Responsibility Of Intellectuals Selected Essays On Marxist Traditions In Cultural Commitment:

The Responsibility of Intellectuals Alan M. Wald, 1995-11 **Richard Wright** Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics **The Cultural Front** Michael Denning, 1998 As garment workers longshoremen autoworkers sharecroppers and clerks took to the streets striking and organizing unions in the midst of the Depression artists writers and filmmakers joined the insurgent social movement by creating a cultural front Disney cartoonists walked picket lines and Billie Holiday sang *Strange Fruit* at the left wing cabaret Caf Society Duke Ellington produced a radical musical *Jump for Joy* New York garment workers staged the legendary Broadway revue *Pins and Needles* and Orson Welles and his Mercury players took their labor operas and anti fascist Shakespeare to Hollywood and made *Citizen Kane* A major reassessment of US cultural history *The Cultural Front* is a vivid mural of this extraordinary upheaval which reshaped American culture in the twentieth century

Walter Benjamin Esther Leslie, 2000-05-20 Powerful new insights into a key twentieth century political thinker

Marxism and Historical Practice (Vol. II) Bryan D. Palmer, 2015-09-01 The two volumes of *Marxism and Historical Practice* bring together a wide range of essays written by one of the major Marxist historians of the last fifty years Collected in Volume II *Interventions and Appreciations* are articles and reviews capturing the breadth of Palmer's interests as a radical historian Cultural forms and representational productions are analysed political readings of historiography and pioneering historical practice provided Themes as diverse as the analytic and political contributions of Eric Hobsbawm and E P Thompson the conflicted legacies of American Trotskyism and the representation of class politics in Scorsese's *Gangs of New York* are covered **Bohemian Bolsheviks** Alan M. Wald, 2025-04-03 The rubric *Bohemian Bolsheviks* captures Alan Wald's sustained fascination with persistent contradictions between the image of Left political commitment and the actuality of experience especially in relation to cultural work and cultural workers Marxist political alignment engages a welter of intimate and biographical factors enriching the record of a varied history of fiction poetry literary criticism and other intellectual practices Exploring a field of study marked by enduring paradoxes of modernity this volume is a sharp reminder that historical narrative not only shapes our sense of the terrain under our feet but also the horizon in front of us *A World*

to Win Jack Conroy, 2000 Written in the full heat of the Great Depression Jack Conroy's *A World to Win* bears the marks of the labor struggles and union strikes he witnessed in the early 1930s Like Dickens Conroy evokes compassion and warmth for his absurd comic tragic characters through caricature using parody to extract humor from their gray circumscribed lives Set in St Louis the narrative centers on Leo and Robert Hurley two half brothers who are divided by education and aspirations Leo is an unlikely proletarian hero who finally gains political consciousness in spite of himself Robert has literary pretensions but little talent and a head clogged with scraps of genteel romance and Victorian poetry As Leo and Robert grope toward reconciliation they come into contact with hybrids of artistic milieus radical politics and labor activism that were particular to the Popular Front era The introduction by Douglas Wixson shows how Conroy's writing is embedded in his experiences and also how his flawless ear for language shapes both form and character in the novel Moving readers from a sentimentalized concern for the poor to a more concrete contemplation of the social and political conditions that characterize their lives *A World to Win* serves as a reminder of the continuing importance of a dedication like Conroy's to giving voice to the voiceless

Cultural Memory and the Construction of Identity Dan Ben-Amos, Liliane Weissberg, 1999 Cultural memory and the Construction of Identity brings together scholars of folklore literature history and communication to explore the dynamics of cultural memory in a variety of contexts Memory is a powerful tool that can transform a piece of earth into a homeland and common objects into symbols The authors of this volume show how memory is shaped and how it operates in uniting society and creating images that attain the value of truth even if they deviate from fact

Robert Cantwell and the Literary Left T. V. Reed, 2014-06-01 Robert Cantwell and the Literary Left is the first full critical study of novelist and critic Robert Cantwell a Northwest born writer with a strong sense of social justice who found himself at the center of the radical literary and cultural politics of 1930s New York Regarded by F Scott Fitzgerald and Ernest Hemingway as one of the finest young fiction writers to emerge from this era Cantwell is best known for his superb novel *The Land of Plenty* set in western Washington His literary legacy however was largely lost during the Red Scare of the McCarthy era when he retreated to conservatism Through meticulous research an engaging writing style and a deep commitment to the history of American social movements T V Reed uncovers the story of a writer who brought his Pacific Northwest brand of justice to bear on the project of reworking American literature to include ordinary working people in its narratives In tracing the flourishing of the American literary Left as it unfolded in New York Reed reveals a rich progressive culture that can inform our own time

Ernest Mandel Jan Willem Stutje, 2020-05-05 Ernest Mandel 1923 1995 was one of the most prominent anti Stalinist Marxist intellectuals of his time A political theorist and economist his worldview was shaped by experiences in the Second World War as an underground political activist in Occupied Belgium and during his subsequent internment in a Nazi prison camp Mandel's faith in human nature and in the working classes survived Nazi oppression and the murder of much of his family in

the concentration camps He retained his connection to his Jewish roots throughout his life but believed that security and liberation for the Jewish people was best achieved through world revolution and universal emancipation rather than nationalism A brilliant orator in several languages Mandel was an indefatigable revolutionary militant and a key leader in the Fourth International and he had an enormous impact on the thought and practice of the 1968 generation His writings range from innovative economic and political theory to a study of the Second World War and have been published in over forty languages His last major work *Late Capitalism* had an influence that reached from the social sciences into the humanities Biographer Jan Willem Stutje the first writer with access to Mandel's archives has interviewed many of the leading figures in the story and unearthed a wealth of new material detailing Mandel's arrest by the Nazis and his role in Latin American guerrilla warfare He recounts Mandel's interactions with both scholars Sartre Ernst Bloch Perry Anderson and comrades in arms such as Che Guevara Rudi Dutschke and Tariq Ali The book also yields fascinating details of the man's sometimes tragic private life

American Radical D. D. Guttenplan, 2024-05-01 Popular Front columnist and New Deal propagandist Fearless opponent of McCarthyism and feared scourge of official liars Enterprising independent reporter and avid amateur classicist As D D Guttenplan puts it in his compelling book I F Stone did what few in his profession could he always thought for himself America's most celebrated investigative journalist himself remains something of a mystery however Born Isidor Feinstein in Philadelphia raised in rural New Jersey by the age of 25 this college drop out was already an influential newsman and enjoying extraordinary access to key figures in New Deal Washington and the friendship of important artists in New York It is Guttenplan's wisdom to see that the key to Stone's achievements throughout his singular career and not just in his celebrated I F Stone's Weekly lay in the force and passion of his political commitments Stone's calm forensic yet devastating reports on American politics and institutions sprang from a radical faith in the long term prospects for American democracy His testimony on the legacy of American politics from the New Deal and World War II to the era of the civil rights struggles the Vietnam War and beyond amounts to as vivid a record of those times as we are likely to have Guttenplan's lively provocative book makes clear why so many of his pronouncements have acquired the force of prophecy

The Big Boxcar Alfred Maund,1999 Like Chaucer s pilgrims in The Canterbury Tales each of these travelers has a story to tell These stories of humor and humiliation of prostitution and pride of love and murder reveal the lives and secrets of the tellers and give this transient community self respect and solidarity as it hurtles toward arrest or worse
