

Responding to Literature Prompts

On some tests, you'll be asked to read a story or poem and respond to a prompt about your reading. You'll need to use your best reading skills as well as your best writing skills to form a strong response. And you will have to do this within a limited amount of time. Don't worry. This chapter has specific strategies to help you succeed.

The first step is to understand the writing prompt. You can use the **PAST** questions for that job. Then you need to read the literature and take notes. Afterward, you'll write a paragraph or an essay about the story or poem, using evidence from the literature.
