0. INTRODUCTION

A Ph D thesis or dissertation is a document submitted in support of candidature for an academic degree or professional qualification presenting the author's research and findings. The doctoral thesis or a dissertation represents a very formal and focused form of research. The complexity and quality of research of a thesis or dissertation can vary by country or by university or programme. A Ph D thesis represents the culmination of a student's knowledge and experience gained during his/her education. In order to be awarded a Ph D, one must be able to demonstrate mastery over a given subject. Research is considered to be
