A. Downie,2020-11-09 Henry Fielding In Our Time publishes many of the papers presented at the international conference held at the University of London 19 21 April 2007 to commemorate the tercentenary of his birth Written by established scholars including the acknowledged doyen of Fielding scholars Martin C Battestin of the University of Virginia as well as younger scholars who successfully bring their recent research to bear on neglected areas of Fielding s life and works the essays offer a cross section of current approaches to Fielding and his writings from his ballad operas poetry and political journalism via Joseph Andrews Tom Jones and Amelia the novels for which he is still best known to the social pamphlets written during his years at Bow Street as magistrate for Westminster and Middlesex The collection should appeal both to undergraduate and postgraduate students as well as academics and general readers interested in the eighteenth century in general and Fielding s contribution to the emergence and development of the novel form in particular The Ways of Fiction Nicholas J. Crowe,2019-01-15 The essays gathered here capture fresh perspectives on the literary environments of the eighteenth century The core concern of this volume is culture the ways in which it shapes literature and is in turn influenced by it the ways of fiction Especially commissioned from experts in the field essays cover the whole of the century embracing such themes as class gender nationhood politics and identity Through scrutiny of familiar and less well known authors alike the collection forms a stimulating and provocative anthology It will naturally appeal to scholars and students of the novel as well as to historians of culture and all those concerned with eighteenth century studies A broader readership will also find much here to enhance their appreciation of fiction as a cultural artefact Responding to a growing fascination with this period in British history these essays open vital new perspectives on the novel at a key moment in its development **Tom Jones, the history of a foundling, ed. by J.E.M.
