to communicate God's Word with the same powerful impact it had when it was first written **Excuses Begone!** Dr. Wayne W. Dyer, 2011-01-01 Within the pages of this transformational book Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging If I changed it would create family dramas I'm too old or too young I'm far too busy and tired I can't afford the things I truly want It would be very difficult for me to do things differently and I've always been this way may all seem to be true but they're in fact just excuses So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You'll learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You'll ultimately realize that there are no excuses worth defending ever even if they've always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you'll awaken to the life of your dreams **Excuses Begone** **Our Whole Life Is Our Whole Responsibility** Michael G. Kamau, 2011-11-01 This book is designed to provide important information about how we make our choices in life encouragement for each of us to make positive changes where we identify the need and practical ideas techniques and methodologies for correcting the direction of our life path to where we want it to go There is no one size fits all approach to making our life better Throughout this book we are encouraged to draw upon the many resources around us within us and available to us to make our life what we once wished and expected it to be It was written for you to see that you are the master of every area of your life It is empowering in every way This work does not conflict with your chosen religion Exercising this power will allow you to rise above all negative programming from your youth your self imposed learning limitations the fear and anxiety you experience from watching news programs your dysfunctional relationships any low self esteem issues involvement in self damaging habits and so on **Lifewalk** Walk Thru the Bible Ministries, Inc. Staff, 1998 When you add a LifeWalk devotional reading to your schedule you'll be able to take a break from life's pressures and refresh your spirit by spending meaningful time with God Each of the 180 passages focuses on a topic relevant to daily living's **In Search of Morality** Robert A.
