Restoring the Faith Edith Waldvogel Blumhofer, 1993 American Pentecostalism began as a culturally isolated sect intent upon announcing the imminence of the world's end. The sect's early millenarian fervor gradually became muted in favor of flag waving patriotism. At the end of the twentieth century it has become an affluent worldwide movement thoroughly entrenched in popular culture. Edith Blumhofer uses the Assemblies of God, the largest classical Pentecostal denomination in the world, as a lens through which to view the changing nature of Anglo Pentecostalism in the United States. She illustrates how the original mission to proclaim the end resulted in the development of Bible schools, the rise of the charismatic movement, and the popularity of such figures as Aimee Semple McPherson, Charles Fox Parham, and David Du Plessis. Blumhofer also examines the sect's use of radio and television and the creation of a parallel Christian culture.

Spiritual Restoration Skip Moen, 2008 Why is it so difficult to live the way the Bible teaches? Why don't things work out when we try to be truly holy? Why does the world give us so many problems? If you've struggled with these kinds of questions, there are answers. Walk the path of Spiritual Restoration. You will discover that our frustration and confusion often comes from our Greek worldview. God has a completely different perspective, but if we try to live with one foot in the Greek world and one foot in the Hebrew world, we feel compartmentalized, fragmented, and defeated. We have unconsciously worked against ourselves by trying to make God fit the Greek model. All of that can change today. Spiritual Restoration reveals the startling differences between these worldviews. Now we can begin recovery and restoration where living the biblical worldview makes sense for what we need today. Author, teacher, and consultant Skip Moen has five degrees, including a Ph.D. from Oxford University. With more than twenty-five years of business entrepreneurial development, Skip provides consulting that helps organizations align their leadership and operations with Biblical principles. He is the Dean of the Department of Biblical Leadership at Master's International Divinity School and the author of *Words to Lead*. By a study of Jesus' leadership, Skip achieved the American dream of independent wealth, only to discover a life of pointless affluence. God radically changed his direction, exposing the myth of security in a Greek-based culture. Now he wants to recover the foundation of God's point of view for living. Subscribers to his web site www.atgodstable.com receive a daily word study focused on personal application of the depth of God's word. His articles on business ethics, theology, and personal commitment have appeared in many periodicals.

Pierce,Robert Heidler,2003-12-08 This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle Within the ranks there were those who carried huge shields to protect the bulk of the army And just as we fight spiritual battles today there is a mighty shield we can carry to protect us This shield of faith is one of the main ways we can resist our enemy s attacks We are fully capable of resisting the enemy s attacks but we must first be able to recognize how Satan fights His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers If we succumb our faith is weakened The keys to increasing our faith are found in knowing the Word of God which engenders praise thankfulness trust and obedience **Spiritual Warfare that Shattered Demonic Alters & Household Witchcraft** Robin Dinnanauth,2016-07-08 People in the demonic spiritual and occultic realms know the power and understand the principles of demonic alters and household wickedness So they use these tactics of the demonic world to destroy innocent people that they don t like or hire to destroy Most evil priest that operates in household witchcraft and build demonic alters are hired and paid to destroy innocent people We see in the bible that the children of Israel had been prospering and walking in dominion They were possessing their possessions and doing well So a king hired an evil prophet to prophesy against them and curse them This prophet understanding spiritual things therefore prepared the perfect altar When he tried to curse God s people his altar did not work because sin was not found in the people of God This evil prophet did not give up He prepared a perfect altar two more times to carry his wicked schemes The Restoration Project Matthew J.
