Restorers Of Hope Reaching The Poor In Your Community With Churchbased Ministries That Work:

Restorers of Hope Amy L. Sherman, 2004-11-04 It's easy to get discouraged at the reports of continuing decay in our inner cities and impoverished rural areas. Yet in the midst of the dark realities, some churches are transforming lives and reclaiming communities through effective holistic ministries. *Restorers of Hope* tells their stories and identifies the keys to their success. And it goes further by challenging churches to take up Christ's command to love your neighbor and offering specific practical guidance on how to reach out. By understanding the challenges of persistent poverty and the opportunities afforded by welfare reform, you and your church will be better equipped to engage in redemptive ministry that presents the gospel as the true solution.

Winning Grants to Strengthen Your Ministry Joy Skjægstad, 2007-05-28 Ministry leaders possess the compassion, creativity, and knowledge about community needs that grant funders appreciate. Yet ministry groups are often less experienced than other types of nonprofit organizations in discerning which funding to seek, understanding how to build relationships with funders, and putting together proposals. This book offers a pathway to strengthening new and existing ministries. Joy Skjægstad is an experienced grant proposal writer who has successfully raised money for a variety of nonprofits over the past 20 years, including a number of ministry organizations. She shows how fundraising can be an integral part of ministry, forcing us into deeper conversation with God, expanding our relationships with others, and building both our faith and our discipline. Providing detailed guidance on the practical aspects of seeking grants.
