Rethinking School Choice:

Rethinking School Choice Jeffrey R. Henig, 1995-07-24 Advocates of school vouchers and other choice proposals couch their arguments in the fashionable language of economic theory Choice initiatives at all levels of government have succeeded it is claimed because they shift responsibility for education reform from government to market forces This timely book disputes the appropriateness of the market metaphor as a guide to education policy *Learning from School Choice* Paul E. Peterson, Bryan C. Hassel, 1998-07-01 While educators parents and policymakers are still debating the pros and cons of school choice it is now possible to learn from choice experiments in public private and charter schools across the country This book examines the evidence from these early school choice programs and looks at the larger implications of choice and competition in education Paul Peterson makes a strong case for school choice in central cities and coeditor Bryan Hassel offers the case for charter schools John E Brandl offers his vision of school governance in the next century The book's other contributors economists political scientists and education specialists provide case studies of the experience with voucher programs in Indianapolis San Antonio Cleveland and Milwaukee survey charter schools analyze public school choice discuss constitutional issues and study the effects of private education on democratic values Contributors include David J Armor George Mason University Chester E Finn Jr and Bruno V Manno Hudson Institute Caroline M Hoxby Harvard University Brett M Peiser Partnerships in Learning and Joseph P Viteritti New York University School Choice In The Real World Robert Maranto, 2018-04-27 This book presents the first published accounts and evaluations of the first free market in education in the U S Arizona charter schools The charter school is fast becoming one of the most significant attempts at public education reform in this country Over 1100 charter schools operate in twenty seven states with several hundred more to be added in the next two years School Choice in the Real World looks at the charter school movement through a highly focused lens it examines charter schools in Arizona which currently account for nearly one quarter of all charter schools Using this state as a case study the editors examine the experiences of actual charter school operators social scientific analysis policy discussions and criticism and forecasting for the future School choice is the most talked about reform of American public education yet writings about choice remain highly speculative because no state has adopted a free market approach to education until now The charter school is fast becoming one of the most significant attempts at public education reform in this country Over 1100 charter schools operate in twenty seven states with several hundred more to be added in the next two years School Choice in the Real World looks at the charter school movement through a highly focused lens it examines charter schools in Arizona which currently account for nearly one quarter of all charter schools Since 1994 Arizona has implemented a charter school law with the lowest barriers to entry in the nation As a result Arizona has more than 200 charter school campuses Some districts have even lost more than 10% of their students to charter schools Using the state of Arizona as a case study the editors examine the experiences of actual charter school operators social scientific analysis policy

discussions and criticism and forecasting for the future The editors bring together academics policy makers and practitioners and they explain and evaluate how school choice works in the real world

The Politics of School Choice Hubert Morken,Jo Renee Formicola,1999 The Politics of School Choice is the first comprehensive examination of diverse efforts to promote tax credits public vouchers private scholarships and charter schools Morken and Formicola provide the most current national report on the burgeoning American school choice movement They analyze the strategies and tactics being used by a wide variety of individuals and organizations to leverage change pass laws win court cases and mobilize community support to build successful winning school choice coalitions Based largely on extensive interviews documentary research and surveys this book covers the spectrum of school choice options and shows how they are being promoted in the United States today It explains who the players are what types of programs they endorse and the various rationales behind them The authors report the views of the entrepreneurs religious leaders heads of think tanks and foundations public litigators scholars activists minority leaders and politicians who are in the forefront of providing parents with resources for educational alternatives Finally Morken and Formicola cover the strengths and weaknesses of the school choice issue concluding that the movement has a wide ranging membership that is uneven in its implementation and that it is taking different forms in various regions of the country As the pace of change accelerates and new school choice programs proliferate this study is a critical resource for all those concerned about the present and future status of American education

School Choice and the Future of American Democracy Scott Abernathy,2005-12-21 Exposes deep contradictions in the politics of American educational reform

The Great School Rethink Frederick M. Hess,2023-06-13 An invigorating examination of the potential for meaningful change in education from one of the nation s most astute observers of schooling and school improvement In The Great School Rethink education policy sentinel Frederick M Hess offers a pithy and perceptive appraisal of American schooling and finds in the uncertain period following pandemic disruption an ideal moment to reimagine US education Now is the time he asserts to ask hard questions about how schools use time and talent how they work with parents what they do with digital tools and how they meet the needs of their communities As Hess explains to rethink is to acknowledge the realities of the education system while opening one s mind to possibility With characteristic verve and wit Hess guides readers through his rethink process a versatile and easily implemented approach to identifying issues and brainstorming possible responses He encourages readers to explore what improvements might alleviate current pressures and frustrations such as teacher shortages and burnout declining student performance and compromised learning time Whether their goal is to achieve better student engagement increase parent involvement or implement personalized learning readers will develop the mindset to ask the right questions to fully understand the problem that s being solved and to evaluate the probable effectiveness of proposed solutions Brimming with challenging questions robust exercises and eye opening data this book is a must read for education professionals parent advocates and anyone passionate about the future of American education

School Choice and Social Controversy Stephen D. Sugarman, Frank R. Kemerer, 2011-12-01 In this important new volume distinguished legal and public policy scholars address issues that are critical to the successful drafting and implementation of school choice programs yet are usually overlooked in the choice debate They explore whether school choice is a threat or an opportunity to the many children who are largely deprived of choice today and they offer a variety of perspectives with some authors enthusiastic others more skeptical The book begins with a discussion of the types and extent of school choice what is known about its consequences and how politics has influenced its development It then focuses on three important public policy issues how school choice can revolutionize the way schools are financed what policy interventions are necessary to increase the supply of choice schools and how choice programs can be held accountable to parents and the state without undermining institutional autonomy The book addresses legal issues including whether public and private choice schools will be required to observe student and teacher rights generally recognized in traditional public schools how the religion and speech clauses of the First Amendment may affect the participation of religious schools in school choice programs whether school choice will enhance or aggravate opportunities for racial justice what the implications of school choice are for teacher unions and collective bargaining and whether children with disabilities will be accommodated in school choice programs under federal disability law Throughout the book the authors offer recommendations for public policy development The contributors are Jeffrey Henig Robert Bulman and David L Kirp Paul T Hill Robert M O Neil Jesse H Choper Betsy Levin William G Buss and Laura F Rothstein Stephen D Sugarman is Agnes Roddy Robb Professor of Law at the University of California Berkeley Frank R Kemerer is Regents Professor and director of the Center for

School Choice Alan Wolfe,2009-02-09 School choice has lately risen to the top of the list of potential solutions to America s educational problems particularly for the poor and the most disadvantaged members of society Indeed in the last few years several states have held referendums on the use of vouchers in private and parochial schools and more recently the Supreme Court reviewed the constitutionality of a scholarship program that uses vouchers issued to parents While there has been much debate over the empirical and methodological aspects of school choice policies discussions related to the effects such policies may have on the nation s moral economy and civil society have been few and

far between School Choice a collection of essays by leading philosophers historians legal scholars and theologians redresses this situation by addressing the moral and normative side of school choice The twelve essays commissioned for a conference on school choice that took place at Boston College in 2001 are organized into four sections that consider the relationship of school choice to equality moral pluralism institutional ecology and constitutionality Each section consists of three essays followed by a critical response The contributors are Patrick McKinley Brennan Charles L Glenn Amy Gutmann David Hollenbach S J Meira Levinson Sanford Levinson Stephen Macedo John T McGreevy Martha Minow Richard J Mouw Joseph O Keefe S J Michael J Perry Nancy L Rosenblum Rosemary C Salomone Joseph P Viteritti Paul J Weithman and Alan Wolfe

School Choice and the Question of Accountability Emily Van Dunk, Anneliese M. Dickman, 2008-10-01 This timely book refocuses the debate about school choice programs with a nonpartisan assessment of the nation's largest and longest running private school voucher program the high profile Milwaukee experiment and finds that the system undercuts the promise of school choice The authors argue that the Milwaukee experiment has not resulted in the one element necessary for school choice to be effective an accountability system in which good schools thrive and poor schools close They show that most ingredients of a robust market are missing Well informed consumers parents are not the norm State fiscal incentives are counterproductive and competition among public and choice schools is difficult to discern They conclude that school choice could succeed if certain conditions were met and they offer guidelines to strengthen accountability and repair the voucher system

Policy Entrepreneurs and School Choice Michael Mintrom, 2000-04-26 Rapid and controversial the spread of school choice initiatives across the United States has radically changed political debate about public education In this book Michael Mintrom explores the complex world of open enrollment policies charter schools and voucher plans to reveal how and why school choice has become a major issue and he draws important conclusions about how innovative individuals can spur significant change in the policy arena Policy entrepreneurs individuals who take up a cause and make it part of the political agenda have largely remained background figures without clear definition in the policymaking literature This book is the first comprehensive and systematic treatment of the concept of policy entrepreneurship providing an important foundation for explaining how policy proposals are initiated considered and adopted Mintrom uses the emergence of school choice in state politics to examine how policy change originates He shows how policy entrepreneurs have been instrumental in placing school choice onto state legislative agendas despite the lack of compelling evidence about its merits and how they use social networks reframe policy issues and attempt to shift the sites of policy debate Blending innovative theory with both qualitative and quantitative investigation Mintrom explains how energetic individuals made school choice a real choice In doing so he changes our broader understanding of how policy is formed

Vouchers and the Provision of Public Services Robert D. Reischauer, former Director, Congressional Budget Office DIS .40, 2010-12-01 A Brookings Institution Press Committee for Economic Development and Urban Institute Press publication For decades the use of

vouchers has been widely debated But often lost in the heat of debate is the fact that vouchers are just another tool in the government's tool chest a restricted subsidy that falls somewhere between the extremes of cash and direct government provision of services The instrument itself is not new the 1944 GI Bill of Rights was a voucher and vouchers for food college aid and housing have been in place for decades Until now however the study of vouchers has been restricted to a few controversial applications This volume which grew out of a conference sponsored by the Brookings Institution the Urban Institute and the Committee for Economic Development fills the gap offering a framework for comparative analysis of specific policy issues related to vouchers Its 16 essays address the economics politics and legal issues of voucher use and explore how vouchers are currently employed in the United States and abroad for education child care job training housing and health care C Eugene Steuerle is a senior fellow at the Urban Institute and has worked under four different U S presidents on a variety of reform issues in such areas as social security budget tax and health policy Robert D Reischauer a senior fellow in Economic Studies at the Brookings Institution was director of the Congressional Budget Office from 1989 to 1995 George Peterson is a senior fellow at the Urban Institute from 1976 to 1985 he directed the Institute's Public Finance Research Center Van Doorn Ooms senior vice president and director of research at the Committee for Economic Development was formerly executive director for policy and chief economist of the Committee on the Budget U S House of Representatives 1989 1990 and was the Budget Committee's chief economist from 1981 to 1988
