Relationships And Well Being Over The Life Stages:

Relationships and Well-Being Over the Life Stages Pat Keith, Robert B. Schafer, 1991-09-30 Recent social trends including the increased employment of women the dramatic growth in single parent households heightened attention to the aging of the population and to older families and changing attitudes toward gender roles guide the focus of this study that considers personal characteristics and family relationships and how they are linked with well being over the life course Pat Keith and Robert Schafer discuss how these trends have profoundly affected work family relationships and how the far reaching social demographic and economic implications of these changes inform some of the vital concerns of particular groups including one and two job families single parent women and their married counterparts older and younger couples and modern and traditional spouses Throughout the focus is on variation in well being self concept role strain and mental health over the adult life course and the factors that may foster it at various life stages and in different family situations The study offers observations on persons in different circumstances across the life course that are not often included in the same research but that have produced and will continue to produce lasting changes in the structure of American society Following two early chapters that set forth the study's guiding concepts goals and methodology Chapters Three through Five assess work and well being in one and two job families and equity in the marriage relationship and examine gender roles in the family focusing on older families in particular Typologies of marriages and the self concept in an intimate relationship are investigated in the next two chapters The final chapters study gender role attitudes characteristics of employment and well being of single and married employed mothers food behavior and diet over the life stages and families over the life stages Scholars students and researchers in sociology of the family sex roles and aging as well as demographers interested in the consequences of the marital status will find the insights of this important new study timely and valuable to their work

Love and Intimate Relationships Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work Love and Intimate Relationships investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of Mad Magazine help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject Love and Intimate Relationships helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships Couples, Gender, and Power Carmen Knudson-Martin, Anne Rankin Mahoney, 2009-02-16 A comprehensive critical empirical and practical compilation of investigations about how diverse couples are trying to implement change and pursue equality in their relationships Katherine R Allen PhD Virginia Polytechnic Institute early marriage child rearing mothering and fathering

Gendered power in couples dealing with illness ethnic and racial differences immigration and displacement issues Life Course, Happiness and Well-being in Japan Barbara Holthus, Wolfram Manzenreiter, 2017-04-21 This book investigates the connections between socio structural aspects individual agency and happiness in contemporary Japan from a life course perspective The contributors examine empirical data on the processes which impact how happiness and well being are envisioned crafted and debated in Japan across the life cycle The book discusses the shifting notions of happiness during people s lives from birth to death analyzing the age group specific experiences while taking into consideration people s life trajectories and historical changes It points also out recent developments in regards to demographic change late marriage and the changing labor market

Health and Well-Being Across the Life Course Mary Larkin, 2013-01-11 Using a life course approach the main chapters in this truly original and enlightening text focus on health and well being during each of our life stages A wide range of contemporary literature from disciplines such as public health sociology epidemiology and social policy are drawn upon to examine key health and well being issues in these stages and to illustrate how health effects can accumulate across the life course Interactive activities based on the text and on extracts from primary sources are used to encourage critical reflection and debate Mary Larkin s book will be essential reading for students on the many courses that need an understanding of health and well being across all age groups It will also be an invaluable resource for those in the health and social care sector as well as practitioners working in the field

Families and Retirement Maximiliane Szinovacz, David J. Ekerdt, Barbara H. Vinick, 1992-03-10 What are the long term effects of retirement on family relationships Do personality characteristics or attitudes of one spouse impinge on the other spouse s retirement plans and adjustment What differences exist in the ways males and females adapt to retirement Leading researchers in the fields of family studies and gerontology present enlightening information on the impact of retirement on family relations Original essays focus on gender and ethnic differences the role of children siblings and significant others and the multiple changes retirement creates in marriage In addition a variety of theoretical models existing research and methodological problems in studying retired families are explored Families and Retirement is essential reading for graduate students researchers and professionals in gerontology sociology social work family psychology and policy studies This is a well written book The editors have done a great job in selecting chapter authors whose research is important and directly related to the focus of the book The book will be an excellent text for sociology classes focusing mainly on retirement It will also serve well as a supplemental text in gerontology family studies economics and other college and university courses wherein retirement is studied Journal of Marriage and the Family Just when it seems too complex a task to produce a text that addresses retirement from the perspective of the family a new work appears that does just that The editors have successfully expanded the traditional concern with the individual by choosing studies showing relationships and issues on aspects of retirement and family Family Relations

Multiple Paths of Midlife Development Margie E. Lachman, Jacquelyn Boone James, 1997-05-15 In this collection

of fifteen papers leading researchers analyze the middle years of the lifespan paying close attention to the many different facets of adult development They study the various changes involving the self and others that middle aged adults experience in the realms of work family and health This book explains how the different experiences interrelate and how a better understanding of them can foster successful midlife development

Media Depictions of Brides, Wives, and Mothers Alena Amato Ruggerio,2012-09-27 Media Depictions of Brides Wives and Mothers edited by Alena Amato Ruggerio explores how television film the internet and other media variously perpetuate gender stereotypes The contributors to this volume bring a variety of feminist rhetorical and media criticism approaches from across the communication discipline to their analyses of how television film news coverage and the Internet shape our expectations of the performance of women s identities This collection includes studies of Bridezillas Jon Kate Plus 8 Sex and the City Sarah Palin Nancy Pelosi The Devil Wears Prada Practical Magic momtini blogs and Mad Men fan websites Readers will learn to apply the insights from each chapter to their own sets of myths stereotypes and assumptions about gendered roles and to recognize the possibilities for both liberation and domination when women s practices of marrying mating and mothering are represented and misrepresented in the media This collection is an essential contribution to media studies and criticism of gender stereotypes in contemporary culture Read the author s recent interview with Literary Ashland You can also visit the author s website [here](#)

Handbook of Psychology, Developmental Psychology Irving B. Weiner,Donald K. Freedheim,2003-01-03 This work provides an overview of cognitive intellectual personality and social development across the lifespan with attention to infancy early childhood middle childhood adolescence and early middle late adulthood Chapters cover a broad range of core topics including language acquisition identity formation and the role of family peers school and workplace influences on continuity and change over time

Lifespan Development Michele Hoffnung,Robert J. Hoffnung,Kelvin L. Seifert,Alison Hine,Lynn Ward,Cat Pause,Karen Swabey,Karen Yates,Rosanne Burton Smith,2015-09-28 Lifespan Development Third Australasian edition explores human physical cognitive and social development within an Australian and New Zealand context Building on the successful first and second editions the resource s comprehensive theory coverage includes the latest local and international research in this ever evolving field and is perfectly complemented by numerous physical and mental health applications within local psychological allied health and educational settings This edition includes enhanced coverage of developmental theories and increased integrated coverage of cross cultural and Indigenous issues unique to the multicultural societies of Australia and New Zealand It is an ideal resource offering for undergraduate students in both countries in order to enhance understanding of human development from conception through to the end of life

Character, Responsibility, and Well-Being: Influences on Mental Health and Constructive Behavior Patterns Danilo Garcia,Trevor Archer,Ann-Christine Andersson Arntén,2016-05-25 Character can be defined as self aware knowledge that helps the individual to set goals values and ethical principles Cloninger 2004 This meta cognitive dimension of human personality

involves Theory of Mind and is positively related to measures of well being mental health and constructive behavior patterns Research from at least three different fields cultural Shweder Much Mahapatra communion which is related to engagement in the protection and relations to others such as families companies or nations and spirituality which is related to the human ability to transcend the self and find and interconnection with all life and appreciation of the whole world around us Haidt 2006 Cloninger 2013 Using the Temperament and Character Inventory Cloninger Svrakic Przybeck 1993 researchers have found that agentic i.e. Self directedness and communal i.e. Cooperativeness values are associated to high levels of happiness psychological well being and less violent behavior Moreover low Self directedness and Cooperativeness is recurrent among individuals with all types of mental health problems such as depression schizophrenia anxiety disorder autism spectrum disorders attention deficit hyperactivity disorder and etcetera Spirituality in coherence with agency and communion guides the individual to seek self realization in harmony with others and nature in the changing world Cloninger 2013 Seeing character as self awareness of the self in three dimensions has also been associated to human responsibility and empowerment This research topic will focus on all article types that put forward findings regarding Character as a protective factor against mental illness Character's association to conduct disorders and violent behavior Character as a promoter of happiness life satisfaction and well being The etiology of character Longitudinal studies on character Agency communion and spirituality as broad dimensions for the conceptualization of positive measures of mental health Innovative methods to measure or conceptualize character Non linear effects of character on mental health Character as a measure conceptualization of responsibility Character in school and work place settings Character in relation to empowerment

Marshall, PhD, 1999-06-23 This volume focuses on the experience of growing old as it is linked to societal factors Ryff and Marshall construct this macro view of aging in society by bridging disciplines and bringing together contributors from all the social sciences The book is organized into three sections theoretical perspectives socioeconomic structures and contexts of self and society Leading psychologists anthropologists gerontologists and sociologists present theoretical and empirical advances that forge links between the individual and the social aspects of aging It is must reading for researchers in all gerontologic specialties and a valuable text for graduate courses in human development psychology of aging and other social aspects of aging **The Oxford**

Handbook of Happiness Susan A. David, Ilona Boniwell, Amanda Conley Ayers, 2014 A text for researchers and practitioners interested in human happiness Its editors and chapter contributors are world leaders in the investigation of happiness across the fields of psychology education philosophy social policy and economics Close Relationships and Happiness across Cultures Melikşah Demir, Nebi Sümer, 2018-08-10 This volume focuses explicitly on close relationships as a reliable source for individual happiness and well being across cultures The work in this volume addresses theoretical issues and presents new cross cultural data in the study of close relationships and happiness Experts from different parts of the world provide in

depth authoritative reviews and new findings on the relationship between various types of close bonds e g intimate marital friendship grandparent and happiness in a variety of cultures An ideal resource for researchers and students of relationship science and positive psychology this rich clear and up to date book serves as an important reference for academicians in related fields of psychology such as cross cultural social and developmental

It's about Time Phyllis Moen, 2018-08-06 How do two career couples manage in a one career world It s about Time examines this mismatch between outdated scripts and the experiences of dual earner couples It broadens our understanding of occupational and family career strategies couples use in light of the widening gap between their real lives and the outdated work hour and career path roles rules and regulations they confront It s about Time draws on the data from the Cornell Couples and Careers Study to demonstrate that Regardless of income time is a scarce commodity in dual earner households With two jobs two commutes often long work hours high job demands business travel several cars children ailing relatives and or pets time is always an issue Time is built into jobs and career paths in ways that make continuous full time 40 or typically more hours a week paid work a fact of life in American society The multiple strands of life career family and personal unfold over time Spouses move through their life courses in tandem with early choices to have children or not to work long hours or not to switch jobs or not to relocate for his or her career or not all having long term consequences for life quality and for gender inequality The evidence from this book suggests that it is about time for the United States to confront the realities and needs of contemporary working couples and indeed all members of the new workforce To do so requires more than Band Aid short term and often short sighted policy remedies It s about Time argues that it is essential to re imagine and reconfigure work hours workweeks and occupational career paths in ways that address the widening gaps between the time needs and goals of workers and their families at all ages and stages of the life course

Handbook on Demographic Change and the Lifecourse Jane Falkingham, Maria Evandrou, Athina Vlachantoni, 2020-06-26 This innovative Handbook offers a deeper understanding of the causes and consequences of demographic change across the lifecourse Chapters highlight major theoretical and methodological advances and present research that sheds light on family dynamics health and mobility over the lifecourse illustrating the implications of lifecourse research for policy and reform

Personal Relationships Across the Lifespan Patricia Noller, Judith Feeney, Candida Peterson, 2013-08-06 Personal Relationships Across the Lifespan presents a comprehensive and up to date account of the role of personal relationships in people s lives Highlighting areas of special significance and research interest at each major life stage Patricia Noller Judith A Feeney and Candida Peterson examine how close relationships develop over time and influence individual adjustment They explore a wide range of relationships including some that are often neglected such as those with siblings adult children and elderly parents They also look at alternative family forms such as single parent families and step families and address important themes such as intimacy conflict and power With insightful discussion of the theory and methods typically used by researchers working in this area Personal Relationships Across the Lifespan is an ideal

resource for students and researchers of both relationships and lifespan development It will also be of interest to practitioners such as social workers and family therapists working with clients with relational concerns and anyone wanting to learn more about the nature of relationships

Mental Health and Mental Disorders Len Sperry, 2015-12-14 Serving as an indispensable resource for students and general interest readers alike this three volume work provides a comprehensive view of mental health that covers both mental well being and mental illness A three volume ready reference encyclopedia this up to date work supplies a holistic introduction to the fields of mental health and mental disorders that is written specifically for high school students and college students Covering the full continuum of mental health the set describes typical functioning including biology and neurology of the brain emotions and the traits and characteristics of mental well being It also addresses mental disorders and conditions from obsessive compulsive disorder OCD and post traumatic stress disorder PTSD to phobias and schizophrenia Mental Health and Mental Disorders An Encyclopedia of Conditions Treatments and Well Being highlights important concepts and phenomena key individuals treatment techniques organizations and diagnostic tools to give readers a complete view of this broad field of study It also investigates all sides of wellness exploring what it means to be normal and consistently identifying the links between lifestyle and mental health The encyclopedia is consistent with the goals of AP psychology curricula and addresses the various disorders classified in the new edition of the APA Diagnostic and Statistical Manual DSM V TR

Sexual and Gender Minority Health Brea L. Perry, Allen J. LeBlanc, 2021-01-15 This volume of Advances in Medical Sociology showcases rich theoretical and empirical contributions on SGM health and wellbeing The chapters address a variety of topics drawing from classic and contemporary sociological frameworks and constructs and reflecting intersecting interdisciplinary approaches to SGM health

Encyclopedia of Social Work, 1965
