*The Real Isadora* Viktor Il'ich Serov, 1971      **The Real Isadora** Victor Seroff, 1971      *The Secret Treachery of Words* Elizabeth Francis, 2002      **FREEDOM** Katie Cross, 2020-07-12 Isadora Spence knows two things 1 she is tired of all the wars and wants them to stop and 2 she never wants to see Maximillion Sinclair again Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network She is determined to create a pact for peace and save lives but when events spiral into far more dangerous territory she realizes the only witch she can trust is Maximillion Can they work together or will everything fall apart Meanwhile her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history Facing an unwinnable battle against Prana the ruthless goddess of the sea Sanna roots through history only to discover that Prana isn't the only enemy they face In a world embroiled with war on all fronts can the sisterwitches do their part to bring peace and freedom to Antebellum Or will all their best efforts fail in the bigger machinations of goddess and witches **FREEDOM** is the final book in the Dragonmaster trilogy This sweeping YA Fantasy saga will take to a new world keep you on the edge of your seat and ask you to answer the most impossible question of all What is freedom      **Yankees in Petrograd, Bolsheviks in New York** Milla Fedorova, 2013-03-15 Yankees in Petrograd Bolsheviks in New York examines the myth of America as the Other World at the moment of transition from the Russian to the Soviet version The material on which Milla Fedorova bases her study comprises a curious phenomenon of the waning nineteenth and early twentieth centuries pilgrimages to America by prominent Russian writers who then created travelogues The writers' missions usually consisted of two parts the physical journey which most of the writers considered as ideologically significant and the literary fruit of the pilgrimages Until now the American travelogue has not been recognized and studied as a particular kind of narration with its own canons Arguing that the primary cultural model for Russian writers' journey to America is Dante's descent into Hell Fedorova ultimately reveals how America is represented as the country of dead souls where objects and machines have exchanged places with people where relations between the living and the dead are inverted      **The Victorian Visitors** Rupert Christiansen, 2002-08-20 In the nineteenth century London was a city of big money large audiences and creative dynamism In *The Victorian Visitors* Rupert Christiansen lucidly captures the city to which visitors went in search of the artistic fervor fame and wealth that only London could offer The great French painter Theodore Gericault escaped to London after a disappointing reception in Paris to show his painting *Raft of the Medusa* The high pitch and hustle of London life influenced the fecundity and variety of several of his paintings including *Derby d'Epsom* Composer Richard Wagner went for the first time in search of money but was disappointed to find the audiences indiscriminating the musicians poorly trained and the weather depressing Writing to his friend Liszt in a frenzy of despair he said I live here like a damned soul in hell Then there was the demon Australian bowler Frederick Spofforth who changed the course of English cricket      **Lucian: A Fallen Angel Romance** Kenzie Skye, Enjoy this angels and demons romance series
