Relationships Made By God:

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K.stenberger, Raymond C. Ortlund Jr, Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series. *Relationships Made by God* Paul M. Stevens, 1999-01-01

Marriages Made in Heaven Dan Evangelist Jones III, 2008-11 Marriage made in heaven is more about what you do than what you say. Many have vowed much but vouched for little. Pastor Dan E. Jones III. Today's thought of marriage is antiquated, out-dated, old school, and believed not necessary or convenient. Television watching has bombarded our minds with images of cheating, broken, uncommitted, selfish, and shackled-up relationships. Also in this 21st-century television programming, with its images, have fortified itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships. Marriage is the transparency of salvation, and salvation of marriage; you can trace relationship troubles in one; it will speak of the identical trouble in the other. Fear not, faithful, through this anointed book, God is revealing what he desires to see in married and saved relationships. The cover is blown on the enemy's tactics that cause many to despise holy matrimony and to settle for compromising, convenient, and unholy relationships with God and your spouse. Marriages that are made in heaven and like salvation have their identity and internal workings in Christ. Christ is the Author and Procurer of them both. The copyrights belong to Him; therefore, his divine intent and requirements are still effective and still in effect. When you look at God's redemptive plan for relationships, marriage, and salvation, they have identical DNA. How do we obtain the type of marriage God has ordained for us? Identify the Twins. Understanding the Engagement Process. Knowing What Love Have to Do With It.

and Justice Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives

From Adam to Noah-The Numbers Game Leonard Timmons, 2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wife and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is
