## **Rethinking The Successful Church:**

Rethinking the Successful Church Samuel D. Rima, 2001-11 Helps ministers and church members to refocus on the role of God's sovereignty in church growth      **Rethinking the Church** James Emery White, 2003-07 An innovative evangelistic pastor guides local church leaders to rethink their ministry's unique purpose and mission within the community

**Rethinking the Church** James Emery White, 2003-07-01 Why is it important to rethink the church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example      **Upside-Down Leadership** Taylor Field, 2012-04-03 Everyday people may not see themselves as successful influential leaders and there are plenty of stale human expectations to discourage Yet the lives and words of biblical persons other historic servant leaders great missionaries and contemporary witnesses boost us with fresh perspectives These lives with unique points of view bind the cynicism that might paralyze us and release hope that fuels our individual ability to have true impact Graffiti Church pastor and leader Taylor Field creatively challenges us to flip conventional ideas upside down escape clichés on leadership and to see real leadership principles revealed as right side up Everyday readers involved in community service church and missions will find current practical realistic and diverse illustrations simple short biblical and cross cultural that help people to transcend barriers and powerfully influence the faith community and beyond      *The Courage to Be Protestant* David F. Wells, 2008-04 It takes no courage to sign up as a Protestant These words begin this bold new work the culmination of David Wells's long standing critique of the evangelical landscape But to live as a true Protestant well that's another matter This book is a jeremiad against new versions of evangelicalism marketers and emergents and a summons to return to the historic faith defined by the Reformation solas grace faith and Scripture alone and by a high regard for doctrine Wells argues that historic classical evangelicalism is marked by doctrinal seriousness as opposed to the new movements of the marketing church and the emergent church He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers advertising the most palatable environment rather than trusting the truth to be attractive He takes particular issue with the most popular evangelical movement in recent years the emergent church Emergents he says are postmodern and postconservative and postfoundational embracing a less absolute understanding of

the authority of Scripture than traditionally held The Courage to Be Protestant is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for thereby securing hope for the church's future

**Rethinking the End of the World** B. L. Cooper, 2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today's Christians lack a basic understanding of apocalyptic spirituality or do not understand God's mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return *Live Sent* Jason C. Dukes, 2011-06-01 Our everyday lives are more than just a story being written God created each one of us to receive and send a message intentionally into the lives of the people we do life with daily That's how love is demonstrated how relationships happen and how people find the abundant life as they are intended to find it Pastor and speaker Jason C Dukes helps readers see how giving yourself away in the daily means being to other people the letter of God's love that has been written on our hearts Our community needs us and our world needs us to live sent *Rethinking Our Story* G. Douglas Hammack, 2014-01-13 If it ain't broke don't fix it But it's no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We've tried trendy and tech savvy entrepreneurial and coffee house gritty They're not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it's time It's been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times Rethinking Our Story reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and contribute to the earth's well being or disappear into oblivion *Redefining Success* Philip C. Stowell,2014-04-22 Is successful leadership measured simply by the outcomes a leader achieves or is there another more essential yardstick for measuring success In *Redefining Leadership* author pastor and college president Joe Stowell shows us that the best leaders are driven by Christ formed character and that truly successful leadership is not defined by the standards of this world but by the counter intuitive practices and perspectives of the Kingdom of Christ With compelling personal stories and insights from the Bible he highlights the contrast between these two radically different leadership styles and demonstrates that the teaching and example of King Jesus the world s most unlikely leader is the only model of leadership that leads to maximum results results that will have an eternal impact
