Episodes in a Rich Life Raymond Wentworth, 2011-03 What s this about Episodes in a Rich Life asked my Imaginary Friend I m always embarrassed when my IF speaks up but glad that this time we were that is that I was alone If I ever admitted to the world my IF exists some would doubt my sanity Others would have their opinions confirmed I can t remember a time my IF continued when you ve had enough in your pocket to talk about being rich I looked around saw no one in earshot and broke my rule against replying to my IF There are ways of being rich without having much cash I explained You can have friends enjoy experiences learn much about a multitude of things all of that and more And you can properly consider yourself rich When you put it like that my IF admitted I can see your point One more thing you mustn t forget And what s that I wondered Maybe I should have put it in my book You always have me said my IF This conversation is over I said In fact it never happened Not long after I retired I joined a Journal Writers group of senior citizens Each week I had to write and read to the group a page or so telling what had happened to me either during the week previous or sometime in the past I have bundled many of these Episodes into more or less related groups that I call Chapters but the reader may call them Aggregations I sincerely hope not Aggravations The point is I have experienced these Episodes and enjoyed most of them and I hope the Reader enjoys them too whether reading straight through the book or doing random sampling
