Regional Problems Policies In Italy

Gavin McCrone

Regional Problems Policies In Italy:

Regional Problems and Policies in Italy and France Kevin Allen, Malcolm Cameron MacLennan, 1970 Regional Problems and Policies in Italy and France Kevin Allen, M. C. MacLennan, 2024-11-01 First published in 1970 *Regional Problems and Policies in Italy and France* examines the problem of regional imbalance in two important countries of Western Europe and emphasizes that policies aimed at promoting regional development must form an integral part of national economic policies The book is divided into three parts Part I Regional Problems and Policies in Italy part II Regional Problems and Policies in France and part III Regional Policy Three Issues Part I and II analyze how regional policy in France and Italy has moved away from the public assistance type of intervention into new broader approaches which require reorganization of traditional procedures change in economic structures introduction of new products and methods of production movement of workers between areas and occupations and shifts in geographical distribution of population and employment Part III explores regional planning and growth centres or growth areas in the light of French and Italian experiences It further analyses the regional effects of the EEC and gives a brief account of how British regional problems and policies would be affected by the membership of Community This volume is an essential reading for students of Western European governmental policy and the European Economic Community **OECD Studies on SMEs and**

Entrepreneurship Italy: Key Issues and Policies OECD, 2014-11-18 This review underlines some important points of strength with respect to Italian SMEs and entrepreneurship notably for medium sized firms that very often excel in their market niches have a strong propensity to business collaboration as well as favourable access to finance *Industrial Change and Regional Economic Transformation* Lloyd Rodwin, Hidehiko Sazanami, 2017-08-22 Originally published in 1991 This book deals with industrial and regional changes in Western Europe and the effectiveness of policies designed to cope with them It examines the regional experiences including successes as well as problems to illuminate the trends and policies raises questions about the issues and reports on the effects and further implications for not just Europe but Japan and many newly industrializing countries Analysing the evolution and effectiveness of local regional national and European policies this is of interest for industrial and development specialists as well as economists planners geographers and policy makers

The Politics of Regional Policy in Japan Richard J. Samuels, 2014-07-14 This is the first major study of politics and public administration in Japan to balance the prevailing view of the regional policy process from above with a view from below Developing a comparative framework for understanding the place of localities in policy making he demonstrates that relations among localities in Japan are much more important than previously supposed Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to

vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Regional Policy in the European Community Douglas Yuill, Kevin Allen, Chris Hull, 2025-09-12

Regional Policy in the European Community 1980 presents a structured overview of regional incentives and policy in the European Community countries set in the context of the regional problem in those countries Four main policy elements can be isolated in EEC countries infrastructure investment the use of state owned or state controlled firms to help develop problem regions the use of disincentives in regions under pressure and regional incentive expenditure This book treats each of the EEC countries systematically examining the problem the development of policy the incentives and a comparison with other countries OECD Studies on Tourism Italy: Review of Issues and Policies OECD, 2011-06-22 This report sets out the main analysis and recommendations of the OECD tourism policy review of Italy

Economic Growth and Cohesion Policy Implementation in Italy and Spain Mattia Casula, 2020-05-20 This book concerns EU Cohesion Policy and the economic convergence of underdeveloped regions in Italy and Spain from the first programming period to the present it investigates the political and institutional factors that determine the success or failure of implementing EU Cohesion Policy at national and sub national level as well as their impact on economic growth On the wave of the American tradition of development studies this book suggests that public policy analysis can be fruitful for understanding economic growth and cohesion if it were to reconstruct domestic public interventions for development and the institutional characteristics of the subjects responsible for pursuing development goals To do so this book derives its theoretical foundations from the traditional debate on the role of state actors in promoting economic development and on the institutional characteristics that the public authorities involved in the process of economic development should display More precisely by adopting an Hirschmanian approach to development it elaborates an original framework to compare different Cohesion Policy implementations and to understand its economic results in different countries using Italy and Spain as pilot studies

Policy Issues in the Operation of Currency Unions Paul R. Masson, Mark P. Taylor, 1993-09-23 An overview and the latest research on single currency areas in Europe the US and the former USSR *Regional Policy in Europe* S.S Artobolevskiy, 2012-10-12 Based on the author's extensive research in the field this book analyzes regional policy for the whole of Europe Comparing East and West it offers a new model of regional policy and gives an overview of the direction that it may take in Europe as a whole Topics covered include the evaluation of regional policy its main aims its infrastructure in Western Europe its form in Eastern Europe and the development of regional policy from 1917 to the 1990s The book is intended for professionals and academics working in the areas of regional studies economics and policy studies *The Regional Dimension in European Public Policy* Reiner Martin, 1999-05-09 This book analyses EU regional policy and its co ordination with other European and national public policies namely investment grants research and development policy and transport policy The analysis identifies shortcomings within EU regional policy as well as co ordination problems with other

public policies *Area Redevelopment Policies in Britain & The Countries of the Common Market* University of California, Los Angeles. Institute of Industrial Relations,1965 **Economic Redevelopment Research: Area Redevelopment**

Policies in Britain and the Countries of the Common Market United States. Area Redevelopment Administration,1965

Regional Policy in Britain Gavin McCrone,2017-09-05 Originally published in 1973 At that time imbalance in the economic performance of regions had become of increasing concern to politicians and economists in many European countries British policy was of particular interest not only because the changes of the 1960s made it more comprehensive than in most other countries but as some sort of regional policy had been in operation for more than thirty years many lessons could be learned from its evolution This book provides a comprehensive study of this aspect of British policy It starts by outlining the nature of the British regional problem the case for a policy and the contribution of economic theory to the understanding of the regional question In later Parts the development of British policy up to 1967 is described along with its impact on the performance of individual regions and different measures are evaluated with a view to increasing the effectiveness of policy The final chapter outlines the regional policy of the European Economic Community and shows what effect membership would have on British policy The Dynamics of Chinese Regional Development Jane Golley,2007-01-01 This is a survey of

the competing or sometimes complementary roles of the state and the market in shaping China s pattern of regional development during the Communist era **Regional Problems and Policies in OECD Countries** Organisation for Economic Co-operation and Development,1976 OECD Territorial Reviews: Bergamo, Italy 2001 OECD,2001-10-10 OECD

s territorial review of Bergamo Italy provides provides advice and guidelines on how new policies may be put into practice based on experience adn best practices in other countries *OECD Regional Development Studies Regional Development Policies in OECD Countries* OECD,2010-09-28 This book is a handy reference guide to the regional policies of OECD

countries and a broader analysis of trends in regional policies based on sound comparable information **European**

Economic Integration Miroslav Jovanovic,2002-09-11 In this major new text Miroslav N Jovanovic presents an analysis of all the major aspects of economic integration in the European Union Beginning with an overview of the origins of European integration he moves on to discuss in detail all the main policy areas These include monetary policy competition policy industrial policy fiscal policy trade policy the Common Agricultural Policy foreign direct investment regional policy The volume also includes a discussion of less well known policy areas such as social policy environmental policy and transport policy Containing an excellent blend of theory and practice and presenting a highly complex issue in an accessible and non technical way this text will be an invaluable resource for students of international economics international business and European studies *A New Regional Policy for the UK* John Adams,Peter Robinson,Anthony Vigor,2003
