Resurrection Of The Son Of God:

The Resurrection of the Son of God Nicholas Thomas Wright, 2003 Explores ancient beliefs about life after death highlighting the fact that the early Christians belief about the afterlife belonged firmly on the Jewish spectrum while introducing several new mutations and sharper definitions forcing readers to view the Easter narratives not simply as rationalizations but as accounts of two actual events the empty tomb of Jesus and his appearances Simultaneous Hardcover no longer available The Son of God and the New Creation Graeme Goldsworthy, 2015-06-15 Truly this was the Son of God Matthew 27 54 The theme of divine sonship stretches across the pages of the Bible from Adam in the garden of Eden through the nation of Israel and King David and ultimately to Jesus Christ in the New Jerusalem the Son of God par excellence In this volume renowned biblical scholar Graeme Goldsworthy shows what Christ s fulfillment of the divine sonship motif means for all who are sons and daughters of God Part of the Short Studies in Biblical Theology series **The Son Rises** William L. Craig, 2000-09-29 Is the Christian message of Jesus Christ and his resurrection true Using ten lines of historical evidence Dr Craig defends the probability that Jesus was resurrected following his crucifixion He examines the origin of the Christian movement and more provocative subjects such as the Shroud of Turin parapsychological phenomena and hallucinations

The Son of God Martin Hengel, 2007-02-01 This work significantly advances the critical discussion of New Testament Christology Hengel examines the titles Son and God He points toward an inner consistency and dynamic in the development of the doctrine of Christ in primitive Christianity as the movement proceeded from the Gospels account of the death of Jesus to the high Christology present in the Pauline writings Historical scholarship and theological one might even say dogmatic questions must not stand in unresolved contradiction On the contrary the historian misunderstands the nature of New Testament Christology if he does not grasp its theological concern and its inner consistency while a dogmatic approach that does not take seriously the historical course of Christianity is in danger of becoming no more than abstract speculation It is therefore vitally important to unite historical research and the theological search for truth God's New Testament Economy Witness Lee, God s New Testament Economy is a thorough study of the New Testament It does not provide superficial inspiration nor is it a dry systematic analysis However in this book Witness Lee presents a revelation of the Triune God s plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God **God the Son Incarnate** Stephen J. Wellum, 2016-11-16 Nothing is more important than what a person believes about Jesus Christ To understand Christ correctly is to understand the very heart of God Scripture and the gospel To get to the core of this belief this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical biblical and historical perspectives concluding that Jesus Christ is God the Son incarnate both fully divine and fully human Readers will learn to better know love trust and obey Christ unashamed to proclaim him as the only Lord and Savior Part of the Foundations of Evangelical Theology series The Resurrected God John L. Drury, 2014 An examination of

the resurrection of Christ and its relationship to the doctrine of the Trinity in the mature work of Karl Barth particularly across the three parts of volume IV of the Church Dogmatics It argues that for Barth the subject and basis of Christ's resurrection is the triune God Jesus, Son of God, Son of Mary, Immanuel Donald J. Goergen, 2003-09-04 *Son of God* Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status But this title was also used by early Christians to speak about Jesus borrowing the idiom from Israelite and early Jewish discourses on monarchy This interdisciplinary volume explores what it means to be God's son's in ancient Jewish and early Christian literature Through close readings of relevant texts from multiple ancient corpora including the Hebrew Bible the New Testament the Dead Sea Scrolls Greco-Roman texts and inscriptions early Christian and Islamic texts and apocalyptic literature the chapters in this volume engage a range of issues including messianism deification eschatological figures Jesus interreligious polemics and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity In addition to the editors the contributors to this volume include Richard Bauckham Max Botner George J Brooke Jan Joosten Menahem Kister Reinhard Kratz Mateusz Kusio Michael A Lyons Matthew V Novenson Michael Peppard Sarah Whittle and N T Wright

God Sent His Son Christoph Schoenborn, 2010-09-29 In this work of Christology Christoph Cardinal Sch nborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Sch nborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Sch nborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval

The Gospel of the Son of God James M. Neumann, 2023-10-19 James M Neumann proposes that there is far more at work in Mark s portrayal of Jesus as Son of God and what it means for Mark to depict him as such than past scholarship has recognized He argues that Mark presents Jesus s life from beginning to end as the actualization of Psalm 2 a coronation hymn describing the Davidic king as God s son which was interpreted messianically in early Judaism and christologically in early Christianity Rather than a simple title the designation of Jesus as God s Son in Mark contains and encapsulates an entire story of its own Beginning with an analysis of why this most important identity of Jesus in the Gospel has been under studied Neumann retraces the interpretive traditions surrounding Psalm 2 in early Judaism and Christianity alike Pointing to Mark s first introduction of Jesus as God s Son into the narrative via an allusion to Ps 2 7 and portraying his baptism as a royal anointing he demonstrates how Jesus begins to realize the implications of his anointment through his

disestablishment of Satan's kingdom Focusing on the repetition of the allusion to Ps 2:7 at Jesus's transfiguration and exploring how the Parable of the Vineyard uniquely encapsulates the Gospel as a whole Neumann traces the use of the psalm throughout the Markan passion narrative contending that in Mark's vision the hope envisaged by the psalm has been realized the Son begins to inherit the worship of the nations He concludes that Mark paradoxically portrays the accomplishment of the Messiah's victory through Jesus's crucifixion **The Son of God in the Roman World** Michael Peppard, 2011-08-29

The author examines the social and political meaning of divine sonship in the Roman Empire He analyzes the conceptual framework within which the term son of God has traditionally been considered in biblical scholarship Then through engagement with recent scholarship in Roman history he offers new ways of interpreting the Christian theological metaphors of begotten and adoptive sonship He focuses on social practices and political ideology revealing that scholarship on divine sonship has been especially hampered by mistaken assumptions about adopted sons **Son of God by Divine Hereditary**

Methodology George Natar, 2022-10-01 This book proposes a methodology for the conception of Jesus by a human mother and a divine father The method makes use of scientific genetic processes which operate in the conception of any human being but with a divine contribution Various currently held theories of methods by which Jesus appeared on earth are shown to lack evidence Arising from this method Jesus sonship from God is proposed to have been literal and not metaphorical as is suggested by current theology Therefore Jesus is presented in this writing as the literal son of God being both human and divine As such he was the unique and suitable offering to God to make atonement for the obvious wrong doing of human beings If this methodology is correct the way a trinity of divine persons may be perceived is suggested **Commentary on**

the New Testament, 1899 **Encyclopædia Biblica** Thomas Kelly Cheyne, 1903 *Herald of Gospel Liberty*, 1908 A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church, 1898 **The Ministry, Vol. 11, No. 10**

Various Authors, 2007-12-01 This issue of The Ministry contains the last nine messages given during the 2006 spring term of the full time training in Anaheim California The general subject of this series of messages is Knowing and Experiencing the Intrinsic Constitution of the Building of God The processed and consummated Triune God Himself is the constituent of God's building When this processed and consummated Triune God as the constituent is dispensed into us wrought into us and built into us by being mingled with us the result is not simply the constituent but a constitution This constitution issues in a unique kind of being a redeemed regenerated transformed tripartite human being mingled with and one with the processed and consummated Triune God to be a real God man The intrinsic significance of 2 Samuel 7:12-14a a prophecy concerning the building of God is that the Triune God is working Himself in His processed and consummated Trinity into our being to make us His abode and to make Himself our abode This is the focus of the messages contained in this volume The all inclusive life giving Spirit as the extract of the processed and consummated Triune God in His economy is the constituent God's central work is to dispense this constituent into every fiber of our being saturating us permeating us constituting us sonizing us

Christifying us divinizing us and deifying us so that although we remain human and therefore creatures we become Triune God constituted men whose being is a constitution of the processed and consummated Triune God as the constituent Now we in our being become this constitution and as such we are part of the building of God Last of all we include a report concerning the Lord's move in Ivory Coast a French speaking country of West Africa
