Freeman,2015-07-16 Excerpt from The Reign of William Rufus and the Accession of Henry the First Vol 1 of 2 I Have now been able to carry out the design which I spoke of in Prefaces to the fifth volume and to the second edition of the fourth volume of my History of the Norman Conquest I have endeavoured to work out in detail the two sides of the memorable years with which I deal in these volumes their deep importance for general and specially for constitutional history and their rich store of personal and local narrative In the former aspect I believe I may claim to be the first to have dealt at length with the history of Bishop William of SaintCalais a history of deep constitutional importance in itself and more important still with reference to the career of Anselm It is no small matter to be able to show that it was not Anselm but Anselms enemy who was the first to appeal from an English court to the see of Rome In this matter I have I trust brought out into its full importance a piece of history which has never as far as I know been told at length by any modern writer though Dr Stubbs has shown full appreciation of its constitutional bearings About the Publisher Forgotten Books
