Rider Of The White Horse:

Who is the Rider on the White Horse?. Jack Armstrong,1988 **The Rider on the White Horse** Theodor Storm,2012-11-01 The Rider of the White Horse is a classic German novella in which the individual wrestles with the mass the man with the most elementary forces of nature The scene of the novella is characterized with vividness in its setting of marsh and sea it glorifies love and at the same time it touches themes which deeply occupied Storm such as the problem of heredity or the relation between father and son Happiness is won but it ends in tragedy It is a man of sober intellect who tells the whole story and yet like human life itself it stands out against a mystic background Remembrance of long ago has clarified everything It is Storm s last complete work **The Rider on the White Horse** Theodor Storm,1964 **Rider of the White Horse** Alan M. Paananen,2002-12-01 In a future ravaged by nuclear war and natural disasters the planet is taken over by the demonic cloned armies of the Klokkan Empire Marching through the battle scarred landscape they are on a quest to destroy all of humanity in a terrible holocaust One of the soldiers gifted with a free mind and the ability to feel emotions unites with the humans and battles to drive the Klokkan off He soon discovers that he may be part of a biblical prophecy in which evil is driven from the world leaving righteousness to reign The Book of Revelation Leonard L. Thompson,1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book of Revelation What was John s message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John s visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes **Dissertation On the Seals and Trumpets of the Apocalypse, and the Period of 1260 Years** William Cuninghame,2024-03-08 Reprint of the original first published in 1843 **Revelation** Judith Kovacs,Christopher Rowland,2013-04-01 This ground breaking commentary on The Revelation to John the Apocalypse reveals its far reaching influence on society and culture and its impact on the church through the ages Explores the far reaching influence of the Apocalypse on society and culture Shows the book s impact on the Christian church through the ages Looks at interpretations of the Apocalypse by theologians ranging from Augustine to late twentieth century liberation theologians Considers the book s effects on writers artists musicians political figures

Revelation for the Layman Harold Cox, 2008 In his new book *Revelation for the Layman* Rev Harold Cox's readers will find many answers to their questions Cox not only uses in depth scripture references to back up his claims he connects to his readers on a personal level using a practical yet very engaging voice As a minister Cox realizes that The Book of Revelations is perhaps the most mysterious book in the Bible throughout the ages Coxes wrote *Layman* with the word objectivity in mind in that he be factual true and stay accurate to scripture I have endeavored to be honest unto all men

A Better Understanding (Vol. 2) G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in anothers hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others

Drama of the Age John Carroll Brown, 2005-10 *Drama of the Age* a fresh look at Revelation Beginning with the initial vision and letters it presents both the preparation and action of the divine drama A must read

And On and On the Ages Roll J. H. Bavinck, 2019-07-30 Scripture testifies that in the work of Jesus Christ the power of Satan sin and death has been broken Yet on and on the ages roll and wars rage humans destroy one another and themselves and natural evils such as earthquakes and tsunamis occur We seem to suffer what J H Bavinck calls the great delay still awaiting Christ's final victory In this illuminating survey of the book of Revelation Bavinck examines the status of the church and the world in the times of the end but before the final finish Bavinck suggests the church is based on its mission to show the way of God and share his good

news in the world This mission occurs in a world claimed by Christ's victory but still marked by the demonic and human hubris Revelation is a literature that discloses the church's perennial challenges in a time claimed and won by Christ yet still resistant to his lordship The book peels back the veil to expose a battle not only on earth but in the heavens and assures the sometimes faltering church that it is not forgotten and Christ's victory is certain Bavinck centers his account of Revelation in its chapter 12 the strange woman who is crowned and yet haunted and hunted driven to the edge of civilization He sees in this woman the bearer of a child a figure of the church that bears its child and Lord Jesus Christ Like the woman the church in these times between the times is both crowned as God's royalty and often scorned by the world **The Harvest**
