Reinhold Niebuhr and the Issues of Our Time Richard Harries, 1986 In the realm of public affairs Reinhold Niebuhr has been the most influential theologian of our century Although Niebuhr died in 1971 the issues he confronted war and peace revolution and nuclear weapons intervention and monetarism continued to dominate the 1980's and many feel the increasing lack of what Richard Harries calls a Niebuhrian dimension to the debates In this book a distinguished group of academic writers discuss current issues both intellectual and practical and ask what light Niebuhr can shed on them The result is a thought provoking and stimulating collection of essays *Reinhold Niebuhr* Reinhold Niebuhr, Larry L. Rasmussen, 1989

Amerikaanse theoloog Reinhold Niebuhr 1892 1971 Why Niebuhr Matters Charles Lemert, Prof Charles Lemert, 2011-11-29 Reinhold Niebuhr 1892 1971 was a Protestant preacher an influential religious thinker and an important moral guide in mid twentieth century America But what does he have to say to us now In what way does he inform the thinking of political leaders and commentators from Barack Obama and Madeleine Albright to David Brooks and Walter Russell Mead all of whom acknowledge his influence In this lively overview of Niebuhr s career Charles Lemert analyzes why interest in Niebuhr is rising and how Niebuhr provides the answers we ache for in the face of seismic shifts in the global order In the middle of the twentieth century having outgrown a theological liberalism Niebuhr challenged and rethought the nonsocialist Left in American politics He developed a political realism that refused to sacrifice ideals to mere pragmatism or politics to bitterness and greed He examined the problem of morality in an immoral society and reimagined the balance between rights and freedom for the individual and social justice for the many With brevity and deep insight Lemert shows how Niebuhr s ideas illuminate our most difficult questions today **Reinhold Niebuhr: Major Works on Religion and Politics (LOA #263)** Reinhold Niebuhr, 2015-04-07 A definitive collection of writings by the theologian and public intellectual who was the conscience of the American Century One of my favorite philosophers remarked Barack Obama about the theologian Reinhold Niebuhr 1892 1971 in 2007 President Obama is but one of the many American political leaders including Jimmy Carter and Martin Luther King Jr to be influenced by Niebuhr s writings Throughout the Depression World War II and the Cold War Niebuhr was one of the most prominent public voices of his time probing with singular style the question of how to act morally in a fallen world This Library of America volume prepared by Niebuhr s daughter is a collection of four indispensable books *Leaves from the Notebook of a Tamed Cynic* 1929 *Moral Man and Immoral Society* 1932 *The Children of Light and the Children of Darkness* 1944 and *The Irony of American History* 1952 and other essays sermons and lectures Notable entries include Niebuhr s world famous Serenity Prayer plus his writings on Prohibition the Allied bombing of Germany apartheid in South Africa and the Vietnam War many of which are collected here for the first time LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **The Doctrine of Humanity in the Theology of Reinhold Niebuhr** Kenneth Morris Hamilton, 2013-09-03 Reinhold Niebuhr was a twentieth century American theologian who was known for his commentary on public affairs One of his most influential ideas was the relating of his Christian faith to realism rather than idealism in foreign affairs His perspective influenced many liberals and is enjoying a resurgence today most recently Barack Obama has acknowledged Niebuhr s importance to his own thinking In this book Kenneth Hamilton makes a claim that no other work on Niebuhr has made that Niebuhr s chief and

abiding preoccupation throughout his long career was the nature of humankind Hamilton engages in a close reading of Niebuhr's entire oeuvre through this lens He argues that this preoccupation remained consistent throughout Niebuhr's writings and that through his doctrine of humankind one gets a full sense of Niebuhr the theologian Hamilton exposes not only the internal consistency of Niebuhr's project but also its aporia Although Niebuhr's influence perhaps peaked in the mid twentieth century enthusiasm for his approach to religion and politics has never waned from the North American public theology and this work remains relevant today Although Hamilton wrote this thesis in the mid 1960s it is published here for the first time Jane Barter Moulaison in her editorial gloss and introduction demonstrates the abiding significance of Hamilton's work to the study of Niebuhr by bringing it into conversation with subsequent writings on Niebuhr particularly as he is re appropriated by twenty first century American theology Reinhold Niebuhr on Politics Reinhold Niebuhr, 2003-01-01

Building a Protestant Left Mark Hulsether, 1999 He follows the twists and turns of this story from Niebuhr's Christian realist positions of the 1940s through Protestant participation in the complex social movements of the 1950s and 1960s to the emergence of various liberation theologies African American feminist Latin American and others that used C C as a central arena of debate in the 1970s and 1980s
