the basics the fourth edition of Retailing is a concise text that covers strategic issues with an eye on financial considerations
and operations management issues illustrated through retail cases and exercises New co author Robert Paul Jones is
Department Chair of Hospitality and Retail Management in the College of Human Sciences at Texas Tech In addition to his
extensive academic work Dr Jones has over 25 years of executive leadership and consulting experience in retail and
hospitality He uses an Integrated Retail Management flow chart to depict retail functions Most retail texts present students
with a series of chapters that provide useful information but fail to explain how the various activities involved in retailing
affect each other The 4th edition offers the student an overview of the retail process through the use of an integrated retail
management IRM plan The steps involved in retailing as presented in the text are tied together through the IRM plan
Expanded coverage of Mobile and e Tailing and included throughout the text and not treated as a stand alone chapter This
helps emphasize that e tailing is a form of retailing that uses many of the same models as other forms Includes updated cases
