*Spain and the Irish Mission, 1609-1707* Cristina Bravo Lozano, 2018-10-26 *Spain and the Irish Mission 1609 1707* examines Spanish confessional policy in 17th century Ireland Cristina Bravo Lozano provides an innovative perspective on Spanish Irish relations during a crucial period for Early Modern European history Key historical actors and events are brought to the fore in her account of the missionary networks created around the Irish Catholic exile in the Iberian Peninsula She presents a comprehensive study of this form of royal patronage the changes and challenges Irish Catholicism had to face after the peace of London 1604 and the role that Irish missionaries played in preserving its place within the framework of Anglo Spanish relations *The Putney Debates of 1647* Michael Mendle, 2001-08-27 In the autumn of 1647 soldiers and officers of Oliver Cromwell s New Model Army held discussions near London on the constitution and future of England Would there be a king and lords or not Would suffrage be limited to property holders Would democratic changes lead to anarchy Three generations of scholars examine the debates in their multiple contexts the debates themselves the nature and history of the text that has come down to us the army s immediate concerns the role of Leveller and other democratic ideas the wider ramifications for politics and gender and the place of the debates and the Levellers in later historical consciousness The debates receive here their most sustained and varied scrutiny resulting in a much richer appreciation of the very words reported to have been spoken by Oliver Cromwell Henry Ireton Thomas Rainborough and the others during those three tense and exhilarating days **Imagining Early Modern London** J. F. Merritt, 2001-08-30 The 120 years that separate the first publication of John Stow s famous *Survey of London* in 1598 from John Strype s enormous new edition of the same work in 1720 witnessed London s transformation into a sprawling augustan metropolis very different from the compact medieval city so lovingly charted in the pages of Stow *Imagining Early Modern London* takes Stow s classic account of the Elizabethan city as a starting point for an examination of how generations of very different Londoners men and women antiquaries merchants skilled craftsmen labourers and beggars experienced and understood the dramatically changing city A series of interdisciplinary essays explore the ways in which Londoners interpreted and memorialized their past how individuals located themselves mentally socially and geographically within the city and how far the capital s growth was believed to have a moral influence upon its inhabitants **Restoration Politics, Religion and Culture** George Southcombe, Grant Tapsell, 2009-11-27 This indispensable introductory guide offers students a number of highly focused chapters on key themes in Restoration history Each addresses a core question relating to the period 1660 1714 and uses artistic and literary sources as well as more traditional texts of political history to illustrate and illuminate arguments George Southcombe and Grant Tapsell provide clear analyses of different aspects of the era whilst maintaining an overall coherence based on three central propositions 1660 1714 represents a political world fundamentally influenced by the civil wars and interregnum The period can best be understood by linking together types of evidence too often separated in conventional accounts The high politics

of kings and their courts should be examined within broader social and geographical contexts Featuring chapters on the exclusion crisis Charles II and James VII II as well as the British dimension restoration culture and politics out of doors this is essential reading for anyone studying this fascinating period in British history *The Stuart Kingdoms in the Seventeenth Century* Allan I. Macinnes, Jane H. Ohlmeyer, 2002 These essays offer fresh and exciting research often by younger scholars and innovative insights from regional national and international perspectives **Culture and Society in the Stuart Restoration** Gerald M. MacLean, 1995-04-27 Literary and cultural changes reflecting new commercial and imperial interests of Restoration Britain **The Stuart Age** Barry Coward, Peter Gaunt, 2017-02-16 The Stuart Age provides an accessible introduction to England's century of civil war and revolution including the causes of the English Civil War the nature of the English Revolution the aims and achievements of Oliver Cromwell the continuation of religious passion in the politics of Restoration England and the impact of the Glorious Revolution on Britain The fifth edition has been thoroughly revised and updated by Peter Gaunt to reflect new work and changing trends in research on the Stuart age It expands on key areas including the early Stuart economic religious and social context key military events and debates surrounding the English Civil War colonial expansion foreign policy and overseas wars and significant developments in Scotland and Ireland A new opening chapter provides an important overview of current historiographical trends in Stuart history introducing readers to key recent work on the topic The Stuart Age is a long standing favourite of lecturers and students of early modern British history and this new edition is essential reading for those studying Stuart Britain **Atlantic Circulations** Edward Holberton, 2025-04-02 Atlantic Circulations investigates literary conversations about empire in the British Atlantic world c 1650 1750 Reading texts by Anne Bradstreet John Milton Daniel Defoe and Benjamin Franklin as well as writing by overlooked authors who deserve more attention such as the Quaker anti slavery activist Benjamin Lay and the Black classicist Francis Williams it asks how literary culture interacted with transatlantic debates about law enslavement economics and religious freedom This study explores the relationship between literature and empire by joining up disciplinary areas Early Modern English Literature and Early American Literature which are often considered apart It develops insights and analytical frameworks from recent British and Atlantic World history to argue that the transatlantic reception of literary texts was often shaped by archipelagic dynamics political and religious tensions between and within England and Wales and Scotland and Ireland Atlantic Circulations examines several previously unknown manuscripts and archives which throw new light on the circulation of literary texts in colonial culture and reconstructs key Anglophone transatlantic cultural debates during a crucial phase of European expansion in the Atlantic world This book will appeal to advanced students and academic researchers of early modern and eighteenth century English literature and British cultural history especially readers with an interest in literature's relationships with empire colonialism and travel and scholars of early American literature and history **Early Modern England 1485-1714** Robert Bucholz, Newton Key, 2013-04-03 The

second edition of this bestselling narrative history has been revised and expanded to reflect recent scholarship The book traces the transformation of England during the Tudor Stuart period from feudal European state to a constitutional monarchy and the wealthiest and most powerful nation on Earth Written by two leading scholars and experienced teachers of the subject assuming no prior knowledge of British history Provides student aids such as maps illustrations genealogies and glossary This edition reflects recent scholarship on Henry VIII and the Civil War Extends coverage of the Reformations the Rump and Barebone s Parliament Cromwellian settlement of Ireland and the European Scottish and Irish contexts of the Restoration and Revolution of 1688 9 Includes a new section on women s roles and the historiography of women and gender Click here for more discussion and debate on the authors blogspot <http://earlymodernengland.blogspot.com> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates

**Ideologies of Western Naval Power, c. 1500-1815** J.D. Davies, Alan James, Gijs Rommelse, 2019-06-25 This ground breaking book provides the first study of naval ideology defined as the mass of cultural ideas and shared perspectives that for early modern states and belief systems justified the creation and use of naval forces Sixteen scholars examine a wide range of themes over a wide time period and broad geographical range embracing Britain the Netherlands France Spain Sweden Russia Venice and the United States along with the extra national politics of piracy neutrality and international Calvinism This volume provides important and often provocative new insights into both the growth of western naval power and important elements of political cultural and religious history

**The Making of English National Identity** Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar s lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are

**Scottish Public Opinion and the Anglo-Scottish Union, 1699-1707** Karin Bowie, 2007 The Anglo Scottish union crisis is used to demonstrate the growing influence of popular opinion in this period

**A History of the British Isles** Kenneth L. Campbell, 2017-01-26 CHOICE Outstanding Academic Title 2017 A History of the British Isles is a balanced and integrated political social cultural and religious history of

the British Isles in all its complexity exploring the constantly evolving dialogue and relationship between the past and the present A wide range of topics and questions are addressed for each period and territory discussed including England's Wars of the Roses of the 15th century and their influence on court politics during the 16th century Ireland's Rebellion of 1798 the Potato Famine of the 1840s and the Easter Rising of 1916 the two World Wars and the Great Depression British cultural and social change during the 1960s and the history and future of the British Isles in the present day Kenneth Campbell integrates the histories of England Ireland Scotland and Wales by exploring common themes and drawing on comparative examples while also demonstrating how those histories are different making this a genuinely integrated text Campbell's approach allows readers to appreciate the history of the British Isles not just for its own sake but for the purposes of understanding our current political divisions our world and ourselves

*Charles Dibdin and Late Georgian Culture* Oskar Cox Jensen, David Kennerley, Ian Newman, 2018-01-19 Charles Dibdin 1745-1814 was one of the most popular and influential creative forces in late Georgian Britain producing a diversity of works that defy simple categorisation He was an actor lyricist composer singer songwriter comedian theatre manager journalist artist music tutor speculator and author of novels historical works polemical pamphlets and guides to musical education This collection of essays illuminates the social and cultural conditions that made such a varied career possible offering fresh insights into previously unexplored aspects of late Georgian culture society and politics Tracing the transitions in the cultural economy from an eighteenth century system of miscellany to a nineteenth century regime of specialisation *Charles Dibdin and Late Georgian Culture* illustrates the variety of Dibdin's cultural output as characteristic of late eighteenth century entertainment while also addressing the challenge mounted by a growing preoccupation with specialisation in the early nineteenth century The chapters written by some of the leading experts in their individual disciplines examine Dibdin's extraordinarily wide ranging career spanning cultural spaces from the theatres at Drury Lane and Covent Garden through Ranelagh Gardens Sadler's Wells and the Royal Circus to singing on board ships and in elegant Regency parlours from broadside ballads and graphic satires to newspaper journalism mezzotint etchings painting and decorative pottery Together they demonstrate connections between forms of cultural production that have often been treated as distinct and provide a model for a more integrated approach to the fabric of late Georgian cultural production

**Freedom and Capitalism in Early Modern Europe** Philipp Robinson Rössner, 2020-10-12 This book hinges upon ideas and discourses variously known under labels such as Mercantilism and Cameralism Often viewed as antithesis of capitalism inclusive institutions and good economy in the West this book re-assembles them and builds them into a coherent origin story of modern capitalism It explores the field of intellectual and conceptual history especially the history of Renaissance and Mercantilism in a longer history of capitalism Rather than hindrances the author argues that Mercantilist and Cameralist political economies presented essential stepping stones of modern capitalism in Britain and beyond This book will be of interest to academics and students in general economic history the history of capitalism economic development and the

Basker, Richard Gilder Professor of Literary History James G Basker, 2002-01-01 This volume is the first anthology of poetic writings on slavery from America Britain and around the Atlantic during the Enlightenment the crucial period that saw the height of the slave trade but also the origins of the anti slavery movement Bringing together more than four hundred poems and excerpts from longer works that were written by more than two hundred and fifty poets both famous and unknown the book charts the emergence of slavery as part of the collective consciousness of the English speaking world The book includes poems by forty women ranging from abolitionists Hannah More and Mary Robinson to Frances Seymour the Countess of Herford works by more than twenty African or African American poets including familiar names Phillis Wheatley intriguing figures Afro Dutch Latin scholar Johannes Capitein and newly rediscovered black poets an anonymous veteran of the Revolutionary War and poetry by such canonical writers as Dryden Defoe Pope Johnson Blake Boswell Burns Wordsworth and Coleridge The poems speak of the themes of slavery capture torture endurance rebellion thwarted romances and spiritual longing They also raise intriguing questions about the contradictions between cultural attitudes and public policy of the time Writers such as these suggests editor James Basker were not complicit in the imperial project or indifferent about slavery but actually laid the groundwork for the political changes that would follow BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Dublin** David Dickson, 2014-11-24 As rich and diverse as its subject Dickson s magisterial history brings 1 400 years of Dublin vividly to life from its medieval incarnation through the neoclassical eighteenth century the Easter Rising that convulsed the city in 1916 the bloody civil war following the handover of power by Britain to end of millennium urban renewal efforts      The English and Their History Robert Tombs, 2015-10-27 A New York Times 2016 Notable Book Robert Tombs s momentous The English and Their History is both a startlingly fresh and a uniquely inclusive account of the people who have a claim to be the oldest nation in the world The English first came into existence as an idea before they had a common ruler and before the country they lived in even had a name They have lasted as a recognizable entity ever since and their defining national institutions can be traced back to the earliest years of their history The English have come a long way from those first precarious days of invasion and conquest with many spectacular changes of fortune Their political economic and cultural contacts have left traces for good and ill across the world This book describes their history and its meanings from their beginnings in the monasteries of Northumbria and the wetlands of Wessex to the cosmopolitan energy of today s England Robert Tombs draws out important threads running through the story including participatory government language law religion the land and the sea and ever changing relations with other peoples Not the least of these connections are the ways the English have understood their own history have argued about it forgotten it and yet been shaped by it These diverse and sometimes conflicting understandings are an inherent part of their identity Rather to their surprise as ties within the United Kingdom loosen the English are suddenly embarking on a new chapter The English and Their History the first single

volume work on this scale for more than half a century and which incorporates a wealth of recent scholarship presents a challenging modern account of this immense and continuing story bringing out the strength and resilience of English government the deep patterns of division and also the persistent capacity to come together in the face of danger A familiar history of the British Army, from the restoration in 1660 to the present time ... Joachim Hayward Stocqueler, 1871

**A Common Grave** Susan Juster, 2025-05-07 From Nevis to Newfoundland Catholics were everywhere in English America But often feared and distrusted they hid in plain sight deftly obscuring themselves from the Protestant authorities Their strategies of concealment deception and misdirection frustrated colonial census takers and their presence has likewise eluded historians of religion who have portrayed Catholics as isolated dots in an otherwise vast Protestant expanse Pushing against this long standing narrative Susan Juster provides the first comprehensive look at the lived experience of Catholics whether Irish African French or English in colonial America She reveals a vibrant community that although often forced to conceal itself maintained a rich sacramental life saturated with traditional devotional objects and structured by familiar rituals As Juster shows the unique pressures of colonial existence forced Catholics to adapt and transform these religious practices By following the faithful into their homes and private chapels as they married christened infants buried loved ones and prayed for their souls Juster uncovers a confluence of European African and Indigenous spiritual traditions produced by American colonialism
