## **Real Jews Secular Vs Ultra Orthodox The Struggle For Jewish Identity In Israel:**

Real Jews Noah Efron, 2003-05-23 An explosive book that documents in savage detail the war that is tearing Jewish Israel apart from the inside      *The Zionist Illusion* Haim Ben-Asher, 2010-07-03 This internal critique of Zionism challenges three notions that the Jews are a nation that exile is the main cause of their past suffering and that Jewish history is made solely in Israel Zionism is an illusion because it has failed to normalize the Jewish condition In particular it has not eliminated anti-Semitism but rather cultivates it in order to keep Jews within the fold Once independent the State of Israel emptied the Middle East and North Africa of their Jewish populations and prevented large numbers of Soviet Jews from settling in North America or anywhere else but Israel Now the target is France but French Jews though massively Zionist are reluctant to emigrate Israel it seems cannot thrive and prosper without draining the Diaspora of its finances its youth indeed its very identity Israeli control of Jerusalem has not brought the Messianic age any closer Rabbis used to worry that the Holocaust could mean that God abrogated His covenant with the Jews Israel's victory in 1967 convinced them that the covenant still holds The Holocaust has however encouraged Jewish paganism as Jews adulate power and define themselves purely as an ethnic group Hitlerjuden The State of Israel claims to be the culmination of Jewish history but its leaders insist that we are still in the rut of 1938 The State of Israel is perfectly capable of defending itself and has no need of solidarity rallies in the Diaspora Zionism allows the Jewish establishment to retain power but reduces the Diaspora to a subordinate role Yet Judaism was born and developed in exile If Jews divest themselves of their siege mentality Judaism can become a university for adults without examinations or tuition fees open to all      **Jewish State, Pariah Nation** Jerold S. Auerbach, 2014-04-06 Jewish statehood was restored in 1948 amid a struggle over legitimacy that has persisted in Israel ever since Who rules Who decides Antagonism between the political left and right erupted into bloody violence over the Altalena Secular religious discord even made defining who is a Jew in a Jewish state contentious After the Six Day War the return of religious Zionist settlers to biblical Judea and Samaria reframed the struggle over legitimacy Who decides where in the Land of Israel Jews may live settlers and rabbis or the government Israel's invasion of Lebanon in 1982 provoked the first significant eruption of military disobedience undermining the authority of the Israel Defense Forces with competing claims of personal conscience Ever since the United Nations declared Zionism to be a form of racism Israel has confronted an escalating international assault on its legitimacy In political academic media and cultural circles it has been demonized as an apartheid even Nazi state that much of the world despises These conflicts are explored in this illuminating study of the dilemmas of legitimacy in the world's only Jewish state and most reviled pariah nation A new addition to the Contemporary Society Series from Quid Pro Books

**The Space between Us** Ryan D. Enos, 2017-10-02 The Space between Us brings the connection between geography psychology and politics to life By going into the neighborhoods of real cities Enos shows how our perceptions of racial ethnic and religious groups are intuitively shaped by where these groups live and interact daily Through the lens of numerous

examples across the globe and drawing on a compelling combination of research techniques including field and laboratory experiments big data analysis and small scale interactions this timely book provides a new understanding of how geography shapes politics and how members of groups think about each other Enos analysis is punctuated with personal accounts from the field His rigorous research unfolds in accessible writing that will appeal to specialists and non specialists alike illuminating the profound effects of social geography on how we relate to think about and politically interact across groups in the fabric of our daily lives      *Galileo Goes to Jail and Other Myths about Science and Religion* Ronald L.

Numbers,2009-03-31 Ronald Numbers has recruited the leading scholars in this new history of science to puncture the myths from Galileo s incarceration to Darwin s deathbed conversion to Einstein s belief in a personal God who didn t play dice with the universe Each chapter in *Galileo Goes to Jail* shows how much we have to gain by seeing beyond the myths      **Political**

**Demography** Jack A. Goldstone, Eric P. Kaufmann, Monica Duffy Toft, 2012-08-16 The field of political demography the politics of population change is dramatically underrepresented in political science At a time when demographic changes aging in the rich world youth bulges in the developing world ethnic and religious shifts migration and urbanization are waxing as never before this neglect is especially glaring and starkly contrasts with the enormous interest coming from policymakers and the media Ten years ago demography was hardly on the radar screen remarks Richard Jackson and Neil Howe of the Center for Strategic and International Studies two contributors to this volume Today they continue it dominates almost any discussion of America s long term fiscal economic or foreign policy direction Demography is the most predictable of the social sciences children born in the last five years will be the new workers voters soldiers and potential insurgents of 2025 and the political elites of the 2050s Whether in the West or the developing world political scientists urgently need to understand the tectonics of demography in order to grasp the full context of today s political developments This book begins to fill the gap from a global and historical perspective and with the hope that scholars and policymakers will take its insights on board to develop enlightened policies for our collective future      **Women, Reconciliation and the Israeli-Palestinian**

**Conflict** Giulia Daniele, 2014-04-16 *Women Reconciliation and the Israeli Palestinian Conflict* explores the most prominent instances of women s political activism in the occupied Palestinian territories and in Israel focussing primarily on the last decade By taking account of the heterogeneous narrative identities existing in such a context the author questions the effectiveness of the contributions of Palestinian and Israeli Jewish women activists towards a feasible renewal of the peace process founded on mutual recognition and reconciliation Based on feminist literature and field research this book re problematises the controversial liaison between ethno national narratives feminist backgrounds and women s activism in Palestine Israel In detail the most relevant salience of this study is the provision of an additional contribution to the recent debate on the process of making Palestinian and Israeli women activists more visible and the importance of this process as one of the most meaningful ways to open up areas of enquiry around major prospects for the end of the Israeli Palestinian

conflict Tackling topical issues relating to alternative resolutions to the Israeli Palestinian conflict this book will be a valuable resource for both academics and activists with an interest in Middle East Politics Gender Studies and Conflict Resolution

**Theocratic Democracy** Nachman Ben-Yehuda, 2010-11-29 The state of Israel was established in 1948 as a Jewish democracy without a legal separation between religion and the state An expert on the construction of social and moral problems Nachman Ben Yehuda examines more than 50 years of media reported unconventional and deviant behaviour by the Haredi community *Israel/Palestine in World Religions* S. Ilan Troen, 2024-04-24 The struggle over Israel Palestine is not just another contest by competing nationalisms or an instance of geopolitical competition It is also about control of sacred territory that involves local Jews Muslims and Christians as well as worldwide faith communities each with their own interests and stake in what transpires This balanced introduction to a complex subject presents the multiple positions within the great monotheistic traditions It demonstrates that the secular discourses in the public square concerning ownership privileges historical precedence political rights and justice that have allegedly replaced religious claims actually coexist with and often complement the theological It explores the century long tangle of secular and theological debates about Israel's legitimacy Whether readers support a

Jewish state or are resolutely opposed the serious and substantial scholarship of this well reasoned and innovative book will contribute to a nuanced and better informed understanding of this persistent issue that has entered its second century on the international agenda **Middle East Conflicts from Ancient Egypt to the 21st Century** Spencer C. **Claiming Society for God** Nancy J. Davis,Robert V. Robinson,2020-03-04 The nonviolent ways orthodox religious groups achieve social power and influence a brilliant study of four movements in the US and abroad Wendell Bell Yale University Gold Medal Winner Independent Publisher Book Awards Claiming Society for God focuses on common strategies used by religiously orthodox what some would call fundamentalist movements around the world Rather than using armed struggle or terrorism as much of post 9 11 thinking suggests these movements use a patient under the radar strategy of taking over civil society Claiming Society for God tells the stories of the Muslim Brotherhood in Egypt the Sephardi Torah Guardians or Shas in Israel Comunione e Liberazione in Italy and the Salvation Army in the United States showing how these movements grounded in a communitarian theology are building massive grassroots networks of religiously based social service agencies hospitals and clinics rotating credit societies schools charitable organizations worship centers and businesses These networks are already being called states within states surrogate states or parallel societies and in Egypt brought the Muslim Brotherhood to control of parliament and the presidency This bottom up entrepreneurial strategy is aimed at making religion the cornerstone of society Sociology at its very best professionally researched and analyzed both pragmatic and theoretical overwhelmingly convincing and an important corrective to a lot of current beliefs a great read fascinating from beginning to end Wendell Bell

Yale University author of Foundations of Futures Studies     The Creationists Ronald L. Numbers,2006 In light of the embattled status of evolutionary theory particularly as intelligent design makes headway against Darwinism in the schools and in the courts this account of the roots of creationism assumes new relevance This edition offers an overview of the arguments and figures at the heart of the debate     **The International Politics of an Embodied God** Stephen Chan, OBE,2024-10-02 In a world of violence in which religion seems to play an increasing role the understanding of the Religions of the Book Judaism Christianity and Islam is highly important This book concentrates on these religions all with common ancestry that claim their mandates come from a holy text These religions are embodied in both a text and a political purpose associated with a contentious nationalism and internationalism Chan indicates their commonalities especially in the political realm but also their approaches to conflict with one another within themselves and with others who do not have a centralizing Book     **Doubting the Devout** Nora L Rubel,2009-11-06 Before 1985 depictions of ultra Orthodox Jews in popular American culture were rare and if they did appear in films such as Fiddler on the Roof or within the novels of Chaim Potok they evoked a nostalgic vision of Old World tradition Yet the ordination of women into positions of religious leadership and other controversial issues have sparked an increasingly visible and voluble culture war between America s ultra Orthodox and non Orthodox Jews one that has found a particularly creative voice in literature media and film Unpacking the work of Allegra Goodman Tova Mirvis Pearl Abraham Erich Segal Anne Roiphe and others as well as television shows and films such as A Price Above Rubies Nora L Rubel investigates the choices non haredi Jews have made as they represent the character and characters of ultra Orthodox Jews In these artistic and aesthetic acts Rubel recasts the war over gender and family and the anxieties over acculturation Americanization and continuity More than just a study of Jewishness and Jewish self consciousness Doubting the Devout will speak to any reader who has struggled to balance religion family and culture

**Why We Hate** Jack Levin,2010-05 Are we born with a propensity to hate or is it something we learn Both enlightening and insightful this momentous and timely work offers hope that civilized human beings can come to grips with an age old problem     **How Israel Lost** Richard Ben Cramer,2004-05-12 In this powerful polemic that deserves to be read The New York Review of Books the major issues that have haunted Israel and Palestine for decades are insightfully explored and analyzed With personal observation and sharp and challenging arguments Pulitzer Prize winning author Richard Ben Cramer insists that Israel is losing her soul by maintaining her occupation of the lands conquered in the Six Day War Israel has become a victim of that occupation no less than the Palestinians who must have a nation of their own Cramer makes clear for the first time why the occupation endures and how it corrupts and corrodes the societies of both Arab and Jew Cramer s portrait of those societies is both up to the minute and timeless enlivened at every step by his trademark humor humane understanding of the people caught in the conflict and his astonishing gift for language theirs and ours The result is a book destined to produce both heat and light it is both shocking and a delight to read This is journalism so sharp that it will

change the story it set out to tell     The Land Is Full Alon Tal,2016-08-09 During the past sixty eight years Israel s population has increased from one to eight million people Such exponential growth has produced acute environmental and social crises in this tiny country Alon Tal one of Israel s foremost environmentalists considers the ramifications of the extraordinary demographic shift from burgeoning pollution and dwindling natural resources to overburdened infrastructure and overcrowding Based on extensive fieldwork and interviews the book examines the origins of Israel s population policies and how they must change to support a sustainable future     Global Politics Abraham Ben-Zvi,Aharon Klieman,2016-01-20 The essays in this volume discuss and assess the philosophies and writings of Professor David Vital They aim to develop his work within modern diplomacy issues relating to modern Jewish history and within the State of Israel and its conduct of foreign relations
