Diplomacy Before the Russian Revolution M. Hughes,1999-09-30 This book reassesses the transformation of European diplomacy which took place at the beginning of the twentieth century It focuses on the British and Russian diplomatic establishments during the years 1894 1917 in order to illustrate both the heterogeneity and complex nature of the Old Diplomacy The book will ground discussion in a series of case studies designed to illustrate both the benefits and the pitfalls of generalizing about a complicated process of transformation that had a range of social political administrative and psychological dimensions Jacob Schiff and the Art of Risk Adam Gower,2018-06-19 Jacob Henry Schiff 1847 1920 a

German born American Jewish banker facilitated critical loans for Japan in the early twentieth century Working on behalf of the firm of Kuhn Loeb Co Schiff s assertiveness in favour of Japan separated him from his fellow German Jewish financiers and the banking establishment generally This book s analysis differs from the consensus that Schiff funded Japan largely out of enmity towards Russia but rather sought to work with Japan for over thirty years This was as much a factor in his actions surrounding the Russo Japanese War 1904 1905 as his concern to thwart Russian antisemitism Of interest to financial historians alongside Japanese historians and academics of both genres this book provides a lively and thoroughly researched volume that precisely focuses on Schiff s mastery of banking *Ivor Gurney & Marion Scott* Pamela Blevins,2008 This dual

biography of Ivor Gurney and Marion Scott tells the dramatic story of two geniuses who met at the Royal College of Music in 1911 and formed an unlikely partnership that illuminated and enriched the musical and literary worlds in which they moved Gurney s poetry and songs have taken their place as part of the inheritance of England Scott Gurney s strongest advocate emerges from his shadow for the first time Her own remarkable achievements as a pioneering music critic musicologist advocate of contemporary music and women musicians place her among the most influential and respected women of her generation Based on original research this is the first biography of Gurney since 1978 and the only biography of Scott It offers new in depth perspectives on Gurney s attempts to create music and poetry while struggling to overcome the bipolar illness that eventually derailed his genius and restores Marion Scott s rightful place in music history **Inside the Enigma**

Michael Hughes,1997-01-01 The twentieth century has been fundamentally shaped by changes in Russia where disaster in

the First World War was followed by the fall of the Tsar Nicholas II's replacement first by Kerensky's liberal government then by the Bolsheviks and the subsequent Civil War and foreign intervention led to the erection of a system of state tyranny previously unthought of. The Bolshevik regime with its ideological hatred of other regimes was a threat to the west where developments in Russia were watched with both horror and fascination. Britain's information about this series of extraordinary events and about what might be about to happen next was largely dependent on the small number of British officials mainly diplomats posted in Russia. Inside the Enigma gives us a view from an unusual and privileged angle of the history of Russia between the turn of the century and the beginning of the Second World War. The discomforts and privations suffered by British officials were matched by their frustration. Impenetrable Tsarist court intrigue was replaced by a wall of disinformation and suspicion after the Bolshevik seizure of power. Nevertheless what they saw and reported makes remarkable reading. Bowker's Complete Video Directory, 1999, 1999 **Dmitri Shostakovich Catalogue** Derek C.

Hulme, 2010-02-18 Dmitri Shostakovich 1906-75 was one of the greatest composers of the 20th century as well as the first major Soviet composer. In the fourth edition of *Dmitri Shostakovich Catalogue The First Hundred Years and Beyond* Derek C Hulme names and describes all known musical compositions of the Russian composer. More than 175 major works are annotated and discussed including such comprehensive details as titles and subtitles, dates of composition, instrumentation and duration, information on dedications and premieres, arrangements by the composer and others, publication details, notes on bibliographical references and the location of the autograph score and comprehensive chronological lists of vinyl, compact disc and visual recordings. The entries are presented chronologically and by opus number while indexes of names and compositions provide full accessibility. Several appendixes supplement the volume, guiding readers to further information in published sources and providing information on the composer's film, radio, television and theatre productions, his abandoned projects and obscure works and his recordings including box sets and special USSR recordings. An appendix also discusses the monogram DSCH, a musical motif based on his name that permeates his compositions. This new edition also includes a comprehensive chronological chart of Shostakovich's works and historical events and several plates of memorabilia.

Rogue Agent James Crossland, 2025-05-06 Taking the reader on a colorful journey from the Russian Revolution through both world wars, this is the story of the riveting life of maverick spy Robert Bruce Lockhart. Diplomat, conspirator, intelligence gatherer, propagandist and charmer, *Rogue Agent* tells the colorful story of London's key agent in Moscow during the first half of the twentieth century. Sir Robert Bruce Lockhart, 1887-1970, was an impressive figure who played a vital role in both world wars. He was a man who charmed his way into the confidences of everyone from Leon Trotsky to Anthony Eden. A man whom the influential press baron Lord Beaverbrook claimed could well have been prime minister. And yet Lockhart died almost forgotten and near destitute, a Scottish footnote in the pages of history. *Rogue Agent* is the first biography of this gifted yet habitually flawed maverick. It chronicles his many exploits from his time as Britain's

agent in Moscow and his role in a plot to bring down the communist regime to his leadership in the Political Warfare Executive a secret body responsible for disinformation and propaganda during World War II Exploring Lockhart's unorthodox thinking and contributions to the development of psychological warfare as well as his hedonistic lifestyle late nights and many affairs that left him in a state of perpetual debt and emotional turmoil *Rogue Agent* presents the thrilling and dramatic tale of this unconventional war hero
