Reincarnation Amazing True Cases From Around The World:

Reincarnation Roy Stemman,1998 Roy Stemman has had a lifelong interest in reincarnation Working for Psychic News and now editor of Reincarnation International he has access to the most interesting cases worldwide In this book he introduces some of those cases **Soul Mates** Richard Webster,2001 Popular metaphysical author Webster explores every aspect of the soul mate phenomenon in his newest release After learning of examples of soul mates from the author s own practice and famous soul mates from history readers will learn how to recall their past lives and strengthen their relationship so it grows stronger and better as time goes by **Kardec's Spiritism** Emma Inc. Bragdon,2012-11 Especially of interest to those involved with healing and healthcare The first book to describe contemporary spiritual healing centers in Brazil including a psychiatric hospital where spiritual healers collaborate with conventionally trained healthcare professionals There are more than 12 000 of these centers in Brazil 20 40 million Brazilians use this resource for spiritual growth healing and to maintain wellness These Centers welcome people of all religions and cultures offering effective forms of healing as a free service The introduction to the philosophy of Spiritism is presented in a clear easy to understand manner The description of the methods for healing used over more than 150 years demonstrate that Brazil has developed an effective model of integrative health care The author spent half of each year 2001 2012 in Brazil studying these centers and hospitals She is a psychologist teacher prolific author and pioneer in the area of healing and spiritual awakening She suggests that importing components of Brazil s Spiritist Centers could help us improve our ailing healthcare system **Воспоминания о прошлых жизнях. 12 проверенных методов** Ричард Уэбстер,2019-02-22 *Bookseller* ,1998 [African Wisdom](#) Owen Burnham,2000 Written by two members of a Senegalese village one the village elder this guide to traditional African wisdom offers insight into such subjects as the African creation story the wisdom of plants trees and sacred animals fostering spiritual health and the power of music and dance [Strange Stories About Hindu Saints, Temples And Historical Atrocities](#) London Swaminathan,2023-12-27 This book has a collection of articles to cater to the needs of people with different tastes They can be classified under five broad categories 1 Temples 2 Saints and Miracles 3 Stories about Gem Stones 4 Historical incidents and 5 Anecdotes I struggled a lot to find a common title to the book and at last decided at the current title after several additions commissions and omissions *Subject Guide to Books in Print* ,1991 [Dolphin Healing](#) Horace Dobbs,2000 Based on the author s work with dolphins this book expounds the virtues of the healing powers of dolphins It describes the history of man s interaction with dolphins and the positive benefits of this relationship **Pieces of the Puzzle, Volume 3 - The Afterlife and Infinite Beyond** Trinda Latherow,2015-12-22 Pieces of the Puzzle One title four volumes and countless stories that tell of both the mysterious and miraculous aspects to our world and us An epic adventure for the soul Volume 3 The Afterlife and Infinite Beyond The reality of an afterlife is what we can if only first believe and perceive of it to be [Stalking White Crows](#) Jack Crittenden,2019-12-14 How making up our minds and the makeup of our

minds can help us live better and die better We live in a climate where feelings trump reason and evidence Lies are treated as alternative facts At the same time it seems our culture does not want us to treat altered or higher states of consciousness seriously Focusing both on evidence and on such states of consciousness can reorient our attitudes Jack Crittenden asks the reader to think about life after death about the basis of morality and the essence of spirituality about the meaning of happiness about the path of dying and about the proper role of work in our lives and how education connects to that role What if our memories thoughts and whole personality lived on after we died What if morality were based on reasons and evidence and not on God and sacred texts What if happiness lies not in what we think how we feel and what we long for but in living in the present and in the dying of the self itself Experiences of and the evidence on altered and higher states of consciousness can lead us to better lives and better deaths

MYSTERY OF REINCARNATION J Danelek,2007-05-27

What if you found out that the life you re living today is not the only one you ll ever live but just one of many How would it change the way you look at the world around you and the people in it In this objective and balanced look at one of the great mysteries of our age you ll not only explore reincarnation s western roots and examine the compelling evidence to support it as well as examine the chief objections to it offered by the scientific and religious communities but explore the mechanics of reincarnation as well how it works on a practical level what it s trying to do on a spiritual level and what it all means to you as you go about your day to day life It s sure to not only get you thinking about your past but will force you to consider your present and future in ways you never imagined possible before

Rebirth as Doctrine and Experience Francis

Story,2000-12-01 Francis Story s interest in cases of rebirth memories finally led him to assist Dr Ian Stevenson in tracing investigating and studying such cases in Sri Lanka Thailand and India The present book contains Story s essays on the theme of rebirth as well as case studies that he undertook in collaboration with Professor Stevenson the foremost American investigator of reported rebirth memories These case studies which make fascinating reading lend strong evidential support to the hypothesis of rebirth and thus help to illuminate the ultimate questions concerning human destiny after death

Beyond Death Gary R. Habermas,J. P. Moreland,2004-01-29 Death and what lies beyond is not something you consider every day But the thought of it raises some intriguing questions Are there good reasons for believing in life after death What is the afterlife like How valid are the reports of near death experiences Do heaven and hell exist And if so how can hell be reconciled with a loving God By sharing the very latest scientific philosophical anthropological ethical and theological evidence on life after death noted Christian scholars Habermas and Moreland present a strong case for immortality with this book They begin by taking up the question of whether life after death is real and what evidence supports its reality They then explore what the afterlife is like and go on to show how having this reality in your future should affect the way you live here and now This book will reassure you that there s no need to fear death as long as you re prepared eternity that follows It s also a great aid in developing a serious biblical rational and even scientific defense for the belief in life beyond the grave

Ideal and Actual in the Story of the Stone Dore Jesse Levy, 1999 Levy explores the classic Chinese novel *The Story of the Stone* also known as *The Dream of the Red Chamber* illuminating the work by interpreting its four major themes the inversion of traditional family dynamics the function of illness and medicine in a Buddhist society the role of poetry in a dynastic Chinese society and the use of poetry as a vehicle for spiritual retribution *Researching the Paranormal* Courtney M. Block, 2020-06-28 The paranormal has long been a hotly contested topic especially in academia Most people are entertained by the paranormal or casually read a few books they come across on the topic perhaps assuming that these topics are nothing more than campfire fodder Of course there s nothing wrong with being entertained by the paranormal but how many people know that there is a long history of academic scientific and credible research into topics such as extrasensory perception hauntings poltergeists cryptozoological sightings near death experiences and more In *Researching the Paranormal* Courtney M Block provides an overview of paranormal research and introduces readers to an assortment of resources that seriously examine various paranormal topics She shows readers how to think critically about paranormal sources and how to apply the components of credibility when conducting their own paranormal investigations Highlighting the long history of serious academic inquiry into various paranormal topics Block provides citations to primary source documents journal articles helpful databases encyclopedias dictionaries and books In addition she provides a historical overview of various paranormal phenomena such as parapsychology cryptozoology ufology divination ghosts hauntings and more *International UFO Library: Vol. 3 No. 2* Joseph J.
