Restorative Justice Healing The Foundations Of Our Everyday Lives:

Restorative Justice, 2005 **Restorative Justice** Dennis Sullivan, Larry Tifft, 2001 This bold uncompromising essay offers a dual challenge to anyone interested in issues of justice First it poses a radical critique of current criminal justice practices in favor of a restorative justice alternative Then it advocates a radical reformulation of the thinking and practices of restorative justice itself Restorative justice is a growing movement that strives to achieve reconciliation between crime victims and the persons who have harmed them through the use of various forms of mediation and nonviolent conflict resolution Many programs embodying this approach have been launched in North America and abroad The authors call for two vast revisions in restorative justice thinking replacing justice practices based on rights and deserts with approaches that seek to meet the needs of all including the harm doer and the community as well as those directly affected by a harm and applying these principles to a broad range of social institutions including families schools workplaces and neighborhoods in addition to the justice system *Handbook of Restorative Justice* Dennis Sullivan, Larry Tifft, 2007-05-07 *Handbook of Restorative Justice* is a collection of original cutting edge essays that offer an insightful and critical assessment of the theory principles and practices of restorative justice around the globe This much awaited volume is a response to the cry of students scholars and practitioners of restorative justice for a comprehensive resource about a practice that is radically transforming the way the human community responds to loss trauma and harm Its diverse essays not only explore the various methods of responding nonviolently to harms done by persons groups global corporations and nation states but also examine the dimensions of restorative justice in relation to criminology victimology traumatology and feminist studies In addition They contain prescriptions for how communities might re structure their family school and workplace life according to restorative values This Handbook is an essential tool for every serious student of criminal social and restorative justice **Handbook of Restorative Justice** Gerry Johnstone, Daniel Van Ness, 2013-01-11 This book provides a comprehensive and authoritative account and analysis of restorative justice one of the most rapidly growing phenomena in the field of criminology and justice studies This book aims to meet the need for a comprehensive reliable and accessible overview of the subject It draws together leading authorities on the subject from around the world in order to elucidate and discuss the key concepts and principles of restorative justice explain how the campaign for restorative justice arose and developed into the influential social movement it is today describe the variety of restorative justice practices explain how they have developed in various places and contexts and critically examine their rationales and effects identify and examine key tensions and issues within the restorative justice movement brings a variety of disciplinary and interdisciplinary perspectives to bear upon the understanding and assessment of restorative justice The *Handbook of Restorative Justice* is essential reading for students and practitioners in the field *Restorative Justice* Margarita Zernova, 2016-12-05 The legitimacy and performance of the traditional criminal justice system is the subject of intense scrutiny as the world economic crisis continues to put pressure on

governments to cut the costs of the criminal justice system This volume brings together the leading work on restorative justice to achieve two objectives to construct a comprehensive and up to date conceptual framework for restorative justice suitable even for newcomers and to challenge the barriers of restorative justice in the hope of taking its theory and practice a step further The selected articles start by answering some fundamental questions about restorative justice regarding its historical and philosophical origins and challenge the concept by bringing into the debate the human rights and equality discourses Also included is material based on empirical testing of restorative justice claims especially those impacting on reoffending rates victim satisfaction and reintegration The volume concludes with a critique of restorative justice as well as with analytical thinking that aims to push its barriers It is hoped that the investigations offered by this volume not only offer hope for a better system for abolitionists and reformists but also new and convincing evidence to persuade the sceptics in the debate over restorative justice

Restorative Justice Dialogue Mark Umbreit, Marilyn Peterson Armour, 2010-06-22
Although Restorative Justice Dialogue is not a long text it is an impressive achievement Each chapter is rich in content as Umbreit and Armour blend theory practice empirical research and case studies to discuss a range of topics from specific models of restorative justice to the role of facilitators in restorative justice dialogue

PsycCRITIQUES Restorative Justice Dialogue presents a thorough and comprehensive explanation and assessment of the current state of restorative justice in the world Journal of Social Work Values and Ethics A n evidence based description of the history practices and future of restorative dialogue that is informed by the values and principles of law social work and spirituality This is an impressive achievement Daniel W Van Ness Prison Fellowship International Washington DC I know of no other book that provides such a complete review of the various and emerging restorative practices and the phenomenal growth of this movement worldwide David Karp PhD Skidmore College The combination of two outstanding and widely recognized restorative justice researchers practitioners and authors has produced a text that is destined to be a major resource Katherine Van Wormer PhD University of Northern Iowa This book provides a comprehensive foundation for understanding restorative justice and its application worldwide to numerous social issues Backed by reviews of empirical research and case examples the authors describe the core restorative justice practices including victim offender mediation family group conferencing and peacemaking circles as well as cultural considerations emerging variations in a wide variety of settings and the crucial role of the facilitator Together authors Umbreit and Armour bring the latest empirical research and clinical wisdom to those invested in the research and practice of restorative justice

Just Peace Fernando Enns, Annette Mosher, 2013-09-17 Christian theology and ethics have wrestled with the challenge to apply Jesus's central message of nonviolence to the injustices of this world Is it not right to defend the persecuted by using violence

Is it unjust if the oppressed defend themselves if necessary by the use of violence in order to liberate themselves and to create a more just society Can we leave the doctrine of the just war behind and shift all our attention toward the way of a just peace In 2011 the World Council of Churches brought to a close the Decade to Overcome Violence to which the churches committed themselves at the beginning of the century Just peace has evolved as the new ecumenical paradigm for contemporary Christian ethics Just peace signals a realistic vision of holistic peace with justice which in the concept of shalom is central in the Hebrew Bible as well as in the gospel message of the New Testament This paradigm needs further elaboration VU University gathered peacebuilding practitioners and experts from different parts of the world Africa Latin America North America Asia and Europe and from different disciplines anthropology psychology social sciences law and theology voices from across generations and Christian traditions to promote discussion about the different dimensions of building peace with justice

Restoring Justice Daniel W. Van Ness, Karen Heetderks Strong, Jonathan Derby, L. Lynette Parker, 2022-05-30 Restoring Justice An Introduction to Restorative Justice Sixth Edition offers a clear and convincing explanation of restorative justice a movement within criminal justice with ongoing worldwide influence The book explores the broad appeal of this vision and offers a brief history of its roots and development as an alternative to an impersonal justice system focused narrowly on the conviction and punishment of those who break the law Instead restorative justice emphasizes repairing the harm caused or revealed by criminal behavior using cooperative processes that include all the stakeholders The book presents the theory and principles of restorative justice and discusses its four cornerpost ideas Inclusion Encounter Repair and Cohesion Multiple models for how restorative justice may be incorporated into criminal justice are explored and the book proposes an approach to assessing the extent to which programs or systems are actually restorative in practice The authors also suggest six strategic objectives to significantly expand the use and reach of restorative justice and recommended tactics to make progress towards the acceptance and adoption of restorative programs and systems

Encyclopedia of Victimology and Crime Prevention Bonnie S. Fisher, Steven P. Lab, 2010-02-02 For a free 30 day online trial to this title visit www.sagepub.com/freetrial In many ways the two fields of victimology and crime prevention have developed along parallel yet separate paths and the literature on both has been scattered across disciplines as varied as sociology law and criminology public health and medicine political science and public policy economics psychology and human services and others The Encyclopedia of Victimology and Crime Prevention brings together in one authoritative resource the dispersed information and knowledge on both victimology and crime prevention With nearly 375 entries this two volume set moves victimology and crime prevention one step further into recognized scholarly fields whose research informs practice and whose practice informs research Key Features Provides users with the most authoritative and comprehensive coverage available on victimology and crime prevention Presents victimology and crime prevention as their own separate justifiable disciplines rather than subfields within more established disciplines Discusses the status of victims within the

criminal justice system as well as topics of deterring and preventing victimization in the first place and responding to victims needs Offers anchor essays written by leading scholars in their respective fields to provide starting points for investigating the more salient victimology and crime prevention topics Key Themes Business Prevention Actions Civil Justice System Correlates of Victimization Courts Alternative Remedies Courts Law and Justice Crime Prevention Crime Prevention Partnerships Criminal Justice System Fear of Crime Individual Protection Actions Interventions and Intervention Programs for Victim and Offender Intrafamilial Offenses Legislation and Statutes Media and Crime Prevention Methodology Offenses Special Topics Official Crime Data Personal Offenses Property Offenses Psychological Mental and Physical Health Issues Residential Community Crime Prevention School and Workplace Offenses School Based Crime Prevention Services and Treatment for Victims Theory Victimization Scales and Surveys Victimology Youth Focused Crime Prevention The victimology crime prevention nexus provides the foundation for a comprehensive and hopefully long lasting approach to addressing the public s risk of being victimized and aids individuals who are targeted by a criminal act This is a welcome addition to any academic library The availability in print and electronic formats provides students with convenient easy access wherever they may be

The American Prison Francis T. Cullen, Mary K. Stohr, 2014 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders *The American Prison Imagining a Different Future* by Francis T Cullen Cheryl Lero Johnson and Mary K Stohr pulls together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay *Just Care* Belinda Hopkins, 2009 In this photocopiable resource Belinda Hopkins identifies the practical benefits of employing the restorative approach and offers a fresh look at encouraging self regulation through the promotion of pro social behaviour and greater involvement of the young people themselves in making choices that address everyone's needs *Handbook of Risk and Crisis Communication* Robert L. Heath, H. Dan O'Hair, 2020-10-28 The Handbook of Risk and Crisis Communication explores the scope and purpose of risk and its counterpart crisis to facilitate the understanding of these issues from conceptual and strategic perspectives Recognizing that risk is a central feature of our daily lives found in relationships organizations governments the environment and a wide variety of interactions contributors to this volume explore such questions as What is likely to happen to whom and with what consequences To what extent can science and vigilance prevent or mitigate negative outcomes and What obligation do some segments of local national and global populations have to help other segments manage risks shedding light on the issues in the quest for definitive answers The Handbook offers a broad approach to the study of risk and crisis as joint concerns Chapters explore the reach of crisis and risk communication define and examine key constructs and parse the contexts of these vital areas As a whole the volume presents a comprehensive array of studies that highlight the standard principles and theories on both topics serving as the largest effort to date focused on engaging risk communication discussions in a comprehensive manner Now available in paperback the Handbook of Risk and Crisis Communication can be readily used in graduate coursework and individual research programs With perspectives from psychology sociology anthropology political science economics and communication the Handbook provides vital insights for all disciplines studying risk and is required reading for scholars and researchers investigating risk and crisis in various contexts

Cultural Competence in Higher Education Tiffany Puckett, Nancy S. Lind, 2020-09-03 This book covers

teaching cultural competence in colleges and universities across the United States providing a comprehensive reference for instructors researchers and other stakeholders who are looking for material that will assist them in working to prepare students to become culturally competent American Criminal Courts Casey Welch, John Randolph Fuller, 2013-02-19

American Criminal Courts Legal Process and Social Context is an introductory level text that offers a comprehensive study of the legal processes that guide criminal courts and the social contexts that introduce variations in the activities of actors inside and outside the court Specifically the text focuses upon Legal Processes U S criminal courts are constrained by several legal processes and organizational structures that determine how the courts operate and how laws are applied This book explores how democratic processes develop the criminal law in the United States the documents that define law federal and state constitutions legal codes administrative policies the organizational structure of courts at the federal and state levels the overlapping authority of the appeals process and the effect of legal processes such as precedent jurisdiction and the underlying legal philosophies of various types of courts Although most texts on criminal courts do a credible job of describing legal processes this text looks more deeply into the origins of criminal law historic turning points in the criminal law conditions that affect the decision making of criminal justice practitioners and the contentious political process that affects how criminal laws are considered Social Contexts The criminal courts are staffed by people who represent different perspectives occupational pressures and organizational goals The text includes chapters on actors in the traditional courtroom workgroup judges prosecutors and defense attorneys as well as those outside the court who seek to influence it including advocacy groups media and politicians It is the interplay between the court legal processes and the social actors in the courtroom that makes the application of the criminal laws so fascinating By focusing on the tension between the law legal processes and the actors inside and outside the courts system social contexts this text demonstrates how the courts are a product of law in action and it presents the course content in a way that enables students to understand not only the how of the U S criminal court system but also the why *Escape Routes: Contemporary Perspectives on Life After Punishment* Stephen Farrall, Richard Sparks, Shadd Maruna, Mike Hough, 2010-12-15

Escape Routes: Contemporary Perspectives on Life After Punishment addresses the reasons why people stop offending and the processes by which they are rehabilitated or resettled back into the community Engaging with and building upon renewed criminological interest in this area *Escape Routes* nevertheless broadens and enlivens the current debate First its scope goes beyond a narrowly defined notion of crime and includes for example essays on religious redemption the lives of ex war criminals and the relationship between ethnicity and desistance from crime Second contributors to this volume draw upon a number of areas of contemporary research including urban studies philosophy history religious studies and ethics as well as criminology Examining new theoretical work in the study of desistance and exploring the experiences of a number of groups whose experiences of life after punishment do not usually attract much attention *Escape Routes* provides new insights about the processes associated with

reform resettlement and forgiveness Intended to drive our understanding of life after punishment forward its rich array of theoretical and substantive papers will be of considerable interest to criminologists lawyers and sociologists *The Psychology of Criminal Conduct* James Bonta,D. A. Andrews,2023-09-28 The Psychology of Criminal Conduct Seventh Edition provides a psychological and evidence informed perspective of criminal behavior that sets it apart from many criminological and mental health explanations of criminal behavior Drawing upon the General Personality and Cognitive Social Learning theory James Bonta and Donald Andrews provide an overview of the theoretical context and major knowledge base of the psychology of criminal conduct discuss the eight major risk need factors of criminal conduct examine the prediction and classification of criminal behavior along with prevention and rehabilitation and summarize the major issues in understanding criminal conduct This book also offers the Risk Need Responsivity RNR model of assessment and treatment that has guided developments in the subject throughout the world Bonta carefully maintains the book s original contributions while presenting core concepts succinctly clearly and elegantly Appropriate for advanced undergraduates and graduate students as well as for scholars researchers and practitioners The Psychology of Criminal Conduct Seventh Edition further extends and refines the authors body of work The book is extended and enhanced by a website that includes A curated selection of videos webinars and podcast episodes bringing together diverse voices from leaders across the field of corrections and criminal psychology Technical notes providing additional context and detail to concepts explored in the book Interactive quizzes to test understanding and support study Lecture slides exercises and test banks designed to save instructors time **How Offenders Transform Their Lives** Johnna Christian,Bonita M. Veysey,Damian J. Martinez,2009 At a time when the scale of imprisonment in the United States has reached a historic high researchers estimate that more than 600 000 individuals a year are released from prison to return to their home communities These individuals have serious needs such as finding employment and housing reuniting with family members and obtaining healthcare and treatment for alcohol and substance abuse problems Similar patterns are emerging in the UK Europe and elsewhere in the world where rates of imprisonment continue to rise While research in this area has stressed these aspects of the transition from prison a less explored area of research considers the role of internal identity shifts from that of an offender to one of citizen and how this creates the conditions for desistance from criminal behaviour both within the confines of a correctional facility and in the reentry process This book presents a series of studies mostly qualitative that investigate individual identity transformation from offender status to pro social non offending roles Moreover the work in this volume highlights the perspectives of the men and women who are current or formerly incarcerated people Each piece provides an empirical analysis of the interaction between current of former prisoners and innovative pro social programs and networks which are grounded in the most current theoretical work about individual transformation and change This book will be of interest to undergraduates postgraduates researchers and lecturers in all fields within the social sciences but especially criminology and criminal justice and sociology

and social work welfare as well as practitioners in social work and criminal justice sectors *How Offenders Transform Their Lives* Bonita Veysey, Johnna Christian, Damian J. Martinez, 2013-01-11 This book presents a series of studies that investigate individual identity transformation from offender status to pro social non offending roles highlighting the perspectives of the men and women who are current or were formerly incarcerated **The Participation of Victims in**

International Criminal Proceedings Alessandra Cuppini, 2022-09-30 This book argues that the expressivist justice model provides a meaningful foundation for the participation of victims in international criminal proceedings Traditional criminal justice theories have tended to marginalise the role afforded to victims while informing the criminal procedures utilised by international criminal courts As a result giving content to shaping and enhancing victims participatory rights have been some of the most debated issues in international criminal justice This book contributes to this debate by advancing expressivism which has the capacity to create a historical narrative of gross human rights violations as a core of international criminal justice able to provide a worthwhile basis for the participation of victims in proceedings and clarifying the scope and content of their participatory rights The work provides an in depth discussion on issues related to victims participatory rights from the perspective of international human rights law victimology and the philosophical foundation of international criminal justice The book will be a valuable resource for researchers academics and policymakers working in the areas of international criminal justice international human rights law transitional justice and conflict studies
