Rekindling The Christian Conscience:

Rekindle the Gift of God Fr. Roch Kereszty, O.Cist., 2021 Rekindle the gift of God that is within you Saint Paul urges Timothy years after his ordination 2 Tim 1 6 Drawing on sixty years of experience as a Catholic priest Cistercian Fr Roch Kereszty provides realistic spiritual psychological and pastoral guidance to priests and seminarians from preaching and sacramental ministry to parish life and spiritual direction to chastity and poverty Countless priests struggle to understand their role and identity in the post conciliar Church where laypeople have taken on many responsibilities once considered priestly With the sexual abuse crisis kicking up a cloud of confusion and discouragement many young men are wondering Why join a system in which everyone is suspect Meanwhile without the right guidance those already ordained can find themselves slipping into boredom or even cynicism But Fr Kereszty knows the fire of a true vocation With insights and examples from St Bernard of Clairvaux St Th r se of Lisieux St John Paul II Benedict XVI and many others Rekindle the Gift of God helps priests and seminarians discover or rediscover their mission as shepherds prophets and teachers A happy priest is one who lays down his life not only for his flock but for his Lord Father Kereszty gives patient down to earth counsel on putting this ideal into practice and he offers a glimpse of his own immense joy and gratitude for the gift of serving Jesus Christ

A Kingdom on Earth Paul T. Phillips, 1996-02-01 Social Christianity was a major force in the life of the United States Canada and Britain for more than sixty years beginning in the closing decades of the Victorian age As a tide of concern swept through Protestantism in the face of mounting social ills Social Gospellers and Christian Socialists urged a less competitive more compassionate society They pioneered in many fields of modern social science and actively engaged in social work and party politics In *A Kingdom on Earth* Paul T Phillips provides an unusually broad view of the movement from both sides of the Atlantic He is also unique in carrying the story up to 1940 thereby tying Social Christianity

to the origins of the welfare state Using a wide range of sources A Kingdom on Earth places the activities of Social Christians firmly in the social and cultural contexts of the day Phillips s analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves In spite of these worldly aspects however Phillips finds that the inspiration and essence of the movement were essentially religious

The Power of God's Consciousness James Grant,2022-11-03 The Power of God s Consciousness was written to transform the lives and consciousness of mankind It was written to transform mankind from a sinful nature and more into fellowship with God When we read and study God s divine Word we realize how God s Word can become the bread of life for mankind God s Word must become the bread of life in our lives so that we can experience how God s Word is able to manifest itself in our lives We have to implement God s Word in our hearts and minds as God s Word becomes a part of our lives We have to develop the discipline in our lifestyles that reflect the life of Jesus Christ Everything that we do at this point in our lives should reflect our discipline and consciousness of God s divine Word in our hearts and is acted out in our lives When we have confidence and courage in God s divine Word we are better able to enhance and develop our faith in God We can only understand our purpose and reason for living through how we define God s consciousness in our lives

Tuuri, Peter Leithart, This issue of the Journal of Christian Reconstruction focuses on the specific and immediate application of Christian Reconstruction in our society today Our major concern in this symposium is not with long term future scenarios such as a vast revival although we pray for it every day or some type of economic crisis although this is likely enough but with what we can trace of the blessed work of the Holy Spirit in applying the transforming Gospel of grace to all areas of our contemporary life and society here and now We conservative Christians have been fairly adept at discerning and describing the evils and impending disasters of our time Calling evil by its true name is after all an important part of any biblically based prophetic ministry Diagnosis is an essential part of the curative process in medicine theology and every other field But at the same time many of us have so tended to focus on the diagnosis of evil that we have failed to look up and see the widespread healing and impartation of new life that is going on all around us
