshing glass of water after a long hot day in the heat of July One day Patrick stops at an antique store to have his palm read the man reading his palm seems to be getting a lot of facts about his life right But how could he have known these things will his predictions for the future come true Soon a sinister family secret reveals itself altering his memories of the past and threatening his future Jacob White the palm reader is a supernatural force from the old country who has preyed upon the Slavich family for centuries Now he returns to eliminate Patrick and everything that he holds dear **A Longshore Fisherman** Jack Maple,2016-09-12 Sometime in the middle of the twentieth century longshore fisherman Jack Maple who fished near the shores of his home in East Kent penned a manual for those seeking to learn how to fish the proper way Now decades later his originally handwritten guide is presented as both a how to manual and a historical perspective on fishing In an easy and chatty style A Longshore Fisherman offers succinct instruction on how to make and use everything

from lobster pots to crab hooks It also explains why one doesn't ever leave shore without a spare bung for the boat and features a variety of amusing anecdotes reflecting a time when people were more self-reliant and did not have the resources to go and buy whatever they wanted Using this guide you can make all the gear that Jack made and hopefully derive as much pleasure from fishing with it as he did In this unique mid-twentieth-century fishing manual a longshore fisherman provides personal narratives and practical advice on fishing close to shore **Fishing With Dad** John Bryan,2012-05-01 Fishing with Dad is a collection so full of life and energy that it's difficult to put down For anyone who picks up this assemblage of fishing memories between fathers and their children the adventure of each experience will only whet their appetite for more
