Muslims In Australia Samina Yasmeen, 2010-07-15 Muslims in Australia have attracted increased attention as citizens in the last decade The research scholars in this book present a complex and dynamic picture of their presence and experiences in Australia taking us far beyond simplistic notions of security threats and discrimination Their contributions reveal that Muslims and non Muslims as individuals and communities display many different attitudes towards each other and towards many issues including reactions to the media threats of terrorism and access to Islamic schools The non Muslim community does not always set the agenda for these interactions Muslims experience exclusion while excluding others at the same time often other Muslims Muslims in Australia portrays the varied ways in which Muslims traverse spaces of inclusion and exclusion and suggests ideas to encourage and sustain acceptance and social cohesion Islamic Studies Series Volume 6

Rethinking Feminist Interventions into the Urban Linda Peake, Martina Rieker, 2013-05-29 In *Rethinking Feminist Interventions into the Urban* Linda Peake and Martina Rieker embark on an ambitious project to explore the extent to which a feminist re imagining of the twenty first century city can form the core of a new emerging analytic of women and the neoliberal urban In a world in which the majority of the population now live in urban centres they take as their starting point the need to examine the production of knowledge about the city through the problematic divide of the global north and

south asking what might a feminist intervention a position itself fraught with possibilities and problems into this dominant geographical imaginary look like Providing a meaningful discussion of the ways in which feminism gender and women have been understood in relation to the city and urban studies they ask probing and insightful questions that indicate new directions for theory and research illustrating the necessity of a re formulation of the north south divide as a critical and urgent project for feminist urban studies Working through platforms as diverse as policy formulations and telling stories the contributors to the book come from a range of disciplinary backgrounds and geographic locations ranging through the Caribbean North America Western Europe South East and South East Asia the Middle East and Latin America They identify a range of issues such as care work violence the household mobility intimacy and poverty that they analytically address to make sense of and reanimate resistance to the contemporary urban through articulations of new grammars of gendered geographies of justice

Rethinking Fascism and Dictatorship in Europe A. Kallis, 2014-09-25 Fascism exerted a crucial ideological and political influence across Europe and beyond Its appeal reached much further than the expanding transnational circle of fascists crossing into the territory of the mainstream authoritarian and traditional right Meanwhile fascism s seemingly inexorable rise unfolded against the backdrop of a dramatic shift towards dictatorship in large parts of Europe during the 1920s and especially 1930s These dictatorships shared a growing conviction that fascism was the driving force of a new post liberal fiercely nationalist and anti communist order The ten contributions to this volume seek to capture theoretically and empirically the complex transnational dynamic between interwar dictatorships This dynamic involving diffusion of ideas and practices cross fertilisation and reflexive adaptation muddled the boundaries between fascist and authoritarian constituencies of the interwar European right

Immigration Detention and Human Rights Galina Cornelisse, 2010 Practices of immigration detention in Europe are largely resistant to conventional forms of legal correction By rethinking the notion of territorial sovereignty in modern constitutionalism this book puts forward a

solution to the problem of legally permissive immigration detention **Recueil Des Cours, Collected Courses, 1972**
,1974-06-24 Rethinking Transnationalism Ludger Pries,2008-08-18 This book presents theoretical contributions to the transnationalism approach and offers empirical studies in the field of the transnationalization of organizations **The Public Order Exception in International Trade, Investment, Human Rights and Commercial Disputes** Zena Prodromou,2020-08-12 In the process of resolving disputes it is not uncommon for parties to justify actions otherwise in breach of their obligations by invoking the need to protect some aspect of the elusive concept of public order Until this thoroughly researched book the criteria and factors against which international dispute bodies assess such claims have remained unclear Now by providing an in depth comparative analysis of relevant jurisprudence under four distinct international dispute resolution systems trade investment human rights and international commercial arbitration the author of this invaluable book identifies common core benchmarks for the application of the public order exception To achieve the broadest possible scope for her analysis the author examines the public order exception s function role and application within the following international dispute resolution systems relevant World Trade Organization WTO agreements as enforced by the organization s Dispute Settlement Body and Appellate Body international investment agreements as enforced by competent Arbitral Tribunals and Annulment Committees under the International Center for Settlement of Investment Disputes provisions under the Inter American Convention of Human Rights and the European Convention of Human Rights as enforced by the Inter American Court of Human Rights and the European Court of Human Rights respectively and the New York Convention as enforced by national tribunals across the world Controversies tensions and pitfalls inherent in invoking the public order exception are elucidated along with clear guidelines on how arguments may be crafted in order to enhance prospects of success Throughout tables and graphs systematize key aspects of the relevant jurisprudence under each of the dispute resolution systems analysed As an immediate practical resource for lawyers on any side of a dispute who wish to invoke or strengthen a public order exception claim the book s systematic analysis will be welcomed by lawyers active in WTO disputes international investment arbitration human rights law or enforcement of foreign arbitral awards Academics and policymakers will find a signal contribution to the ongoing debate on the existence legal basis content and functions of the transnational public order **Doing Justice to History** Barrie Sander,2021-03-09 As communities struggle to make sense of mass atrocities expectations have increasingly been placed on international criminal courts to render authoritative historical accounts of episodes of mass violence Taking these expectations as its point of departure this book seeks to understand international criminal courts through the prism of their historical function The book critically examines how such courts confront the past by constructing historical narratives concerning both the culpability of the accused on trial and the broader mass atrocity contexts in which they are alleged to have participated The book argues that international criminal courts are host to struggles for historical justice discursive contests between different actors vying for judicial

acknowledgement of their interpretations of the past By examining these struggles within different institutional settings the book uncovers the legitimating qualities of international criminal judgments In particular it illuminates what tends to be foregrounded and included within as well as marginalised and excluded from the narratives of international criminal courts in practice What emerges from this account is a sense of the significance of thinking about the emancipatory limits and possibilities of international criminal courts in terms of the historical narratives that are constructed and contested within and beyond the courtroom
