Reinventing Funeral Service Vol 1 Product Merchandising

Mitchell P. Davis

Reinventing Funeral Service Vol 1 Product Merchandising:

The Deritualization of Death Charles Lynn Gibson, 2019-10-15 The problematic field of investigation for this study was for the care of bereaved human beings in the context of significant cultural shifts now shaping the twenty first century Deritualization was identified as a significant interdisciplinary concern that contributes to potential distress in processes of grieving The objective of the research was the development of a practical theology of compassionate caregiving for the bereaved with deference to the problem of deritualization The theoretical framework was guided by the Oxford Interdisciplinary Research model and the Loyola Institute of Ministries model of practical theology The study was designed for applied research for funeral directors and vocational pastors utilizing qualitative research methods Hermeneutical and empirical components addressed six research questions through two domains of inquiry disciplinary perspectives and educational dynamics of bereavement caregiving Using the method of hermeneutics to critically evaluate the first two research questions three disciplinary fields of knowledge were examined and integrated from the perspective of pastoral care funeral service bereavement psychology and practical theology Each discipline individually converged upon meaningful caregiving meaning reconstruction and meaning reframing as significant modes of bereavement care Using ethnographic semi structured interviews to critically evaluate the remaining four research questions data were collected from a Christian university and a mortuary college The interview questionnaire included twenty five main questions organized in four parts Philosophy of Education Hermeneutics of Bereaved Families Care of Bereaved Families and Encounter of Bereaved Families The study utilized two cycles of qualitative coding techniques to report the findings of each participating school A hybrid form of in vivo and holistic coding as well as a second cycle of pattern coding distilled the interview responses into actionable statements that reinforced bereavement caregiving By synthesizing all of the findings a compelling case was made for a paradigm of comforting presence supported by principles from a Louwian perspective of practical theology including theological anthropology promissiotherapy bipolarity and hermeneutics The study connected a philosophy of meaning reframing and a paradigm of comforting presence to a meta theoretical framework within a narrative approach to care The research elucidated an interdisciplinary understanding that contributed toward a compassionate practical theology of caregiving for the bereaved

Death in a Consumer Culture Susan Dobscha, 2015-12-22 Death has never been more visible to consumers From life insurance to burial plots to estate planning we are constantly reminded of consumer choices to be made with our mortality in mind Religious beliefs in the afterlife or their absence impact everyday consumption activities Death in a Consumer Culture presents the broadest array of research on the topic of death and consumer behaviour across disciplinary boundaries Organised into five sections covering The Death Industry Death Rituals Death and Consumption Death and the Body and Alternate Endings the book explores topics from celebrity death tourism pet and online memorialization family history research to alternatives to traditional corpse disposal methods and patient assisted suicide

Work from scholars in history religious studies sociology psychology anthropology and cultural studies sits alongside research in marketing and consumer culture From eastern and western perspectives spanning social groups and demographic categories all explore the ubiquity of death as a physical emotional cultural social and cosmological inevitability Offering a richly unique anthology on this challenging topic this book will be of interest to researchers working at the intersections of consumer culture marketing and mortality Marketing Michael R. Solomon, Elnora W. Stuart, 2000

Introducing marketing from a real world practical perspective this text lets students see how people just like them are actually doing real marketing Case studies focus on companies where the answers are not clear cut **Dilla Time** Dan Charnas, 2022-02-01 WINNER OF THE PEN JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY NEW YORK TIMES BESTSELLER This book is a must for everyone interested in illuminating the idea of unexplainable genius QUESTLOVE Equal parts biography musicology and cultural history Dilla Time chronicles the life and legacy of J Dilla a musical genius who transformed the sound of popular music for the twenty first century He wasn't known to mainstream audiences even though he worked with renowned acts like D Angelo and Erykah Badu and influenced the music of superstars like Michael Jackson and Janet Jackson He died at the age of thirty two and in his lifetime he never had a pop hit Yet since his death J Dilla has become a demigod revered by jazz musicians and rap icons from Robert Glasper to Kendrick Lamar memorialized in symphonies and taught at universities And at the core of this adulation is innovation a new kind of musical time feel that he created on a drum machine but one that changed the way traditional musicians play In Dilla Time Dan Charnas chronicles the life of James DeWitt Yancey from his gifted childhood in Detroit to his rise as a Grammy nominated hip hop producer to the rare blood disease that caused his premature death and follows the people who kept him and his ideas alive He also rewinds the histories of American rhythms from the birth of soul in Dilla's own Motown to funk techno and disco Here music is a story of Black culture in America and of what happens when human and machine times are synthesized into something new Dilla Time is a different kind of book about music a visual experience with graphics that build those concepts step by step for fans and novices alike teaching us to see and feel rhythm in a unique and enjoyable way Dilla's beats startling some people with their seeming sloppiness were actually the work of a perfectionist almost spiritually devoted to his music This is the story of the man and his machines his family friends partners and celebrity collaborators Culled from more than 150 interviews about one of the most important and influential musical figures of the past hundred years Dilla Time is a book as delightfully detail oriented and unique as J Dilla's music itself **Yearbook of Experts, Authorities and Spoke** Mitchell P.
