If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's new book is for you. Drawing on the tough, sometimes hilarious lessons Debbie learned in her own leap into a new way of living and a multitude of stories, tips, and ideas to jumpstart your dreams, she's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career and she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life, a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now, after a crazy amount of work, she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences when she started. Debbie could barely make a bed, let alone run a hotel in a foreign country, and the uplifting stories of personal turns shared by women who have come to her retreats. Debbie's commandments will inspire women and men who have lost track of who they are or what they want to be, who are going through the motions of a career that doesn't satisfy them anymore, who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life and her example, her wit, and her common sense advice will help motivate anyone who finds themselves standing at a crossroads wondering, "What's next for me?" *Reinvent* Beth Jones, 2020-05-05.
