Responses Magnetic Hajime Kijima, Arthur Binard, 1996 *The Poetry and Poetics of Ancient Japan* Makoto Ōoka, 1997 It was the noblewomen of the Xth and XIth centuries who freed Japanese literature from the domination of formal Chinese writing to create a poetry shaped by spoken Japanese Many centuries later it was again women this time courtesans and prostitutes who through popular song liberated a poetry more and more restricted by increasingly rarified conventions In this remarkable book the poet Ōoka Makoto who is also in Donald Keene's words a major critic perhaps the finest in Japan today opens the great library of poetry anthologies compiled by Imperial order He also recreates in detail the social political and cultural realities surrounding the development of Japanese poetry from ancient until modern times Giving People Poems 詩人集, 2005 Poetry Asian American Studies Translated from the Japanese by William I Elliott and Kawamura Kazuo In Japan where even the imperial couple are required to turn off poems as part of their official functions it is not surprising that there is a long tradition of purely perfunctory poetry Nonetheless Japan's most popular living poet Tanikawa Shuntaro has always been known for upsetting the apple carts of Japan's formulaic society Here he does it again sacralizing poetry in its purely perfunctory forms as a gift that may be appropriate for any occasion Lifting occasional poetry to a higher plane here are poems about hunger and books the recently constructed longest bridge in Japan cherry blossoms two dead friends Mozart and weeds making love to various women various observations on cats and diving into a swimming pool to wash off the lies of the world 詩人集 詩人集, 1996 **The Naif** 詩人集, 2004 Beginning with his father's death in 1989 and continuing through 1993 Shuntaro Tanikawa began to make a sustained sober poetic assessment of his personal experience and became in the process more personal but never maudlin In *The Naif* we are made privy to details in the career of a human being as he moves from one stage of maturity to another The Singing Heart Kenkichi Yamamoto, William I. Elliott, Katsumasa Nishihara, 2001 Poetry Anthology Asian Studies Translated by William I Elliott and Nishihara Katsumasa Originally compiled in 1967 by one of Japan's major literary critics this anthology was considered highly innovative for its time as it somewhat like *THE POEM ITSELF* from the same period appends generous commentary to each poet setting it clearly in its cultural and historical context The poets include Shimazaki Toson Kitahara Hakushu Sato Haruo Ishikawa Takuboku Saito Mokichi Takamura Kotaro Miyoshi Tatsuji Miyazawa Kenji Hagiwara Sakutarō Nakahara Chuya and many others *Books on Japan in Western Languages Recently Acquired by the National Diet Library* Kokuritsu Kokkai Toshokan (Japan), 1997 **Brodsky in English** Zakhar Ishov, 2023-08-15 A deeply researched account of Joseph Brodsky's evolution in English as a self translator and a poet in translation Joseph Brodsky's translations of his own Russian language poems into English new originals have been criticized for their un-Englishness an appraisal based on a narrow understanding of translation itself With this radical reassessment of the Nobel Prize winner's self translations Zakhar Ishov proposes a fresh approach to poetry translation and challenges the assumption that poetic form is untranslatable Brodsky in English draws on

previously unexamined archival materials including drafts and correspondence with translators and publishers to trace the arc of Brodsky's experience with the English language. Ishov shows how Brodsky's belief in the intellectual continuity between his former life in the Soviet Union and his new career in the United States including as Poet Laureate anchored his insistence on maintaining the formal architecture of his poems in translation locating the transmission of poetic meaning in the rhythms of language itself. This book highlights Brodsky's place within the long history of the compromises translation must make between linguistic material and poetic process.

Selected Poems, 1936/1966 Philip O'Connor, 1968. Philip O'Connor is a surrealist poet. His poetry is a devastating attack on generally accepted notions which he sees as engendering the more conventional ways of writing poetry. Using rhyme entirely as a joke, traditional metrics only to offset the real rhythms of his inner feelings, O'Connor diabolically undermines the gentility principle by humour alone. Like a true surrealist, his attack is total; he writes about politics, ethics, aesthetics with no lines drawn between what pertains to poetry and what does not.

Mesmerism, Medusa, and the Muse Anne DeLong, 2012-04-26. Mesmerism, Medusa and the Muse: The Romantic Discourse of Spontaneous Creativity explores the connections among the Romantic discourse of spontaneous literary creativity, the nineteenth-century cultural practice of mesmerism and the mythical Medusa as an icon of the gendered gaze. An analysis of Medusan mesmerism in the poetry of Mary Robinson, Samuel Taylor Coleridge, Percy Bysshe Shelley and Letitia Elizabeth Landon, L. E. L. and the prose of Mary Shelley reveals that these Romantic-era writers equate the enraptured state that produces spontaneous literary creation with the mesmeric trance. These writers employ Medusan imagery to portray both the mesmerist and the mesmerized subject, a conflation of subject-object positions that complicates issues of agency, subjectivity and gender. Images of Medusan mesmerism ultimately work to deconstruct Romantic ideological dichotomies of self/other, female/male, muse/artist and sublime/beautiful. In contrast to a traditional masculinized Romantic discourse that emphasizes self-possession, this study uncovers a feminized improvisational Romantic discourse characterized by other possession, an assumption of the mesmerized subject position that enhances subjective fluidity. This study interrogates the Romantic discourse of spontaneous literary creativity through an examination of Romantic poetry, prose and theory that utilizes mesmeric and Medusan metaphors to suggest creative inspiration. Building on recent

scholarship about improvisational poetics the subversive potential of mesmerism and Medusa as a feminist icon this work suggests that the mesmeric Medusan muse not only enables creativity for women writers but also provides a mirror in which they view and through which they give voice to their own societal oppression The mesmeric Medusan muse in Romantic era literature from the Ancient Mariner and the Frankenstein monster to the tragic abandoned Sapphic poetess often represents the face of oppression an unwelcome and monstrous truth in nineteenth century British society For women writers in particular braving the stare of the Medusan muse enhances empathy and therefore inspiration and literary productivity
