Rejoycing New Readings Of Dubliners:

ReJoycing Rosa Bollettieri Bosinelli, Harold F. Mosher Jr., 2021-05-11 In this volume the contributors a veritable Who's Who of Joyce specialists provide an excellent introduction to the central issues of contemporary Joyce criticism

Suspicious Readings of Joyce's "Dubliners" Margot Norris, 2010-11-24 Because the stories in James Joyce's *Dubliners* seem to function as models of fiction they are able to stand in for fiction in general in their ability to make the operation of texts explicit and visible Joyce's stories do this by provoking skepticism in the face of their storytelling Their narrative unreliabilities produced by strange gaps omitted scenes and misleading narrative prompts arouse suspicion and oblige the reader to distrust how and why the story is told As a result one is prompted to look into what is concealed omitted or left unspoken a quest that often produces interpretations in conflict with what the narrative surface suggests about characters and events Margot Norris's strategy in her analysis of the stories in *Dubliners* is to refuse to take the narrative voice for granted and to assume that every authorial decision to include or exclude or to represent in a particular way may be read as motivated *Suspicious Readings of Joyce's Dubliners* examines the text for counterindications and draws on the social context of the writing in order to offer readings from diverse theoretical perspectives *Suspicious Readings of Joyce's Dubliners* devotes a chapter to each of the fifteen stories in *Dubliners* and shows how each confronts the reader with an interpretive challenge and an intellectual adventure Its readings of *An Encounter* *Two Gallants* *A Painful Case* *A Mother* *The Boarding House* and *Grace* reconceive the stories in wholly novel ways ways that reveal Joyce's writing to be even more brilliant more exciting and more seriously attuned to moral and political issues than we had thought **Ulysses Explained** David

Weir, 2015-06-03 When it comes to James Joyce's landmark work *Ulysses* the influence of three literary giants Homer Shakespeare and Dante cannot be overlooked Examining Joyce in terms of Homeric narrative Dantesque structure and Shakespearean plot Weir rediscovers Joyce's novel through the lens of his renowned predecessors [Critical Companion to James Joyce](#) A. Nicholas Fargnoli, Vice-President of the James Joyce Society and Professor of Theology and English A. Nicholas Fargnoli, Michael Patrick Gillespie, Professor of English Michael Patrick Gillespie, 2014-05-14 Examines the life and writings of James Joyce including a biographical sketch detailed synopses of his works social and historical influences and more

Attachment and Loss in the Works of James Joyce Linda Horsnell, 2021-11-04 Using John Bowlby's Attachment Theory as a frame of reference *Attachment and Loss in the Works of James Joyce* critically analyzes James Joyce's representation of grief Based on cognitive emotional and behavioral elements Attachment Theory allows for new and innovative readings to emerge which differ from those offered by Freudian Lacanian and Jungian paradigms Acknowledging the importance of the Theory of Mind and Reader Response this book uses the concept of internal working models to elucidate how the childhood experiences with which Joyce has endowed his protagonists ultimately leads to how they respond to loss The texts of *Dubliners* *Portrait of the Artist* and *Ulysses* show how central separation and loss were to Joyce's work It provides examples

of such experiences in different age groups under differing circumstances and at different stages in the grief process Attachment Theory highlights the complexity of human relationships throughout the life cycle not only how they can affect the grief process but how grief affects them *Encyclopedia of Literary Modernism* Paul Poplawski, 2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890 1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography

James Joyce and Classical Modernism Leah Culligan Flack, 2020-02-06 James Joyce and Classical Modernism contends that the classical world animated Joyce's defiant innovative creativity and cannot be separated from what is now recognized as his modernist aesthetic Responding to a long standing critical paradigm that has viewed the classical world as a means of granting a coherent order shape and meaning to Joyce's modernist innovations Leah Flack explores how and why Joyce's fiction deploys the classical as the language of the new This study tracks Joyce's sensitive on going readings of classical literature from his earliest work at the turn of the twentieth century through to the appearance of *Ulysses* in 1922 the watershed year of high modernist writing In these decades Joyce read ancient and modern literature alongside one another to develop what Flack calls his classical modernist aesthetic which treats the classical tradition as an ally to modernist innovation This aesthetic first comes to full fruition in *Ulysses* which self consciously deploys the classical tradition to defend stylistic experimentation as a way to resist static paralyzing notions of the past Analysing Joyce's work through his career from his early essays Flack ends by considering the rich afterlives of Joyce's classical modernist project with particular attention to contemporary works by Alison Bechdel and Maya Lang

The New Joyce Studies Catherine Flynn, 2022-09-08 The New Joyce Studies indicates the variety and energy of research on James Joyce since the year 2000 Essays examine Joyce's works and their reception in the light of a larger set of concerns a diverse international terrain of scholarly modes and methodologies an imperilled environment and crises of racial justice to name just a few This is a Joyce studies that dissolves early visions of Joyce as a *sui generis* genius by reconstructing his indebtedness to specific literary communities It models ways of integrating masses of compositional and publication details with literary and historical events It develops hybrid critical approaches from posthuman medical and queer methodologies It analyzes the nature and consequences of its extension from Ireland to mainland Europe and to Africa and Latin America Examining issues of copyright law translation and the history of literary institutions this volume seeks to use Joyce's

canonical centrality to inform modernist studies more broadly

European Writers in Exile Robert C. Hauhart, Jeff Birkenstein, 2018-10-26 *European Writers in Exile* collects a series of original essays that address the writers universal existential dilemma when viewed through the lens of exile who am I where am I from and what do I write and to whom While we often understand the term exile to refer to writers who have either been forced to leave their home country or region or chosen self exile this term need not be defined so narrowly and the contributors to this volume explore a range of interesting and evolving definitions Various countries in Europe have long been both a refuge for people and writers from many countries and a strife torn region which has forced many to flee within the continent or beyond it The phrase in exile involves writers moving across borders in multiple directions and for multiple reasons including for reasons of duress or personal quest and these themes are addressed and critiqued in these essays This volume naturally examines the cataclysmic and near universal exilic experiences relating to the world wars including essays on Thomas Mann Vladimir Nabokov Hannah Arendt and Leo Strauss Additionally essays address the unique early twentieth century experiences of Emile Zola Franz Kafka Joseph Conrad and James Joyce More contemporary essay subjects include Milan Kundera Norman Manea Eva Hoffman Caryl Phillips and W G Sebald This collection of transnational globalized European literature studies envisions understanding the intersection of our contemporary world and various writers in exile in new cultural historical spatial and epistemological frameworks How does literary production in an increasingly globalized world when seen from exile affect a view back towards a country or region left behind Or conversely how does exile push a writer to look outward to new trans nationalized space s These and other questions are important to investigate Taken in sum *European Writers in Exile* offers an academically rigorous important and cohesive volume

Hope, Form, and Future in the Work of James Joyce David P. Rando, 2021-11-18 Hope and future are not the terms with which James Joyce has usually been read but this book paints a picture of Joyce s fiction in which hope and future assume the primary colours Rando explores how Joyce s texts as early as *Dubliners* and *A Portrait of the Artist as a Young Man* delineate a complex hope that is oriented toward the future with restlessness dissatisfaction and invention He examines how Joyce envisions alternatives to the prevailing conventions of hope throughout his works and in *Ulysses* and *Finnegans Wake* develops formal techniques of spatializing hope to contemplate it from all sides Casting fresh light on the ways in which hope animates key aspects of Joyce s approach to literary content and form Rando moves beyond the limitations of negative critique and literary historicism to present a Joyce who thinks agilely about the future politics and possibility

Journey Westward Frank Shovlin, 2012-01-01 *Journey Westward* suggests that James Joyce was attracted to the west of Ireland as a place of authenticity and freedom It examines how this acute sensibility is reflected in *Dubliners* via a series of coded nods and winks posing new and revealing questions about one of the most enduring and resonant collections of short stories ever written The answers are a fusion of history and literary criticism utilizing close readings that balance the techniques of realism and symbolism The result is a startlingly original study that

opens up fresh ways of thinking about Joyce's masterpieces **Joyce Studies Annual 2013** Philip T. Sicker, Moshe Gold, 2025-01-14 An indispensable resource for scholars and students of James Joyce Joyce Studies Annual gathers essays by foremost scholars and emerging voices in the field **James Joyce and Victims** Sean P. Murphy, 2003 In *A Portrait and Ulysses* Joyce carefully disassembles the totality of civil society Dubliners inhabit to reveal the ways in which the church and state circumscribe citizens' imagination The colonized however do possess power to deform cultural directives and to resist the roles in which colonizers cast them but this power originates within logics which exclude and divide Jacket **James Joyce in the Nineteenth Century** John Nash, 2013-09-16 This collection shows the depth and range of James Joyce's relationship with key literary intellectual and cultural issues that arose in the nineteenth century Thirteen original essays explore several new themes in Joyce studies connecting Joyce's writing to that of his predecessors and linking Joyce's formal innovations to his reading of and immersion in nineteenth century life The volume begins by addressing Joyce's relationships with fictional forms in nineteenth century and turn of the century Ireland Further sections explore the rise of new economies of consumption and Joyce's formal adaptations of major intellectual figures and issues What emerges is a portrait of Joyce as he has not previously been seen giving scholars and students of fin de siècle culture literary modernism and English and Irish literature fresh insight into one of the most important writers of the past century *The Incarnation of Language* Michael O'Sullivan, 2014-02-13 *The Incarnation of Language* investigates how the notion of incarnation has been employed in phenomenology and how this has influenced literary criticism It then examines the interest that Joyce and Proust share in the concept of incarnation By examining the themes of synthesis and embodiment that incarnation connotes for these writers it offers a new reading of their work departing from critical readings that have privileged notions of radical alterity and difference **Joyce, Dante, and the Poetics of Literary Relations** Lucia Boldrini, 2001-03-19 Boldrini examines how Dante's literary and linguistic theories helped shape Joyce's radical narrative techniques **The Nets of Modernism** Maud Ellmann, 2010-09-30 One of the finest literary critics of her generation Maud Ellmann synthesises her work on modernism psychoanalysis and Irish literature in this important new book In sinuous readings of Henry James James Joyce and Virginia Woolf she examines the interconnections between developing technological networks in modernity and the structures of modernist fiction linking both to Freudian psychoanalysis *The Nets of Modernism* examines the significance of images of bodily violation and exchange scar bite wound and their psychic equivalents showing how these images correspond to vampirism and related obsessions in early twentieth century culture Subtle original and a pleasure to read this 2010 book offers a fresh perspective on the inter implications of Freudian psychoanalysis and Anglophone modernism that will influence the field for years to come *A Study Guide for James Joyce's "Eveline"* Gale, Cengage Learning, *Modernism on Fleet Street* Patrick Collier, 2016-12-05 British modernism came of age at a time of great cultural anxiety about the state of journalism The new newspapers with their brief flashy articles striking visuals hyperbolic headlines and sensational news

stood at the center of debates about reading in the period seeming to threaten the viability of representative democracy the health and vitality of the language and the very future of literature itself Patrick Collier's study brings an impressive array of archival research to his exploration of modernism's relationship to the newspaper press People who sought to make their way as writers could neither remain neutral on this issue nor abandon journalism which offered an irreplaceable source of income and self advertisement Collier discusses five modern writers T S Eliot James Joyce Virginia Woolf Rebecca West and Rose Macaulay showing how their work takes part in contemporary debates about journalism and examining the role journalism played in establishing their careers In doing so he uncovers tensions and contradictions inherent in the identity of the serious artist who relied on the ephemeral forms of journalism for money and reputation

Joyce's Messianism Gian Balsamo, 2004 In his study of negative existence and how it affects James Joyce's principal characters Gian Balsamo joins the ongoing debate about the Irish writer's relationship to Dante and considers the centrality of messianism to that relationship Finding in Dante a negative poetics that becomes a model for Joyce Balsamo suggests that the inception and cessation of life two occurrences that conventionally are deemed impossible to experience personally and directly typically frame the existential experiences of Joyce's main characters Balsamo perceives Stephen Leopold and Shem as messianic figures because they rebel against this convention clustering their lives around the very events of inception and burial Balsamo traces the engagement of each of the three characters in a negative existence immune from the rules and limitations of ordinary experience Each struggles to express rather than exorcise the fecundity of his own mortality each reinvents his biography as involving the pivotal transaction of one death be it a mother's a son's or even that of his own body in return for catharsis Drawing on the writings of Giambattista Vico Saint Augustine Emile Durkheim and Noam Chomsky Balsamo challenges the current debate by identifying the messianic thread that ties together the biographies of Joyce's three characters Faced with the fissure between history and poetic vocation Stephen embraces the sacrificial poetry of silence Faced with the domestic squalor provoked by the loss of his son Leopold renews at every meal the cathartic exchange of food and semen Faced with a destiny of death and decomposition Shem reenacts the tradition of the medieval cycle drama stretching his own body like a parchment on a cross and then rubricating it like a sacred manuscript
