New York Times bestselling author Jodi Picoult tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness Anna is not sick but she might as well be By age thirteen she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood The product of preimplantation genetic diagnosis Anna was conceived as a bone marrow match for Kate a life and a role that she has never challenged until now Like most teenagers Anna is beginning to question who she truly is But unlike most teenagers she has always been defined in terms of her sister and so Anna makes a decision that for most would be unthinkable a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves My Sister's Keeper examines what it means to be a good parent a good sister a good person Is it morally correct to do whatever it takes to save a child's life even if that means infringing upon the rights of another Is it worth trying to discover who you really are if that quest makes you like yourself less Should you follow your own heart or let others lead you Once again in My Sister's Keeper Jodi Picoult tackles a controversial real life subject with grace wisdom and sensitivity **See My Purpose: 20 Plays** Samuel Williams,2011-01-03 See My Purpose 20 Plays by Samuel Williams is a collection of 20 Of the author's contemporary creative works with contents that range from gangs to God This compilation of inspired didactic works is sure to both entertain as well as enlighten its every reader whether they be 8 or 80 The poignant and powerful messages contained in each of these works transcend all barriers of ethnicity socio economics religions genders political persuasions and other such natural divides in our society and rather focus their intention purpose and energy on identifying and destroying the inherent destructive and debilitating forces and influences present at every level of man's existence regardless of his possessions successes or titles The messages and realism in these works is as applicable to a Jewish family as they are to a Hindu Causasian Hispanic Asian or Afro American family See My Purpose is just that the author's attempt and intent to allow the world to see his divinely appointed purpose through the craft of drama **Reflection of Memories** Tesa Jones,2017-07-21 Richard Malone and Caroline Sue Miller are born on the same day to parents who live on opposite sides of the societal fences in a small coal mining town of western Pennsylvania Despite the economic differences between their families the two children become best friends and their unexpected friendship eventually blossoms into forbidden love In order to be together and escape their bleak small town opportunities they leave the security of their homes and settle in New Jersey where their future is a blank slate As Richard

and Caroline make their way through life their choices often veer their love off course but the bond they share has deep roots that continually pull them together again This tale of family friendship and love incorporates the historical events and cultural changes of the tumultuous 1900s while following the course of one couple whose connection is stronger than class or circumstance Whether you're sailing through youthful days or enjoying your golden years Reflection of Memories will capture your heart and remind you of what is truly important in life
