Historical Dictionary of Berlin Ulrike Zitzlsperger, 2021-01-21 After World War II Berlin became one of the playgrounds of the Cold War the Berlin Wall made the division between East and West between capitalism and communism in 1961 highly visible though it did remove Berlin from front line politics East and West Berlin had turned into shop windows of ideologies West Berlin representing the lure of a market economy East Berlin the promise of socialism It is then fitting that the fall of the Wall in 1989 awarded Berlin such a prominent role It was here that the development after Reunification of East and West became a closely observed event and well beyond Germany Berlin appeared to represent fundamental developments throughout Europe at the time Today Berlin is the capital of reunified Germany and therefore one of the key political players in the European Union EU and it's now a desirable destination for young entrepreneurs The *Historical Dictionary of Berlin* contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities places institutions and events This book is an excellent resource for students researchers and anyone wanting to know more about Berlin

The Spirit of the Berlin Republic Dieter Dettke, 2003 The Berlin Republic has become the key concept of post Cold War Germany and as such has been widely discussed inside as well as outside Germany Symbolized by the move of the government from Bonn to Berlin it signals all the tangible and intangible changes in Germany's position in the world that have taken place during the 1990s Well known German authors decision makers and cultural leaders as well as internationally renowned experts on German affairs contribute to this volume examining various aspects of the New Germany and its old new capital such as history foreign policy art architecture and culture In this way the reader gains a varied but comprehensive picture of Germany after unification as perceived by its neighbors friends and allies

Berlin Contemporary Julia Walker, 2021-11-18 For years following reunification Berlin was the largest construction site in Europe with striking new architecture proliferating throughout the city in the 1990s and early 2000s Among the most visible and the most contested of the new projects were those designed for the national government and its related functions *Berlin Contemporary* explores these buildings and plans tracing their antecedents while also situating their iconic forms and influential designers within the spectacular world of global contemporary architecture Close studies of these sites including the Reichstag the Chancellery and the reconstruction of the Berlin Stadtschloss now known as the Humboldt Forum demonstrate the complexity of Berlin's political and architectural rebuilding and reveal the intricate historical negotiations that architecture was summoned to perform
