**Chloe** Jerry Leppart,2019-01-14 I am 21 years of age and I have discovered that I am the first and only human clone Questions Who am I What am I Do I have a soul Do I share a soul Am I a real person or just a copy a shadow of a donor I visited with Dr Ahmann who performed the cloning twenty two years ago He told me that there are no others to guide me but I could probably have a normal life if I did not stress myself There was no way I could stay here I had to get away away from everything familiar I left Minnesota and took off for the mountains In Montana I picked up a hitchhiker Billy Two Bears who stayed with me for awhile He told me of the Native American values and the true meaning of life After a night of intimacy he was gone But he left me with words that I will never forget I continued to the Canadian Rockies to Banff Lake Louise and Emerald Lake Lodge I had been having some mini seizures so it was time to head home On my way back to the States I picked up two female hitchhikers who taught me not to be afraid of the choices that I make In Wyoming I stood before Devils Tower monument at dusk as fireflies twirled around me illuminating the way as if they were spirits rising from the ground At home I visited Dr Ahmann again and I found that I am pregnant My choices I can have a full life or I can have a baby but I probably can t have both So now I need to decide what I should do Should I give life and by doing so end life Or should I end life and by doing so give life And all I have left are Billy s words to show me the way

When she finds the struggle too deep no matter what the cost she realizes she must find a way out     The Last American Cowboy Mike R. Dunbar,2009-07 This book details the story of a young man a fictional character Clem Barnett during the late 1940 s and 1950 s raised as a boy in the mid west with dreams and visions based on romantic books and movies of being a cowboy in the West He finds himself venturing far from his home in northeastern Oklahoma to hire out on two very different ranches first one in Montana and later one in Idaho There he learns about ranching the cattle business and most importantly about life He also learns what the modern for the time period cowboy is and how it differs greatly from his romantic vision He faces many adventures and interacts with a host of colorful characters in search of his dreams Because the story occurs in the early 1950 s the young man is faced with the horrors of participating in the Korean War and more importantly facing the emotional effects thereafter Unlikely characters assist in his recovery and he gains respect and love for the people of the Basque culture who helped him The story ends with a simple love story and a realization that dreams can be elusive In the end he finds peace and happiness and seems to come close to living the life of the romantic cowboy he envisioned Others see in him a person who so loves the life of a cowboy and confers upon him the title of the last romantic real life American Cowboy     Gathering Strays Jim Hoy,2023-02-21 Celebrated folklorist and author Jim Hoy has spent most of his life living in the heart of the famed Flint Hills of Kansas and documenting and celebrating his fellow Kansans and plains folk Like rounding up stray cattle in a rolling pasture Hoy has gathered over a hundred stray stories tales without a single theme or unified narrative and corraled them up here for the very first time Branding these stories in sections like Cattle Towns Outlaws and Cowboy Music Hoy s vignettes teach excite charm and instill a deep pride in anyone fortunate enough to have lived on the Great Plains In Gathering Strays Hoy gives us a collection of stories about Kansas the Great Plains and Western life that reflect his life long love of the land experience and history of the region Hoy introduces us to folks like Elmer McCurdy a failed train robber whose arsenic embalmed body went on tour and made money for the undertaker and Ame Cole who scolded Russian Grand Duke Alexis on his table manners Writing as an easygoing storyteller Hoy covers familiar areas like rodeos and cattle drives takes us from Dodge City to Beer City and everywhere in between explains why Kansas has the best state song in the nation and expands our picture of cowboys with stories of Australian drovers Black cowboys and Mexican vaqueros Throughout his easy to read yet authoritative style describes the people places and events that make the region so distinctive and celebrated Gathering Strays will be hailed by anyone interested in the heroes and villains towns and ranges and myths and legends of the West     A Blossom Promise Betsy Byars,2013-02-12 From a Newbery Medal winner another high spirited adventure starring this gutsy captivating family School Library Journal It is a time of ups and downs for the Blossoms Maggie is thrilled to be on the rodeo circuit until she witnesses Mom kissing a handsome stranger Back at home the family has weathered the worst flood in the state s history and Vern and Michael can t wait to test their homemade raft down at the flooded Snake Creek Suddenly Pap hears screams and runs to the rescue but a

Walton,2005-10-18 During the first part of the twentieth century thousands of working class New Yorkers flocked to Coney Island in search of a release from their workaday lives and the values of bourgeois society On the other side of the Atlantic British workers headed off to the beach resort of Blackpool for entertainment and relaxation However by the middle of the century a new type of park began to emerge providing well ordered squeaky clean and carefully orchestrated corporate entertainment Contrasting the experiences of Coney Island and Blackpool with those of Disneyland and Beamish Gary S Cross and John K Walton explore

playful crowds and the pursuit of pleasure in the twentieth century to offer a transatlantic perspective on changing ideas about leisure class and mass culture Blackpool and Coney Island were the definitive playgrounds of the industrial working class Teeming crowds partook of a gritty vulgarity that offered a variety of pleasures and thrills from roller coaster rides and freak shows to dance halls and dioramas of exotic locales Responding to the new money and mobility of the working class the purveyors of Coney Island and Blackpool offered the playful crowd an industrial saturnalia Cross and Walton capture the sights and sounds of Blackpool and Coney Island and consider how these Sodoms by the sea flouted the social and cultural status quo The authors also examine the resorts very different fates as Coney Island has now become a mere shadow of its former self while Blackpool continues to lure visitors and offer new attractions The authors also explore the experiences offered at Disneyland and Beamish a heritage park that celebrates Britain s industrial and social history While both parks borrowed elements from their predecessors they also adapted to the longings and concerns of postwar consumer culture Appealing to middle class families Disney provided crowds a chance to indulge in child like innocence and a nostalgia for a simpler time At Beamish crowds gathered to find an escape from the fragmented and hedonistic life of modern society in a reconstructed realm of the past where local traditions and nature prevail Boys' Life ,1946-01 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Charlie Finley** G.
