Men of Courage Larry Crabb, 2013-05-07 Men today have locked horns with their toughest issue: reclaiming the full potential of manhood. Bestselling author Dr. Larry Crabb asks, "What gives manhood definition and meaning?" In this updated and expanded edition of *The Silence of Adam*, Crabb and his colleagues, biblical scholar Don Hudson and counselor Al Andrews, offer a fresh look at how God designed men. The book deals thoughtfully and honestly with men's ongoing struggles and exposes the difficulties they have in relationships. It presents the rich calling men have to reveal God in ways uniquely masculine. And it summons them beyond their paralyzing fear of failure to bold risk-taking, courageous action, deep spirituality, and full-hearted living. This new edition includes an Epilogue from Dr. Larry Crabb. Study Guide, Individual or Group Format Use.

God, Why Didn't He Cover Me? Karen D. Reid, 2008-11 GOD WHY DIDN'T HE COVER ME DISCLAIMER: This is not the typical tell-all story; it is an uncompromising expose. Emotionally and sexually abused by religious leaders, God has anointed me in the area of my affliction to purely expose the devices of Satan and challenge the Body of Christ to raise the standard of holiness, purity, and integrity. As I am willing to become transparent in this three-part series, *From Mistress to Ministry*, my testimony capitalizes on scriptural references and information in conjunction with past experiences to present a biblical reformation that will promote genuine holiness in a wayward church. The principle of spiritual warfare is that we must be called to order before we can advance to the next level of victory. My objective is three-fold: to nurture damaged spirits, to foster a healing process for

victims of abuse and to present the deliverance that repentance brings to those who are trapped in sexual sins Pastors can God count on you to avoid the damaging effects of committing spiritual incest Husbands can your wives trust you to shun the immoral acts of adultery fornication Fathers can your daughters lean on you to steer clear of raping them of their innocence Teachers can our children expect you to be mentors and not molesters Executives can your subordinates rely on you to refrain from sexual harassment violations Officials can your citizens depend on you to protect us against economic hardship President of the United States can God trust you to call this nation back to Him and snatch us out of the hand of the enemy More than mere members of an organization or a population we are your sons and daughters Powerful ambassadors of God will you cover us in our imperfections and not continue to exploit our vulnerabilities For the time is come that judgment deliverance through investigation or examination must begin at the house of God When the Kingdom of God does not influence the nation through truth and righteousness the leadership of the nation is not equipped to positively affect its citizens However the nation cannot be healed until the church has been cleansed Thus we can not afford to remain complacent to the issues of clergy misconduct and the abuse and misuse of spiritual power Secret issues can only be eradicated by exposing old wounds otherwise hidden infection will inevitably spread throughout the Body In presenting this 21st century exposition of the consequences of making ungodly decisions I minister based on where I am after I have judged myself based on where I was Therefore seeing we have this ministry as we have received mercy we faint not but have renounced the hidden things of dishonesty not walking in craftiness nor handling the Word of God deceitfully but by manifestation of the truth commending ourselves to every man s conscious in the sight of God II Cor 4 1 2 What If God Has a Vagina? John Casperson, 2020-04-01 Stars and galaxies atoms and molecules all created so to render a divine arena for God to love man and for man to love God Atoms and molecules of our bodies observe the same physical laws as those stars of the cosmos Yet divinity rests not with the stars but within each of us whose spirit seeks to touch them In the twenty first century it is now more appropriate to equate gender identity with a spiritual hemisphere masculine or feminine than merely biological plumbing genitalia I think too that the Golden Rule Do unto others as you would have them do unto you falls short of the mark unless the statement applies to animals and plants Misogyny the hatred of women Or more provocatively is misogyny the hatred of being attracted to women Evil resides within one s own mind and is pointed toward other people as hate envy bigotry racism etc The mind is a wonderful window for the sun to shine in but only works if the shades are open Men and women participate in the game of sex the board is the same but men bring checkers and women bring chess pieces The most marvelous sex organ isn t between the legs it s between the ears Let s be clear worship is not love Worship is idolatry love is love We seek expression sexual or otherwise without hindrance to seek and discover self our unique identity our inner yearning to reach for infinity left behind yet achingly just ahead Our souls strive for freedom and in so doing What we commonly call man the eating drinking counting man does not as we know him represent himself Him we do not respect

But the soul whose organ he is would make our knees bend When it breathes through his intellect it is genius When it breathes through his will it is virtue When it flows through his affection it is love Walt Whitman The Exceptional Man M.
