Riders Of The Border:

The Freedom Riders Across Borders Barbara Lüthi, 2022-08-30 The Freedom Riders Across Borders Contentious Mobilities provides the first comprehensive transnational historical analysis of the Freedom Rides It explores the transnational history of these social movements and the struggles for the right to mobility and other civil rights in the United States of America Australia and Palestine between 1961 and 2011 This book makes a significant contribution to the transnational studies of social movements and the burgeoning field of mobility studies by investigating the specific constellations of mobility as historically and geographically specific formations of movement as well as investigating how the images ideas and strategies of Freedom Riders were adapted translated and moved across time and space Foremost this book speaks to the pressing questions of the past and present concerning the politics and inequalities of mobilities impacting different social groups in different ways From a historical perspective it gives answers to the intensified interest and questions concerning the dynamics techniques and contentious politics of social movements in a globalized environment The book details how the question of mobility has come to constitute political conflict and protest over norms restrictions and representations It shows not only that mobility is a differentially accessed resource which shapes and is shaped by political processes but also that contestation is an equal part of forming mobility The book identifies vehicles as a mobile site of contestation and in the context of the Freedom Rides as a site of strategic political action In doing so L thi makes a persuasive case for mobility to be given a central place in the study of progressive social movements As such this book will be of great interest to researchers in a number of disciplines including history geography and sociology

Riders Across the Border Jackson Gregory, 1932 Mountains of Music John Lilly, 1999 From fiddle tunes to folk ballads from banjos to blues traditional music thrives in the remote mountains and hollers of West Virginia For a quarter century Goldenseal magazine has given its readers intimate access to the lives and music of folk artists from across this pivotal state Now the best of Goldenseal is gathered for the first time in this richly illustrated volume Some of the country s finest folklorists take us through the backwoods and into the homes of such artists as fiddlers Clark Kessinger and U S Senator Robert Byrd recording stars Lynn Davis and Molly O Day dulcimer master Russell Fluharty National Heritage Fellowship recipient Melvin Wine bluesman Nat Reese and banjoist Sylvia O Brien The most complete survey to date of the vibrant strands of this music and its colorful practitioners Mountains of Music delineates a unique culture where music and music making are part of an ancient and treasured heritage The sly humor strong faith clear regional identity and musical convictions of these performers draw the reader into families and communities bound by music from one generation to another For devotees as well as newcomers to this infectiously joyous and heartfelt music Mountains of Music captures the strength of tradition and the spontaneous power of living artistry

Riders Dictionarie John Rider, 1640 **Worm-Time** We Jung Yi, 2024-12-15 Worm Time challenges conventional narratives of the Cold War and its end presenting an alternative cultural history based on evolving

South Korean aesthetics about enduring national division From novels of dissent during the authoritarian era to films and webtoons in the new millennium We Jung Yi s transmedia analyses unearth people s experiences of wormification traumatic survival deferred justice and warped capitalist growth in the wake of the Korean War Whether embodied as refugees leftists or broken families Yi s wormified protagonists transcend their positions as displaced victims of polarized politics and unequal development Through metamorphoses into border riders who fly over or crawl through the world s dividing lines they reclaim postcolonial memories buried in the pursuit of modernization under US hegemony and cultivate a desire for social transformation Connecting colonial legacies Cold War ideologies and neoliberal economics Worm Time dares us to rethink the post WWII consensus on freedom peace and prosperity
