Library Journal ,1997-10 [Ride the Wind Laughing](#) Kit Cain,2006-05 Ride The Wind Laughing is about building a 51 foot sailboat almost single handedly in the back yard with virtually no money at least it started out that way It s about the mystical nature of the Laws of Manifestation about how dreams and distant possibilities come into existence on Planet Earth Over a period of four and a half years a series of events unfolded that were far more interesting than the long hours of hard physical labor or the recounting of boring and repetitive tasks essential to any physical construction project Working with the wonderful people of rural Nova Scotia its fishing villages and small local businesses proved as interesting as the magical unfolding of events making it impossible to deny that life itself is controlled by some great invisible hand which has a vested interest in seeing Its creations completed and It s dreams fulfilled At the age of 44 I had come to a second major crossroad in my life The first occurred when I left behind the world of corporate business at age 35 The next 9 years were years of spiritual and religious training and the study in detail of as many aspects of esoteric thinking as I intuitively felt led to greater and greater things I finally came to the point where my questions all ceased I had sound mental concepts and could talk the talk but I had not yet walked the walk to the journey s end Of what value was all this information knowledge and perspective I had so diligently obtained if it could not be practically applied Ride the Wind Laughing is also a story about riding the winds of life with equanimity and contentedness despite the hardships of daily life It s about perspective about looking down on life much as would the student pilot on his very first flight Once the view from above is attained there s no going back to being land locked again Like the wind this is a story you can feel May it expand your perspective as it did mine

[Tramps Like Us](#) Joe Westmoreland,2025-06-03 A spare unflinching generous and lusty masterpiece of adventure writing Andrea Lawlor author of Paul Takes the Form of a Mortal Girl A necessary reminder of the beauty of being young and queer and free This book is a gift Imogen Binnie author of Nevada An achievement in the major category Hilton Als author of My Pinup A treasured cult classic following a young gay

man crisscrossing 1970s and 80s America in search of salvation Now reissued with an introduction from Eileen Myles and an afterword from the author Abused by his father and stifled by closeted life as a teenager in Kansas City Joe the wide eyed narrator of Tramps Like Us graduates from high school in 1974 and hits the road hitchhiking But it isn't until he reunites with Ali his hometown's other queer outcast that Joe finds a partner in crime When the two of them finally wash up in New Orleans they discover a hedonistic paradise of sex drugs and music a world that only expands when they move to San Francisco in 1979 Told with openhearted frankness Joe Westmoreland's Tramps Like Us is an exuberantly soulful adventure of self discovery and belonging set across a consequential American decade In New Orleans and San Francisco and on the roads in between Joe and Ali find communities of misfits to call their own The days and nights blur a blend of LSD and heroin new wave and disco orgies and friends and the thrilling spontaneity of youth all of which is threatened the moment Joe Ali and seemingly everyone around them are diagnosed with HIV But miraculously the stories survive As Eileen Myles writes I love this book most of all because it is so mortal Back in print after two decades and with an introduction by Myles and an afterword by the author Tramps Like Us is an ode to a nearly lost generation an autofictional chronicle of America between gay liberation and the AIDS crisis and an evergreen testament to the force of friendship

The King of Orchard Street

Vincent Palmieri, 2024-09-19 The King of Orchard Street is a tale told by six men including the author over three generations and across the decades of the 1940s 1950s and 1960s Their stories recreate a world that was bound by a simple yet profound code of family respect cooperation contentment and acceptance for all Due to the passing of time these six men's lives all intersected to varying degrees but the daily living experience for each of them over thirty plus years never varied The ageless principles etched into the King of Orchard Street are more germane to this tumultuous planet than ever before A small uncomplicated set of values that can be practiced every day by everyone may lead to a world where problems massive and minimal can be reduced then vanquished
