COMBEE Edda L. Fields-Black, 2024 COMBEE is based upon original research and offers the first full account of Tubman's Civil War service and the Combahee River Raid In the process it also offers the story of enslaved families living in bondage and fighting for their freedom and does so using their own distinct and individual voices *Resisting Redemption at the Georgia Polls* Richard Hogan, 2023-12-22 After the Civil War as Black freedmen prepared to exercise their new voting rights in Georgia white supremacist groups rose to restrict their ability Georgians faced a new prospect for brokering a class based electoral coalition of white yeomen and Black freedmen The failure of Reconstruction echoes today as Georgia remains a voting rights battleground This book details this struggle for racial justice and democracy in postwar Georgia with an eye on issues that have persisted more than 150 years later *Women and the American Civil War* Theresa McDevitt, 2003-09-30 The first reference work to draw together the stories and studies of women in the American Civil War this annotated bibliography offers access to the literature that documents the history of women who experienced the war changed it and were changed by it Offering nearly 800 entries it lists both primary and secondary sources classic and current works and items in print and available on the Internet Drawing together over one hundred years of writings *Women in the American Civil War An Annotated Bibliography* is an invaluable resource for readers and researchers interested in this neglected topic During the American Civil War women played a highly significant role yet modern writers often overlook their experiences and contributions *Women in the American Civil War An Annotated Bibliography* is the first reference work to focus exclusively on women in the war Sections list sources on such diverse topics as women as nurses and medical relief workers women's changing economic roles their lives as refugees as spies and scouts or in military camps It also looks at the literature on the miscellaneous topics of women in public wives of politicians and military commanders family life and women on the wrong side of the law **Citizen-General** Eugene D. Schmiel, 2014-04-01 The wrenching events of the Civil War transformed not only the United States but also the men unexpectedly called on to lead their fellow citizens in this first modern example of total war Jacob Dolson Cox a former divinity student with no formal military training was among those

who rose to the challenge In a conflict in which political generals often proved less than competent Cox the consummate citizen general emerged as one of the best commanders in the Union army During his school days at Oberlin College no one could have predicted that the intellectual reserved and bookish Cox possessed what he called in his writings the military aptitude to lead men effectively in war His military career included helping secure West Virginia for the Union jointly commanding the left wing of the Union army at the critical Battle of Antietam breaking the Confederate supply line and thereby helping to precipitate the fall of Atlanta and holding the defensive line at the Battle of Franklin a Union victory that effectively ended the Confederate threat in the West At a time when there were few professional schools other than West Point the self made man was the standard for success true to that mode Cox fashioned himself into a Renaissance man In each of his vocations and avocations general governor cabinet secretary university president law school dean railroad president historian and scientist he was recognized as a leader Cox s greatest fame however came to him as the foremost participant historian of the Civil War His accounts of the conflict are to this day cited by serious scholars and serve as a foundation for the interpretation of many aspects of the war Seeking the One Great Remedy Lorien Foote,2003 This is a practical field guide to common dental procedures for horses Beginning with a chapter on the integration of dentistry into the veterinarian s practice the manual proceeds from basic concepts to more advanced techniques in sequential order by chapter **The Civil War Bookshelf** Robert Wooster,2005-06 The Civil War continues to capture the public s imagination as evidenced by the popularity of the Ken Burns documentary The Civil War and recent bestsellers like Charles Frazier s Cold Mountain *American Studies* Jack Salzman,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *Journal of the Civil War Era* William A. Blair,2014-06-01 The Journal of the Civil War Era Volume 4 Number 2 June 2014 TABLE OF CONTENTS Tom Watson Brown Book Award John Fabian Witt Civil War Historians and the Laws of War Articles Chandra Manning Working for Citizenship in Civil War Contraband Camps Michael F Conlin The Dangerous Isms and the Fanatical Ists Antebellum Conservatives in the South and the North Confront the Modernity Conspiracy Nicholas Guyatt An Impossible Idea The Curious Career of Internal Colonization Review Essay John Craig Hammond Slavery Sovereignty and Empires North American Borderlands and the American Civil War 1660 1860 Book Reviews Books Received Professional Notes Jill Ogline

Holier Spot of Ground Kristina Dunn Johnson,2009-04-06 The monuments of South Carolina bear on their weathered faces
 and cracked tablets a history of honor and of memory embodied in stone Whether revealing the lost graves of Southern sons
 unveiling the history of the only national cemetery to inter Confederate soldiers alongside the Union fallen during wartime or
 recording the simple obelisks that reach for heaven throughout the Palmetto State this volume is a story of remembrance and
 of mourning Kristina Dunn Johnson curator of history with the South Carolina Confederate Relic Room and Military Museum
 shares with us the powerful stories of memory and acceptance that are the legacy of the Confederacy as varied as those who
 lie beneath the Southern soil *Somewhere Toward Freedom* Bennett Parten,2025-01-21 A groundbreaking account of
 Sherman s March to the Sea the critical Civil War campaign that destroyed the Confederacy told for the first time from the
 perspective of the tens of thousands of enslaved people who fled to the Union lines and transformed Sherman s march into
 the biggest liberation event in American history In the fall of 1864 Gen William T Sherman led his army through Atlanta
 Georgia burning buildings of military significance and ultimately most of the city along the way From Atlanta they marched
 across the state to the most important city at the time Savannah Mired in the deep of the South with no reliable supply lines
 Sherman s army had to live off the land and the provisions on the plantations they seized along the way As the army marched
 to the east plantation owners fled but even before they did so slaves self emancipated to Union lines By the time the army
 seized Savannah in December as many as 20 000 enslaved people had attached themselves to Sherman s army They endured
 hardships marching as much as twenty miles a day often without food or shelter from the winter weather and at times Union
 commanders discouraged and even prevented the self emancipated from staying with the army Racism was not confined to
 the Confederacy In *Somewhere Toward Freedom* historian Bennett Parten brilliantly reframes this seminal episode in Civil
 War history He not only helps us understand how Sherman s March impacted the war and what it meant to the enslaved but
 also reveals how it laid the foundation for the fledgling efforts of Reconstruction When the war ended Sherman and various
 government and private aid agencies seized plantation lands particularly in the sea islands off the Georgia and South
 Carolina coasts in order to resettle the newly emancipated They were fed housed and in some instances taught to read and
 write This first real effort at Reconstruction was short lived however As federal troops withdrew to the north Confederate
 sympathizers and Southern landowners eventually brought about the downfall of this program Sherman s march has
 remained controversial to this day But as Parten reveals it played a significant role in ending the Civil War due in no small
 part to the efforts of the tens of thousands of enslaved people who became a part of it In *Somewhere Toward Freedom* this
 critical moment in American history has finally been given the attention it deserves The Fiery Trial: Abraham Lincoln and
American Slavery Eric Foner,2011-09-20 From a master historian comes the story of Lincoln s and the nation s
 transformation through the crucible of slavery and emancipation **Black Magic** Yvonne P. Chireau,2006-11-20 Black

Magic looks at the origins meaning and uses of Conjure the African American tradition of healing and harming that evolved from African European and American elements from the slavery period to well into the twentieth century Illuminating a world that is dimly understood by both scholars and the general public Yvonne P Chireau describes Conjure and other related traditions such as Hoodoo and Rootworking in a beautifully written richly detailed history that presents the voices and experiences of African Americans and shows how magic has informed their culture Focusing on the relationship between Conjure and Christianity Chireau shows how these seemingly contradictory traditions have worked together in a complex and complementary fashion to provide spiritual empowerment for African Americans both slave and free living in white America As she explores the role of Conjure for African Americans and looks at the transformations of Conjure over time Chireau also rewrites the dichotomy between magic and religion With its groundbreaking analysis of an often misunderstood tradition this book adds an important perspective to our understanding of the myriad dimensions of human spirituality

Decoding **Rehearsal For Reconstruction The Port Royal Experiment**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Rehearsal For Reconstruction The Port Royal Experiment**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
