Riding From The Inside Out:

Riding the Wave Inside Out Anita Allison, 2006-09 Life is a complicated process It begins with having to completely rely on and trust in another s beliefs ideas and decisions By the time we first wonder for ourselves we may find that we are already bound by someone else s expectations desires and dreams which in itself may lead us to live lives of compromise and unfulfilled hopes The lives we live the roads we travel and the way our paths unfold are for us to shape and direct in our experiences and in the dreams we choose to pursue Author Anita Allison offers insight and support through the teachings in riding the wave inside out to help us realize what we need to understand and do to ensure that the paths we choose and the choices we make will enable us to create the best life possible The ideas and thoughts she shares in riding the wave inside out serve as reminders of all the simple truths in life These concepts act as guides to living in the moment with joy appreciation and a sound purpose

Ride Big John Haime, 2021-06-11 An easy to implement framework proven to grow rider confidence tested by the world s leading equestrian athletes Without confidence achievement in competition is unattainable When confidence is lacking in any sport equestrian included chances are your career will be short Renowned performance coach John Haime has written the book to counter this challenge providing the mental tools riders need to be better under pressure of all kinds and consistently succeed Equestrian sport is a partnership there s an equine athlete and there s a human athlete Haime notes that often there is an investment in world class training for one partner the horse but not the other the human This compromises the potential effectiveness of the horse and rider team It just makes sense for equestrians to develop their own skills mental and physical and bring more to the partnership Haime explains that there is what he believes is a crisis of confidence in modern equestrian sport This has a variety of causes including a lack of fundamental mental emotional structure and development the presence and prominence of technology in the rider s life and the constant comparisons inherent in social media and a technically connected existence Addressing this crisis enables equestrians of all ages and abilities to communicate better with their horses both in day to day interactions and competition absorb more in valuable learning situations such as lessons and clinics and perform their best when the stakes are high as when heading into the jump off or approaching the last fence on the cross country course Haime invites readers to dive into three clear and informative areas of exploration The Confidence Building Blocks Firm up the fundamentals The Confidence Builders Systems and tips to help you build confidence The Confidence Threats An inside look at what to watch out for in riding and in competition Throughout those who have reached the highest levels on horseback in a number of disciplines share their stories including Michael Jung Beezie Madden McLain Ward Laura Tomlinson Harry Meade Oliver Townend Mattias Tromp Casey Deary Beth Underhill Fred Mannix Jared Zenni Jonathon Millar and Kelly Soleau Millar These Olympians champions and medalists explain what they do in the saddle and how their techniques for performing under world class pressure might help other riders develop a similar kind of confidence Perhaps even more valuable are the struggles

these top competitors share giving readers the rare opportunity to see how even the best of the best are human too The way riders develop confidence in their equestrian lives is transferable to everything they do a confident rider can be a confident business person confident worker confident spouse confident parent and confident friend In this way Ride Big instills a skill of worth and promise that extends far beyond the show ring

Abby Wize Lisa Bradley, 2010 Abby Wize loves horses Riding is her only adolescent escape from an overbearing mother She doesn't realize she's been learning unsafe horse handling until a runaway horse catapults her into a tree and into a future of special people and animals she never could've imagined It quickly feels more like home than the world she came from and she begins trading her insecurity and discontent for confidence and faith

God in the Bullpen: The Randy Lerch Story Randy Lerch, 2019-08-16 God in the Bullpen How else would one describe the One who rescued a major league pitcher Many professional athletes have experimented with drugs When I was told by a respected veteran that I would never make it in the major leagues without amphetamines I trusted him and took them They gave me a feeling of invincibility but they hurt my performance Soon the greenies became a habit and eventually I washed them down with alcohol Of course that became a

habit too Eventually addiction led to failed rehabilitation efforts and an automobile accident while driving impaired that nearly took my life When I reached the lowest point ever the ultimate relief pitcher God came from the bullpen and saved my life I was later diagnosed with cirrhosis My liver was incurably damaged by the alcohol With His help I am battling this but only God can know how much time I have left I want to tell my story to help others avoid the pitfalls that brought me to a time of despair I also want to tell you that the LORD can help you if you will give your life to Him and He will give you eternal life in Heaven

Brain Training for Riders Andrea Monsarrat Waldo,2017-01-16 Did you know there is an area of your brain known as the Lizard Brain that thinks only about the immediate moment and your means of survival Yes in certain circumstances your Rational Brain can effectively shut down and you are at the mercy of a reptile dry mouthed sweating queasy unable to think clearly even though you know better When does the Lizard Brain run the show It can happen in any number of unfamiliar uncomfortable challenging or stressful riding situations But here s the thing with the right kind of training you can learn to manage the reptile within which leads to greater confidence with horses better riding performance and ultimately happiness at the barn at shows and everywhere in between Andrea Waldo teaches you how to Handle uncomfortable emotions such as fear anger anxiety and embarrassment Hone your mental game and focus your riding time to get the most out of your hours in the saddle Care for your emotional injuries the same way you would care for an injured horse Produce a state of Focused Calm and tap into the skills you have whether you know it or not to ensure an outstanding ride

Women, Horse Sports and Liberation Erica Munkwitz,2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into

question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts **Dead Man Riding East** Jim Webster,2015-05-20 Once more we visit the Land of the Three Seas where the unintended theft of a tyrant s concubine followed by the inadvertent acquisition of a wife leads to revenge the fall of dynasties and over exposure to the world of high fashion Such are the adventures of Benor Dorfinngil *Recycling Red Riding Hood* Sandra L.
