Veiled Alliances Kevin J. Anderson, 2011-12-01 Based on the legendary science fiction series The Saga Of Seven Suns, Veiled Alliances is a revelatory prequel in which long term fans will discover the origin of the green priests on Theroc, the first Roamer skymining operations on a gas giant planet, the discovery of the Klikiss robots entombed in an abandoned alien city, the initial Ildiran expedition to Earth, the rescue of the generation ship Burton and the tragedy that led to sinister breeding experiments. In this volume the human race begins its expansion into outer space only to discover that for centuries a multitude of other races has already been interacting on a cosmic scale. Eleven exploratory ships carrying humans escaping a degenerating Earth are discovered by a more advanced space faring civilization, the Ildaran Empire. The empire helps the refugees, by now the several generations later offspring of the original voyagers, settle suitable planets and sends diplomats with a few of them to Earth to establish trade and diplomatic relations. Meanwhile both Terran and Ildaran authorities bring hidden agendas to their first contact discussions and as Earth attempts to become a player in this new arena its ambassadors are thrust into a foreign world of alien life forms, backstabbing politics, bitter feuds and a deadly struggle to become the supreme force in the universe.

Soul Catcher Frank Herbert, 2012-06-12 Deeply felt and magical, a novel about the bond between a Native American and his captive is an eloquent evocation of the old earth life religion. Kirkus Reviews. Katsuk, a militant Native American student, kidnaps thirteen year old David Marshall, the son of the US Undersecretary of State. They flee into the deepest wilds of the Pacific Northwest where they must survive together as teams of hunters try to track them. David begins to feel a growing respect for his captor even as he struggles to escape. What the boy does not know, however, is that he has been chosen as an innocent from the white world for an ancient sacrifice of vengeance. And Katsuk may be divinely inspired or simply insane.

Miguk, the Holy Man Chaucer Malone, 2008-05 Miguk, the Holy Man, retires on the small Pacific island of Nevahachi. People are amused when he rails against unwanted Western encroachments and the haphazard industrialization of the island. Yet when he trades his life for a hostage, the woman he loves, during an aborted robbery and then induces his captor to give himself up, the island begins to believe he is somehow graced. He later saves the people from a curse that has hung over the island for many years. He appears even to cure a woman of her illness. His untimely death is turned into a miracle. His hand appears to rise in benediction as if blessing the island and an industrial project that he once opposed.
