Who Are We? William Sowder, Dr. Juanita Christopher, 2017-12-27 In this book among other sources we have compiled key thoughts and material that were dictated to Alice Bailey starting in the 1920s and continuing through the 1960s from the Tibetan master Djwhal Khul As you see in the references she wrote eighteen books which were published by Lucis Publishing Company New York Djwhal Khul shared this material from another dimension giving us a new perspective We highly recommend these books because Djwhal Khul is in a higher vibrational dimension working and aiding us in an enlightened evolution What we have added to this book is some of our thoughts about the energies to which Khul refers We know very little about these energies and this material presents a challenge to us in our evolutionary sojourn Each of us must pursue our understanding and knowledge about these energies This is our goal and our reason for writing this book Good travels to you

Reincarnation: A Study in Human Evolution Théophile Pascal, 2019-12-17 In Reincarnation A Study in Human Evolution Th ophile Pascal embarks on an insightful exploration of the philosophical and metaphysical implications of reincarnation within the broader context of human development Written in a scholarly yet accessible style Pascal s work intricately weaves together historical beliefs psychological perspectives and spiritual doctrines drawing extensively on cross cultural examples to illustrate how the concept of rebirth has shaped collective human consciousness The book is notable for its critical examination of reincarnation not merely as a religious tenet but as a significant player in the evolutionary narrative of humanity engaging with existential questions that resonate across time and cultures Th ophile Pascal a philosopher and cultural historian has dedicated his career to the study of metaphysics and the intersection of spirituality with human psychology His deep interest in various religious traditions and their historical contexts has provided him with a unique lens through which to consider reincarnation

Drawing from his extensive research and personal experiences, Pascal compellingly argues for a renewed appreciation of reincarnation's role in shaping personal and societal identities. This book is highly recommended for scholars of philosophy, psychology, and religious studies, as well as general readers intrigued by the profound questions of existence. Pascal's engaging narrative and thought-provoking analyses make *Reincarnation: A Study in Human Evolution* not only an academic endeavor but also a transformative exploration of what it means to be human.

Atmakarak: The Journey of the Soul Navneet Singh, Introduction: The Eternal Path of the Soul. In the vast expanse of the cosmos, the soul embarks on a journey—a journey beyond the confines of the material world towards understanding transcendence and ultimate liberation. This journey is known as the *Atmakarak* in spiritual philosophy, a concept deeply rooted in Eastern traditions, particularly in Vedic and Jyotish astrological teachings. The word *Atmakarak* literally means the soul's significator in Sanskrit, derived from the words *Atma* (soul) and *Karak* (significator or indicator). In the context of astrology, the *Atmakarak* represents the planet that plays a key role in the soul's evolution, defining its deepest purpose and the challenges it must face in this lifetime. However, the concept of *Atmakarak* is not limited to astrology alone. It encompasses a profound spiritual philosophy that seeks to answer fundamental questions about life, death, purpose, and the journey of the soul. This book will explore the mysteries of the *Atmakarak*, its nature, its implications, and how it illuminates the path of self-realization, transformation, and spiritual liberation.

Chapter 1: The Nature of the Soul The soul is an eternal, divine spark that exists beyond time and space. It is the core of our consciousness, untouched by the physical limitations of the body. Understanding the nature of the soul is paramount to grasping the essence of the *Atmakarak*.

The Soul's Divine Origin According to ancient scriptures, the soul originates from the Supreme Being and carries with it a fragment of divinity. It is inherently pure and seeks to reunite with its source through spiritual evolution.

The Journey of Reincarnation The soul undergoes cycles of birth, death, and rebirth in various forms of existence. Each incarnation serves as a lesson, with the soul accumulating experiences that gradually shape its consciousness.

Karma and Dharma The soul's journey is intricately linked to the principles of karma (action and its consequences) and dharma (righteous duty or path). The *Atmakarak* reflects the soul's current life circumstances, challenges, and purpose in this cycle.

Chapter 2: The Atmakarak in Vedic Astrology In the field of Vedic astrology, the *Atmakarak* is the planet that holds the most significance for the soul's purpose in a given lifetime. This planet reveals the soul's highest desire and the lessons it needs to learn.

Determining the Atmakarak The *Atmakarak* is determined by the position of planets in the individual's natal chart. It is the planet with the highest degree in any sign. For example, if Venus is at 27 Aries and Mars is at 25 Aries, Venus would be the *Atmakarak*.

The Role of the Atmakarak The *Atmakarak* signifies what the soul is working towards in this life. It points to the ultimate spiritual goal, whether it is liberation, self-realization, or the resolution of specific karmic debts. The position of this planet in the birth chart shows the area of life that the soul needs to focus on for its evolution.
