Sam Peckinpah's Feature Films Bernard F.

Dukore,1999 One of the greatest film directors America has produced Sam Peckinpah revolutionized the way movies were made In this detailed and insightful study Bernard F Dukore examines Peckinpah s fourteen feature films as a coherent body of work He investigates the director s virtuosic editing techniques thematic preoccupations that persist from his earliest to his last films and the structure of his dramatic depiction of violence He also addresses Peckinpah s cognizance of existentialism and the substantial traces this interest has left in the films At the heart of Dukore s study is an extensive and detailed examination of Peckinpah s distinctive editing techniques Focusing on representative sequences including the breakout from the bank and the final battle in The Wild Bunch the half hour siege that concludes Straw Dogs the killing of the title characters of Pat Garrett and Billy the Kid and combat sequences in Cross of Iron Dukore provides a shot by shot analysis that illuminates Peckinpah s mastery of pacing and mood Sam Peckinpah s Feature Films demonstrates that Peckinpah s genius as a director and editor marks not only The Wild Bunch Straw Dogs and other classics but also his lesser known feature films even those that suffered substantial cuts at the hands of studio producers Dukore s organic approach to the feature films reveals a highly unified body of work that remains a pointed commentary on power violence affection and moral values

Riding the Line Rex Taylor,2012-10 Riding dirt bikes solo in remote areas is not conducive to safety The two most basic rules of safety are don t go out alone and always tell someone your itinerary But most of the time Rex Taylor rode alone That greatly increased the danger but simplified his logistics And it was just not possible to tell anyone his plans because he rarely had more than a general idea himself of his route or destination The risks were worth the thrill of riding a high powered machine across landscapes of unsurpassed natural beauty in total isolation He could rely on nothing but pluck and a lot of luck And his luck held to an unlikely degree A flat tire a broken bike part a broken body part or running out of gas could have meant disaster or death But he tried not to think about that too much

the New West In places like Big Scratch Montana where everything environmental is seen as a threat to jobs and prosperity land developers and oil and mining companies chop up big ranches leaving behind a mountain of contamination that causes environmental groups to lock down public land As hard lines are drawn in the sand Sierra Club demonstrators are beaten and a girl is missing after a peaceful protest on national forest land Clyde Deerhide is an aging half Indian Lakota cowboy who has just returned home to Big Scratch with Fleebit Shepherd his long time cowboy partner who wants to retire and pursue his love interest but is afraid of deserting Clyde With tensions between residents and environmentalists at an all time high Clyde must now decide whether to cross a green line and forfeit old relationships from his past to protect the strangers When the search for the missing girl is called off Clyde embarks on a dangerous quest to find the girl that leads him to expose a killer and to embrace the love he has always desired In this gripping contemporary Western tale two sides clash in opposition over a changing landscape as an aging cowboy attempts to find the place his grandfather once called the middle ground **Justified Lives** Michael Bliss,1993 In the first book to critically examine each of the fourteen feature films Sam

Peckinpah directed during his career Michael Bliss stresses the persistent moral and structural elements that permeate Peckinpah's work. By examining the films in great detail, Bliss makes clear the moral framework of temptation and redemption with which Peckinpah was concerned while revealing the director's attention to narrative. Bliss shows that each of Peckinpah's protagonists is involved with attempting, in the words of *Ride the High Country*'s Steve Judd, to enter my house justified. The validity of this systematic method is clearly demonstrated in the chapter devoted to *The Wild Bunch*. By enumerating the doublings and triplings of action and dialogue found in the film, Bliss underscores its symbolic and structural complexity. Beginning the chapters treating *Junior Bonner* and *The Getaway* with analyses of their important title sequences, Bliss shows how these frequently disregarded pieces present in miniature the major moral and narrative concerns of the films. In his chapter on *The Osterman Weekend*, Bliss makes apparent Peckinpah's awareness of and concern with the self-reflexive nature of filmmaking itself. Bliss shows that like John Ford, Peckinpah moved from optimism to pessimism. The films of the director's early period, from *The Deadly Companions* to *Cable Hogue*, support the romantic ideals of adventure and camaraderie and affirm a potential for goodness in America. In his second group of films, which begins with *Straw Dogs* and ends with *Bring Me the Head of Alfredo Garcia*, both heroes and hope have vanished. It is only in *The Osterman Weekend* that Peckinpah appears finally to have renewed his capacity for hope, allowing his career to close in a positive way.
