

A person is sitting on a wooden dock, looking out at a calm body of water under a bright, cloudy sky. The sun is low on the horizon, creating a strong backlight effect. A large, light blue speech bubble is positioned in the upper left corner, containing the word "Rest." in a dark, serif font. The dock is made of wooden planks, and the water reflects the sky. In the distance, a dark shoreline with some buildings is visible.

Mark Buchanan,2007-03-11 Many of us have endless demands and stifling daily routines Learn why Sabbath is essential to our full humanity and faith a rhythm of work and rest set by God that if restored to our lives will bring prolonged life enriched relationships increased fruitfulness and abundant joy We are waylaid by endless demands and stifling routines Even our vacations have a panicky task like edge to them If I only had more time is the mantra of our age But is this the real problem Pastor Mark Buchanan believes that what we ve really lost is the rest of God the rest God bestows and with it that part of himself we can know only through stillness In The Rest of God you ll Form a deeper relationship with God by understanding Sabbath s true purpose Learn how Sabbath allows us to live more fully into our status as free people released from the grueling incessant demands of life Connect Sabbath to the ultimate rest heaven Receive practical advice for restoring Sabbath in your life With this book Buchanan reminds us that Sabbath is about much more than going to church on Sunday It s about the much needed time to be still The gift of Sabbath is essential to our full humanity and faith God knowing that and knowing how easily we might neglect it made it a command Begin your own journey of restoration and renewal **I**

Will Give You Rest Jon C. Laansma,2015-12-17 This is a valuable source book for the idea of rest as it occurs in a wide spectrum of ancient Jewish and Christian literature The author provides a new way of understanding Matt 11 28 30 that challenges most recent scholarship and acts as a guide for application in the church *The Gospel Way Catechism* Trevin Wax,Thomas West,2025-07-22 Reclaiming an Ancient Tool of Faith Formation for Our Secular Age In a world overflowing with competing ideas about meaning and purpose it s more important than ever to embrace the gospel story as the ultimate lens through which we understand life For centuries Christians have relied on catechisms question and answer summaries of faith to teach the faith and disciple new believers The Gospel Way Catechism reclaims this powerful practice explaining 50 essential Christian beliefs in a clear Q A format But it doesn t stop there Each answer not only clarifies the core tenets of faith but also equips you to identify and challenge today s common yet powerful cultural narratives As you are formed by biblical answers to essential questions about God life and faith you will also be counter formed so you can identify the shortcomings of secular scripts and subvert them with the gospel Suitable for individual group and church wide study this discipleship tool provides an effective antidote to Western culture s inherent self centeredness Let this guide strengthen your faith and empower you to be salt and light in a culture desperate for meaning **Blessed Are the Rest of Us** Micha

Boyett,2024-04-09 When Micha Boyett s son was born with Down syndrome and later diagnosed with autism she was drawn into the ancient teachings of the Beatitudes There she found an invitation to honor her limits in a world that values performance perfection and strength Jesus instead calls his followers to embrace meekness mercy and the longing for justice The Beatitudes helped Boyett discover her wholeness in God s love rather than in her own accomplishments In Blessed Are the Rest of Us Boyett shares her insights with readers especially those who are burned out tired of performing living with grief feeling exhausted or powerless She invites them into an understanding of God and themselves centered on belovedness

rather than accomplishment Here is her message in God's dream for the world blessing has nothing to do with ease it's about flourishing and Jesus promises we find flourishing in our limits and in our longing to see the world made whole Each chapter centers on the refreshing good news of one beatitude poetically woven with stories of Boyett's life Beautifully reassuring and liberating this book calls readers to rest in God's rich and abundant love *China's Millions*, 1900 *Power in Rest* Ryo Leong, 2012-03 Rest is a much sought after commodity especially for those living in modern urban cities The concept of rest was introduced immediately after the genesis of creation when God rested on the seventh day God's rest promises more than mere physical rejuvenation Jesus urged all to come to Him and He will give us rest for our souls Yet many including Christians fail to find rest in God In this book you will discover What is God's idea of rest What are the benefits of God's rest How to enter into God's rest How to be fruitful in life through resting in God There is much more to be achieved from the position of rest than we can ever imagine US-50 Rest Area Construction, Robeson Hills, Lawrence County, 1973 **The Saints' Everlasting Rest** Richard Baxter, 1831 Collocations in a Learner Corpus Nadja Nesselhauf, 2005 Collocations are both pervasive in language and difficult for language learners even at an advanced level In this book these difficulties are for the first time comprehensively investigated On the basis of a learner corpus idiosyncratic collocation use by learners is uncovered the building material of learner collocations examined and the factors that contribute to the difficulty of certain groups of collocations identified An extensive discussion of the implications of the results for the foreign language classroom is also presented and the contentious issue of the relation of corpus linguistic research and language teaching is thus extended to learner corpus analysis *What the Rest Think of the West* Laura Nader, 2015-09-08 Over the past few centuries as Western civilization has enjoyed an expansive and flexible geographic domain Westerners have observed other cultures with little interest in a return gaze In turn these other civilizations have been similarly disinclined when they have held sway Clearly though an external frame of reference outstrips introspection we cannot see ourselves as others see us Unprecedented in its scope *What the Rest Think of the West* provides a rich historical look through the eyes of outsiders as they survey and scrutinize the politics science technology religion family practices and gender roles of civilizations not their own The book emphasizes the broader figurative meaning of looking west in the scope of history Focusing on four civilizations Islamic Japanese Chinese and South Asian Nader has collected observations made over centuries by scholars diplomats missionaries travelers merchants and students reflecting upon their own Wests These writings derive from a range of purposes and perspectives such as the seventh century Chinese Buddhist who goes west to India the missionary from Baghdad who travels up the Volga in the tenth century and meets the Vikings and the Egyptian imam who in 1826 is sent to Paris to study the French The accounts variously express critique adoration admiration and fear and are sometimes humorous occasionally disturbing at times controversial and always enlightening With informative introductions to each of the selections Laura Nader initiates conversations about the power of representational practices St. Nicholas, 1882
