The Real Thirteenth Step Tina B. Tessina, 1993 *The Thirteenth Step: The Secret of Becoming a Coworker with the Higher Power of God* Michael Basso, *The 13th Step: a Guide to Recovery Through Self-Value* Susan Joy Kearney, 2018-10-17 Sue's sense of humour and zest for life are reflected in her narration. The 13th Step is not about the predatory thirteenth step experienced by some in twelve step programmes. In this book Sue helps those who are ready to grasp life firmly and make the changes necessary to live fully. She writes with honesty and integrity about her life experiences and subsequent personal development to create change. She shares all the tools she used to transform her own life, hoping it may be of help to others.

Thirteen Steps Down Ruth Rendell, 2010-04-23 From the multi award winning author of *The Babes in the Wood* and *The Rottweiler*, a chilling new novel about obsession, superstition and violence set in Rendell's darkly atmospheric London. Mix Cellini, which he pronounces with an S rather than a C, is superstitious about the number 13. In musty old St Blaise House, where he is the lodger, there are thirteen steps down to the landing below his rooms, which he keeps spick and span. His elderly landlady Gwendolen Chawcer was born in St Blaise House and lives her life almost exclusively through her library of books, so cannot see the decay and neglect around her. The Notting Hill neighbourhood has changed radically over the last fifty years, and 10 Rillington Place, where the notorious John Christie committed a series of foul murders, has been torn down. Mix is obsessed with the life of Christie, and his small library is composed entirely of books on the subject. He has also developed a passion for a beautiful model who lives nearby, a woman who would not look at him twice. Both landlady and lodger inhabit weird worlds of their own. But when reality intrudes into Mix's life, a long pent-up violence explodes.

The 13th Step Jude Currivan, Ph.D., 2009-01-01 In 1998, scientist, healer, and mystic Jude Currivan heard an inner message, a call to undertake a global quest that would transform her life and take her and her fellow travelers on an inner and outer odyssey that would ultimately reveal our hidden heritage and cosmic destiny. The initial intention of these journeys was to activate the healing energies of 12 ancient Lemurian artifacts around the earth to support the collective shift of awareness prophesied for 2012. But an even deeper purpose began to unfold. The native elders of indigenous traditions around the world say that in these momentous times, we are the ones we have been waiting for. As did the heroes of mythology, we are now about to embark on a spiritual quest to remember the wholeness of who we really are. The 12 activations and the opening of a galactic portal were completed during the December solstice of 2003, but in 2006 a further call heralded a 13th healing journey. This book shares an inspirational message of hope and reconciliation. It offers an empowering call for every one of us to embody our own divinity and fulfill our highest purpose as the heroes of this transformation.
