Riding with Mariles Margaret Cabell Self, 1960 Riding with Mariles by Margaret Cabell Self Margaret Cabell Self, 1960 **Equestrian Studies** Myron J. Smith, Salem College (Salem, W. Va.), 1981 No descriptive material is available for this title **Unrelenting** George H Morris, 2016-05-01 If there is one name in the American equestrian story that everyone knows it is George Morris A horse lover rider carouser competitor taskmaster dreamer teacher and visionary George Morris has been ever present on the rarified stage of the international riding elite for most of the 70 years he's been in the saddle He has represented our country as an athlete and a coach and at one time or another instructed many of our nation's best horsemen and women His carefully chosen perfectly enunciated words are notoriously powerful They can raise you up or cut you to the quick His approval can be a rainmaker his derision can end a career But as much as people know and respect or perhaps fear the public face of George Morris he has lived in other ways a remarkably private life keeping his own personal struggles with insecurity with ambition and with love behind closed doors It is only now that he has chosen in his own words to share the totality of his life the very public and the incredibly private with the world This engrossing autobiography the real story of the godlike George Morris beautifully demonstrates his ultimate humanity Catalog of Copyright Entries.
