Prayer that Heals Our Emotions Eddie Ensley, 1986 *365 Prayers a Year* Liam Maxwell, 2011-01-20 Each short prayer may be memorised and used as a resource when needed in times of trouble restlessness or boredom These prayers will help you find comfort confidence and relief focus on key values and qualities provide building blocks to positive living offer an inspiring message that is spiritual but practical see through the problems and difficulties of life This books message you are not alone God is always there even though up to now you may have ignored Him Perhaps you never learnt to pray or have succumbed to external pressure and decided you can go it alone Like all habits prayer can be found as easily and readily as it has been lost God is looking out for you especially in your hour of greatest need In a turbulent terror stricken world God is our refuge and strength He has come that you may have life to the fullest This means you can have better health and happiness success and achievement Draw nearer to God through simple heartfelt prayer and you will become a new person The best thing you can do for anyone friend enemy or yourself is to pray on their behalf It shows the depth of your love and Gods love Prayer brings peace serenity and a positive outcome **Familiarity?** Pauline Adongo, 2017-04-21 Familiarity is a commonplace in the church today this book is very helpful in understanding how detrimental it can be to spiritual growth individually and even corporately I am blessed beyond words by every chapter and content of this book It is a must read for any Christian worker or leader who really value growth continuity and relevance in the kingdom of God Pastor Denis Odhiambo Okang MA LPCC Senior Pastor LifeSpring International Church Pennsylvania Familiarity is a distraction that robs us from experiencing the fullness in God and in life When we become familiar with the things and the ways of God we miss out on the more He would want to do in with and for us The main objectives for this book are to help you identify the subtle distraction of familiarity that can hinder your spiritual and natural growth and to help you attain fullness and maximization of your potential in God and in life Flexibility humility adaptability and obedience are key ingredients for spiritual and personal development God does more when we are flexible **Pastor as Person** Gary L. Harbaugh, 1984 Harbaugh captures your interest with dramatic stories of the inner lives of working pastors weaving these stories into patterns of meaning from his own reflection and research An excellent study guide for the individual pastor the pastor s support group or the seminary class that really wants to come to grips with the dilemmas of being a person who is also a pastor *All of My Wives* Dr. Tina Parkman, LPC, CAADC, 2013-06 The book is for those who are married bachelors who struggle with polygamous friendships and emotional and serial affairs Many men are married and still looking for their wife Some are single and consummating illegal marriages Others are still tied to the wife of their past Some men are just flat out with the wrong woman when the right one comes along they can t recognize her So you are married through soul ties desires for more than one mate Webster s dictionary definition of polygamy is the having of a plurality of wives or husbands at the same time usually the marriage of a man to more than one woman or the practice of having several wives at the same time Proverbs 5 21 says For the ways of man are before the eyes of the Lord The Lord knows about your sex life So your

secret is not a secret and your disgrace is not unusual Let s take the steps to recover and redeem our sexual wholeness All of My Wives will show you how Climbing the Sycamore Tree Ann Hagmann,2001-06-01 Warning This book could change the way you live Although I ve experienced what it s like to get overextended I ve never been poor without options or help writes Hagmann My faith tells me that being a Christian must affect who I am and how I behave with my wealth Christ has something to say about the way I live my daily life from how I treat others to how I spend my money Do you make everyday economic decisions that reflect your Christian faith and values Or are you living large in a material world Using the story of Zacchaeus Luke 19 1 9 as its inspiration Climbing the Sycamore Tree is a 6 week study of faithful stewardship Hagmann uses both scripture and consumer statistics to show how our buying habits often marginalize certain people and perpetuate systems that contradict good stewardship and love for God s creation Following the experience of the tax collector Zacchaeus the study seeks to deepen the link between the faith we profess and the lifestyle we live Designed as a study for individuals or groups Climbing the Sycamore Tree provides insight into how our economy functions and the connection between how we spend our money and spiritual formation asks provocative discerning questions about our daily choices calls us to a path of simple everyday living that s in harmony with our Christian beliefs The study is divided into three sections of two weeks each Each week s readings consist of five lessons and a group session that includes scripture discussion questions guides for reflection or activity and prayer Open yourself to transformation that more clearly reflects the daily living of the faith you profess **Berkley Evangelistic Association, Inspirational Notes** Benny Tucker,2016-10-13 This is volume two of Berkley Evangelistic Inspirational Notes This volume has been in the making for several months and is now ready for printing Like volume one volume two is full of inspiration to uplift the spirit and refresh the heart It is my most humble prayer that this will be a blessing to all that read it Spiritual Fire Starters John Byrns,2022-10-05 John Byrns believes you have access to unexpected capabilities which you can use to improve your life and also benefit the lives of others This book contains a year s collection of daily essays which examine the limitations that we place upon ourselves or accept from the attitudes of others These essays suggest ways of facing and overcoming the effects of limiting feelings and fears to become a totally evolved person *The Root of Christianity* Michael Helfrich,2013-02-06 Words mean things and how you use them either maintains there meaning or belittles it and destroys its total value Such is the word awesome When our youth use the word awesome for cars Androids or even their girlfriend they are belittling the words characterization The word awesome should only be used for the greatness of the Lord God or His works for mankind It can be used for something that is greater than itself and stands out above all others This book cover represents the awesomeness of God and His creation As the Scripture declares the universe fits between the span of Gods hand This is awesome and it is unfathomable in mans contemplating of it If this is awesome how can you compare anything to it Our universe is billions of light years across and we have no knowledge as to its size for we have nothing to compare it too however what does this say about the

awesomeness of God God does not have hands or legs but uses them as idioms for our comprehension Even with idioms it is incomprehensible to realize just how awesome God really is Scripture speaks of God as omniscient all knowing omnipotent all powerful and omnipresent everywhere and with this in mind He is wisdom and is sovereign ruler over all His creation He is maintaining everything by His character and for His glory and His ways are above our ways and His thoughts are above our thoughts

Your Soul James Schreiner, 2022-08-23 Hello fellow morning prayer and meditation enthusiast This book brings you a blueprint to follow in helping you to get closer to a God of your understanding I see myself as a spiritual person I do not intend to tell you who your God has to be I give you the opportunity to find your God My goal is to open your mind to the benefits of seeking God first thing in the morning It is imperative that each individual spend a chosen amount of time talking to God Equally important is your time spent listening to God How do you know if the voice you are listening to is God's He is the soft gentle voice that you hear during the course of the day that says things like I do not think that is a good idea You know the one you did not listen to and later on when the crisis is over you wish you had You asked yourself why did I do that The other voice the loud chatty one that can only offer you stuff is constantly leading you down the wrong path My main objective is to help you to make better choices To understand that Karma is real Getting together for an hour each week is nice What about the other 167 hours that the Darkside spends getting you to do things that are detrimental to your moral well being God will never tell you to throw a brick through someone's window Evil tells you that prayer is not required or to be taught in schools I was the Evil narcissistic pathological liar who followed Satan's game plan of looking for my happiness out there My contentment was based on the just as soon as I get into the perfect relationship Buy the most expensive car Belonging to the right country club in the perfect neighborhood Getting the impeccable outfit to wear to church on Sunday My life had to be flawless at all times I am here to tell you that nothing from out there will bring you the satisfaction and kindness that you crave until you surrender to God He is the true source of Hope and wisdom When I was at the lowest separation from God suffering from loneliness I took no responsibility for my actions My rage was turned inward which in turn caused me to suffer 22 years of depression I happened upon the prayer of Saint Francis and changed my life forever The

Darkside is still wondering what happened He thought he had a convert for life As I put the prayer into action in my life and live by its principles I immediately acquired peace and serenity That can only be achieved by finding God and introducing him into my life It is my intention to help you to find that same peace of mind with the morning prayer and meditations that I am presenting in this book It is intended to give spiritual advisors daily material to help others cope with their everyday routine You cannot do this alone Hopefully I can inspire you to find a Power greater than yourself Thank You Jesus June of 2022 Yours truly James P Schreiner
