Restoring The Christian Soul:

Restoring the Christian Soul Leanne Payne, 1996-03-01 Three barriers keep us from being whole persons 1 inability to receive forgiveness 2 inability to forgive 3 inability to accept ourselves **Restoring the Christian Soul Through Healing Prayer** Leanne Payne, 1992 **Restoring the Christian Soul Through Healing Prayer** Leanne Payne, 1991 Mankind's condition has been described as a crisis in separation from God from others and from ourselves Leanne Payne shows how to overcome the three great barriers to wholeness inability to receive God's forgiveness inability to forgive others and inability to accept ourselves **The Healing Presence** Leanne Payne, 1995-08-01 Leanne Payne explains the basis of her counseling ministry Christ's indwelling presence that brings the power of the incarnation into wounded lives The Rest of God Mark Buchanan, 2007-03-11 Many of us have endless demands and stifling daily routines Learn why Sabbath is essential to our full humanity and faith a rhythm of work and rest set by God that if restored to our lives will bring prolonged life enriched relationships increased fruitfulness and abundant joy We are waylaid by endless demands and stifling routines Even our vacations have a panicky task like edge to them If I only had more time is the mantra of our age But is this the real problem Pastor Mark Buchanan believes that what we've really lost is the rest of God the rest God bestows and with it that part of himself we can know only through stillness In The Rest of God you'll form a deeper relationship with God by understanding Sabbath's true purpose Learn how Sabbath allows us to live more fully into our status as free people released from the grueling incessant demands of life Connect Sabbath to the ultimate rest heaven Receive practical advice for restoring Sabbath in your life With this book Buchanan reminds us that Sabbath is about much more than going to church on Sunday It's about the much needed time to be still The gift of Sabbath is essential to our full humanity and faith God knowing that and knowing how easily we might neglect it made it a command Begin your own journey of restoration and renewal

Heaven's Calling Leanne Payne, 2008-09-01 Leanne Payne was called out of brokenness into union with Christ and her nearly fifty year journey with God has been an adventure of healing grace and truth and of the accompanying spiritual battles She has spent her life proclaiming the freeing message that Christ lives in us and offers the ministry of Jesus especially to those suffering from the effects of past sins and woundedness self rejection and long standing addictions By exposing her own life complete with its triumphs and failures Mrs Payne brings extraordinary clarity and understanding on a surprisingly large range of subjects including gender identity sexual neurosis gnosticism false prophecy transference healing prayer incarnational reality and sacramental worship Her story illustrates how one soul listening to and obeying the Lord can revel in the abundant life that is available to us all **Good News for the Broken Self** Joseph S. Arnold LPCC BCC, 2019-10-04 We are all traveling on a journey through this life It seems that at times we will face some difficult situations and circumstances that leave us wounded and sometimes disillusioned We tell ourselves we just need to get over it and get on with life but in all honesty how well are we really doing this Joe shares his own story of how normal aspects of temperament

play a role in how we experience these wounds along with how he has experienced substantial healing from various aspects of his own brokenness He both ponders and presents his belief that the healing of our brokenness has been minimized and overlooked by large segments of the contemporary church A thread of his own experience of grace is interwoven throughout the book He presents some whole person ideas of how we can all move toward a path of greater healing and a truer version of ourselves Joe invites you on a journey with him to more fully explore this possibility Here s an opportunity to walk through a door of hope to see if a deeper level of healing is available to you and those you care for *How to Find Selfless Joy in a Me-First World* Leslie Vernick,2011-05-25 Do You Need Greater Self Esteem Or Something Else Entirely Western culture increasingly emphasizes the importance of self love and self esteem Many of us believe we must find ourselves and feel good about what we see before we can experience significant spiritual growth Focusing so much on ourselves however distracts us from pursuing the only source of true fulfillment Do we as God s people really need to love ourselves more Or is there a wiser biblical path that can lead us to joy that is not self centered and fleeting but God focused and lasting Challenging the current fascination with self esteem Leslie Vernick answers these questions and others that trip up Christians today Offering surprising insights and practical helps that can make a real difference in your life she shows how you can experience greater personal relational and spiritual growth while humbly adoring and glorifying your God Wounds That Heal Stephen Seamands,2013-08-08 By his wounds we are healed Isaiah 53:5 We are wounded people In this fallen world people are hurt and exploited Children are abused Marriages are broken Tragedies of all kinds afflict us and the ones we love Woundedness it seems is simply a fact of life But we are not alone in our suffering Despite our emotional psychological and physical injuries God has not abandoned us God is not distant or aloof On the contrary through the ministry of Jesus God enters our painful situations to bring healing and redemption Balancing sound biblical exposition with sensitive pastoral care Stephen Seamands examines the profound implications of Jesus crucifixion for our healing and restoration Because Jesus experienced abuse shame and rejection he understands the hurts we experience today And his response to pain and suffering gives us hope that we too can experience forgiveness and new life Filled with real life stories of people s brokenness and healing *Wounds That Heal* offers comfort for our wounded souls Ultimately we take heart that God not only understands our pain but has done something about it Encounter here the promise that the wounds of Jesus are wounds that heal **Spiritual Formation as if the Church Mattered** James C. Wilhoit,2022-03-29 Most books on spiritual formation focus on the individual But spiritual formation is at the heart of the church s whole purpose for existence It must be a central task for the church to carry out Christ s mission in the world This book offers an introduction to spiritual formation set squarely in the local church The first edition has been well received and widely used as a textbook The second edition has been updated throughout incorporates findings from positive psychology and reflects an Augustinian formation perspective Foreword by Dallas Willard **A Christian Approach to Counseling and Psychotherapy** Siang-Yang Tan,2022-07-19 What does a
