Currelly, 2001 **Researches in Sinai (Classic Reprint)** William Matthew Flinders Petrie, 2016-08-18 Excerpt from Researches in Sinai When first I went to Egypt twenty six years ago I read and noted the accounts of Sinai in the hope that I might be able to visit the monuments there and this hope was not extinguished by all the intervening years of other work The recent reports of monuments of the early dynasties gave additional reason for a search which might supplement the discoveries at Abydos And the reduction of the resources for my work with the Exploration Fund made it imperative to take a site where copying was more required than excavation Hence it came about that last winter we lived for four months in the wilderness instead of in the green plains of Egypt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Geological Survey of Israel Research in Sinai, 1967-1980**, 1980 Researches in Sinai (Without Illustrations) W M Flinders Petrie, C T Currelly, 2022-10-27 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide This text refers to the Bibliobazaar edition *Publications of the Egyptian Research Account*, 1906
