

THE REAL FRANK ZAPPA BOOK

"An autobiography of mostly hilarious stories... fireside war tales from the big bad days of the rockin' sixties... primer of the sonic avant-garde, the book bashes favorite Zappa targets and dashes a few myths about the man."

Traditions in American Music Michael Broyles, 2008-10-01 From colonial times to the present American composers have lived on the fringes of society and defined themselves in large part as outsiders In this stimulating book Michael Broyles considers the tradition of maverick composers and explores what these mavericks reveal about American attitudes toward the arts and about American society itself Broyles starts by examining the careers of three notably unconventional composers William Billings in the eighteenth century Anthony Philip Heinrich in the nineteenth and Charles Ives in the twentieth All three had unusual lives wrote music that many considered incomprehensible and are now recognized as key figures in the development of American music Broyles goes on to investigate the proliferation of eccentric individualism in all types of American music classical popular and jazz and how it has come to dominate the image of diverse creative artists from John Cage to Frank Zappa The history of the maverick tradition Broyles shows has much to tell us about the role of music in American culture and the tension between individualism and community in the American consciousness **Zappa** Barry Miles, 2004 Traces the life of ground breaking musician Frank Zappa from his Italian American childhood roots to his ultimate success as a composer and rock star **Zappa Gear** Mick Ekers, 2023-09-21 Frank Zappa was an unremitting musical innovator and experimenter always looking for ways to exploit the latest advances in technology His working life coincided with the explosive development of music technology that ran from the 1960s through the following three decades Without such inventions as the Marshall amplifier the Gibson SG the wah wah pedal and the Synclavier much of it modified to his requirements and used in ways for which they had never been designed Zappa's air sculptures as his music has been described would have had a significantly different shape and texture Lavishly illustrated including over 180 unique photographs of Frank Zappa's guitars and equipment taken by the author at his UMRK studio in LA and featuring a foreword by Dweezil Zappa Zappa Gear offers an unprecedented inside look at the machinery behind the legendary music In addition to a detailed presentation of the equipment Zappa Gear also introduces some of the pioneering inventors engineers and entrepreneurs without whom the instruments would not exist Zappa Gear is an official Frank Zappa book produced and written with the full cooperation and endorsement of Gail Zappa and the Zappa Family Trust **Insulting Music** Lily E. Hirsch, 2022-11-01 Insulting Music explores insult in and around music and demonstrates that insult is a key dimension of Western musical experience and practice There is insult in the music we hear how we express our musical preferences as well as our reactions to settings and sites of music and music making More than that when music and insult overlap the effects can both promote social justice or undermine it foster connection or break it apart The coming together of music and insult shapes our sense of self and view of other people underlining and constructing difference often in terms of race and gender In the last decade music's power dynamics have become an increasingly important concern for music scholars critics and fans Studying musicians such as Frank Zappa Nickleback Taylor Swift and the Insane Clown Posse and musical phenomena such as musician jokes the use of music to torture people and the playing of music in restaurants this book shows

the various and contradictory ways insults are used to negotiate those existing dynamics in and around music
