Nonverbal Communication in Close Relationships Robert J. Sternberg, Aleksandra Kostić, 2022-03-15 This book is an up to date compendium of knowledge on the secret language of close relationships namely nonverbal routes of communication In close relationships as everyone learns sooner or later the usefulness of words can be somewhat limited because people mean different things by the same words b mean the same thing by different words c sometimes find it hard to express their feelings in words and d lie Nonverbal signals therefore often provide the best means of communication The book points out how decoding interpreting nonverbal signals is a major key to success because often what people say wholly belies how they feel nonverbal signals reveal their true feelings rather than what they want other people to think their feelings are This book helps decode those secret signals The book is written by the leading worldwide experts in the field of nonverbal communication to ensure accuracy comprehensiveness and timeliness

Nonverbal Communication in Close Relationships Laura K. Guerrero, Kory Floyd, 2006-08-15 Nonverbal Communication in Close Relationships provides a synthesis of research on nonverbal communication as it applies to interpersonal interaction focusing on the close relationships of friends family and romantic partners Authors Laura K Guerrero and Kory Floyd support the premise that nonverbal communication is a product of biology social learning and relational context They overview six prominent nonverbal theories and show how each is related to bio evolutionary or sociocultural perspectives Their work focuses on various functions of nonverbal communication emphasizing those that are most relevant to the initiation maintenance and dissolution of close relationships Throughout the book Guerrero and Floyd highlight areas where research is either contradictory or inconclusive hoping that in the years to come scholars will have a clearer understanding of these issues The volume concludes with a discussion of practical implications that emerge from the scholarly literature on nonverbal communication in relationships an essential component for understanding relationships in the real world Nonverbal Communication in Close Relationships makes an important contribution to the development of our understanding not only of relationship processes but also of the specific workings of nonverbal communication It will serve as a springboard for asking new questions and advancing new theories

about nonverbal communication It is intended for scholars and advanced students in personal relationship study social psychology interpersonal communication nonverbal communication family studies and family communication It will also be a helpful resource for researchers clinicians and couples searching for a better understanding of the complicated roles that nonverbal cues play in relationships
